FOR IMMEDIATE RELEASE

September Regular Monthly Meetings Set for Metro Community-based Transit Service Sector Governance Councils

Metro's community-based transit service sector governance councils will hold their regular monthly public meetings in September to discuss various transportation issues in their service sectors.

Residents within the San Fernando and San Gabriel Valley, Gateway Cities of southeast Los Angeles, the South Bay and the Westside/Central area interested in helping to improve Metro Bus service in their communities are encouraged to attend the monthly meetings.

Governance councils work closely with Metro's community-based service sectors in studying and planning service improvements and efficiencies of Metro Bus operations in their respective service sectors.

The following is a list of Metro governance council September meetings.
