## **March Monthly Meetings Set for Metro Community-Based Transit Service Sector Governance Councils**

- Update: Metro San Gabriel Valley Service Sector meeting has been rescheduled for March 19.

Metro's five community-based transit service sector governance councils will hold their regular monthly public meetings in March to discuss various transportation issues in their service sectors including proposed service modifications and improvements slated to be implemented in June.

Service sector staff recommendations on Metro Bus service modifications before the governance councils follow last month's public hearings on proposed service changes in the five service sectors.

Residents within the San Fernando Valley, San Gabriel Valley, Gateway Cities of southeast Los Angeles, the South Bay and the Westside/Central area interested in helping to improve Metro Bus service in their communities are encouraged to attend the monthly meetings. Governance councils work closely with Metro's community-based service sectors in studying and planning service improvements and efficiencies of Metro Bus operations in their respective service sectors.

The following is a list of Metro governance council March meetings.
