FOR IMMEDIATE RELEASE

Pam O'Connor Will Discuss Traffic and Its Impact on the Environment in Second Live Chat on Metro Web Site

- Second Live Internet Chat Set for Dec. 12 at Metro.net

Metro Board Chair and Santa Monica City Council Member Pam O'Connor will host her next live chat at noon Dec. 12 at metro.net. During the hour-long chat she will discuss the impact of Southern California traffic on the environment and how individuals can partner with Metro to reduce their carbon footprints, as well as trim back gas consumption. You can talk to the Metro Board Chair live on Dec. 12 or submit advance questions by going to metro.net/chat.

There won't be a live chat in November as Metro resolves technical issues that cropped up during last month's debut chat but O'Connor will continue to take questions and comments regarding traffic solutions for Los Angeles until Nov. 20 and encourages the public to e-mail her at metro.net/chat. She will post her answers on metro.net on Nov. 21.
