FOR IMMEDIATE RELEASE

Metro Board Chair Pam O'Connor wants to hear your transit funding strategies in next live internet chat

- Third Live Internet Chat Set for Jan. 23 at metro.net

Share your ideas for funding transit at the next live chat, noon to 1 p.m. Wednesday, Jan. 23. Tell Metro Board Chair and Santa Monica City Council Member Pam O'Connor where you think the money should come from to pay for future transit projects and keep the system running. Should it be a half cent sales tax? Public/private partnerships? Parking fees? Toll roads? Or something entirely different? Talk to the Metro Board Chair live on Jan. 23 or submit advance questions by going to metro.net/chat.
