## **Metro Blue Line Train Service To Be Delayed March 6, 7, and 8 Due to Grade Crossing Replacement Work**

Work crews will work along the Metro Blue Line tracks beginning tonight at 9:00 p.m. between Florence and 103rd St. Stations, at Nadeau Street. During this period, Blue Line train service will continue to operate. However, service delays are expected as trains will be operating every 20 minutes all day Saturday, March 7 and all day Sunday, March 8 instead of every 12 to 15 minutes.

Regular weekday service will operate on Monday. Vehicle traffic will not be able to use the crossing at Nadeau Street until Tuesday afternoon, March 10.

Metro apologizes for any inconveniences Metro patrons may experience while this work is being done.
