## **Metro to Host Interactive Telephone Town Hall Meeting March 28 to Answer Questions about Measure M and Metro's Budget for the Coming Year**

The Los Angeles County Metropolitan Transportation Authority (Metro) will host a live, interactive telephone town hall meeting 6:30 to 7:30 p.m. Tuesday, March 28, to talk about your tax dollars at work and how they are being invested in the transportation revolution now in progress in Los Angeles County. Along with Metro's budget development outreach, there will be an update on Measure M – the program to advance 40 major transportation projects over 40 years -- and questions about changes in service to help your commutes will be answered. The meeting will be simulcast in English and Spanish.

For the meeting, residents across Los Angeles County will be called at random through an innovative automated telephone system and invited to participate in the public forum from the comfort of their own homes. The telephone town hall also will include an option for participants to provide input through real-time polls. When residents answer their phones, they will be connected to the meetings automatically. Anyone who does not receive a call but wants to participate can dial into the toll-free telephone number listed below.

There are several other ways to participate in the interactive town hall:

- **English:** On the day of the meeting, the toll-free call-in number is 888-400-1932.
- **Spanish:** On the day of the meeting, the toll-free call-in number is 888-400-9342.
- Participants can also sign up for meetings in advance and receive an email reminder by visiting <http://theplan.metro.net/telephone-town-hall-meetings/>.

**ADA Language Accommodation:** If you require an interpreter or other accommodations, please contact Metro at least 72 hours prior to the telephone town hall meeting date at 323-466-3876 or California Relay Service at 711.

### **About Metro**

The Los Angeles County Metropolitan Transportation Authority (Metro) is unique among the nation's transportation agencies. Created in 1993, Metro is a multimodal transportation agency that transports about 1.3 million passengers daily on a fleet of 2,200 clean air buses and six rail lines.

The agency also oversees bus, rail, highway and other mobility-related building projects and leads transportation planning and programming for Los Angeles County.
