The Metro organization is very saddened by the unfortunate incident that occurred on August 29 at the Blue Line Wardlow Station. We understand this is difficult for our whole community, as we all struggle with tragic events. While the Long Beach Police Department, the Los Angeles County District Attorney's Office and Metro Security continue to investigate this fatal incident and piece together exactly what happened, our heartfelt condolences go out to all involved. Safety is Metro's number one priority and we will continue to strive for ways to ensure that our system is safe for all our customers and employees.
