## **Metro to Host Interactive Telephone Town Hall Meeting April 10 to Discuss the Agency's FY20 Budget**

The Los Angeles County Metropolitan Transportation Authority (Metro) will host a live, interactive telephone town hall meeting from 6:30 p.m. to 7:30 p.m. on Wednesday, April 10, to discuss Metro's Fiscal Year 2020 budget.

Metro is in the process of seeking input from the public about its upcoming budget to operate, expand, improve and modernize transportation services in Los Angeles County. The telephone town hall will provide an opportunity to discuss priorities and options, ask questions of Metro's transportation experts and provide more feedback as the agency plans for the future.

More information about Metro's budget can be found at <https://www.metro.net/about/financebudget/>. More about Metro fares can be found at <https://www.metro.net/riding/fares/>.

For the meeting, 50,000 residents across Los Angeles County will be contacted randomly through an innovative automated telephone system and invited to participate in the public forum from the comfort of their own homes. The Telephone Town Hall also will include an option for participants to provide input through real-time polls. When residents answer their phones, they will be connected to the meeting automatically.
