APPENDIX 3.13-A: EXISTING LAND USES AND ZONING OF PROJECT TEMPORARY USES AND PERMANENT ACQUISITIONS FIGURES

3.13-A.1 Introduction

Appendix 3.13-A provides a series of figures that show the existing land use and zoning categories present in the resource study area (RSA) surrounding the project alignment as well as the temporary uses and permanent acquisitions in the RSA that would result with implementation of Shared Passenger Track Alternative A. The organization of figures is by RSAs per city and station area. Figures that do not include color coding assigned to temporary or permanent acquisitions (within the legend) do not include any of these features. The following lists the figures found in Appendix 3.13-A:
