Every Lane is a Bike Lane Safety Campaign Update

In late March, our agency launched its “Every Lane is a Bike Lane” campaign to increase motorists’ awareness of cyclists’ rights to the road. To target drivers, Metro developed an ad campaign to reach drivers in their cars. The ads appear on bus backs, billboards, drive-time radio and all across Los Angeles County. The bike safety message will also appear on bumper stickers that will be handed out at bicycling community events. The campaign is scheduled to run through mid-May. To view the complete story as posted on the Source along with pictures, please click [here](#).

Expo Construction Notice

Falsework Installation for Bundy Bridge Construction

As part of the construction of Phase 2 of the Expo Light Rail Line, work crews will be working at the intersection of Bundy Drive and Exposition Boulevard for the installation of the falsework for the Bundy Bridge in the City of Los Angeles. The work is being managed and performed by the Expo Phase 2 design-build contractor Skanska-Rados Joint Venture (SRJV) and its subcontractors. Construction activities will take place at the intersection of Bundy Drive and Exposition Boulevard. This construction work will take place on Monday, April 15, 2013 through Thursday, May 16, 2013 from 9:00 p.m. to 6:00 a.m. To view the complete construction notice, please click [here](#).

Procurement Posting for Next Week

Glass Windows for MBL (IFB)

Procurement will release an Invitation for Bids (IFB) next week to procure glass windows for the Blue Line Rail Vehicle. The procurement process blackout period is expected to run from April 15, 2013 through July 25, 2013. Replacing the current plastic windows with glass windows that have a harder surface will reduce the amount of damage and etching to the windows along with providing clean interiors for the riding public. Any inquiries concerning this procurement action during the blackout period must be directed to and may only be answered by Sherri Jackson, Procurement Planning Administrator at (213) 922-1025.

Upcoming CEO Meetings & Events

Next week, I will attend the Energy Blue Ribbon Committee meeting, the Union Station

Master Plan Advisory Committee Meeting and our monthly committee meetings. I will also attend a Legislative Briefing on the draft alternatives for the Union Station master plan. Lastly, I will attend the California High Speed Rail meeting, a Mobility 21 meeting and the Metrolink Agencies' CEO meeting.
