2013 Call for Projects

2013 Call for Projects

Last Friday, January 18, 2013 was the deadline to submit 2013 Call for Projects (Call) applications. In total, we received 207 applications. The preliminary transportation modal category breakdown is as follows:

Regional Surface Transportation Improvements	32
Goods Movement Improvements	12
Signal Synchronization & Bus Speed Improvements	22
Transportation Demand Management	11
Bikeway Improvements	40
Pedestrian Improvements	36
Transit Capital	32
Transportation Enhancement Activities	22
Total	207

The number of applications received is slightly higher than that received for the 2011 Call (180 applications). The preliminary funding mark for the 2013 Call is approximately \$200 million. In the spring, we will be requesting Board approval of the fund estimate and the individual transportation modal category funding marks for this Call for Projects. Preliminary project and funding recommendations are expected to be released in June, with Board approval for the 2013 Call for Projects in September.
