**Metro Wins Communications Design Excellence Awards, Including Best in Show**  
**Metro Wins Communications Design Excellence Awards, Including Best in Show**

Metro has won 2 Awards of Excellence in the 2013 TMSA (Transportation Marketing & Sales Association) Compass Awards Program—one for the Orange Line Extension Art Guide and another for the Expo Line Art Guide. In addition, the Expo Line Art Guide won Best in Show. The winning entries, which were created in-house by our Creative Services department, were judged against the best in the transportation and logistics organizations throughout North America. To see the winning entries, please click [here](#).
