FOR IMMEDIATE RELEASE

Closures for I-5 HOV Improvement Project (Magnolia Blvd. to SR-134)

San Fernando Valley – The California Department of Transportation (Caltrans) will close the following lanes, ramps, and connectors of the Golden State Freeway (I-5) and the Ventura Freeway (SR-134) as part of a \$57.8 million improvement project to construct High Occupancy Vehicle (HOV or carpool) lanes in each direction along I-5 between SR-134 and Magnolia Boulevard. Closures are subject to change. Detours will be signed.

*SB I-5 wastbound and westbound Western Avenue Off-ramps are currently closed. These are expected to open in mid-2014.

*Northbound I-5 eastbound and westbound Alameda Avenue off-ramps are currently closed. These are expected to open in mid-2014.

*No two consecutive ramp closures are taken.

*There will be no closures due to the Thanksgiving Holiday from evening of Wednesday November 27 to Sunday December 1, 2013.

- Northbound I-5 from Colorado Boulevard to SR-134
 TIME: Up to three lanes 10 p.m. to 6 a.m.
 Four lanes-1 a.m. to 4 a.m.
- Southbound Burbank Boulevard to SR-134
 TIME: Up to three lanes 10 p.m. to 6 a.m.
 Four lanes: 1 a.m. to 4 a.m.

About the Project

This project is building a high occupancy vehicle (HOV) lane in each direction along the Golden State Freeway (I-5) between the Ventura Freeway (SR-134) and Magnolia Boulevard in Burbank, a total distance of 5.4 miles (2.7 miles in each direction). It is also constructing sound walls and retaining walls.

The new HOV lanes will alleviate congestion, encourage carpooling, improve air quality, provide a smoother ride for motorists, and reduce traffic on city streets.

Funding for this \$57.8 million project is provided by Proposition C. The contractor is Security Paving of Sun Valley, California. Work began in March 2011 and is expected to be completed in late 2014.

Caltrans thanks motorists for their patience and understanding during construction.
