

CONSTRUCTION NOTICE

Universal Pedestrian Bridge Project

June 18-26, 2014

SUMMARY

Universal Pedestrian Bridge Tree Removal

As part of the process to begin construction on the Universal Pedestrian Bridge project it is necessary to remove trees in three pre-designated Station areas (1, 2 & 3). Tree removal will begin on June 18, 2014 and last for 10 days.

Trees will be removed and loaded into trucks via heavy equipment and transported to an offsite location. After loading, all trucks will be tarped or covered to ensure no debris escapes during transportation. Trucks will exit through a pre-determined construction entrance/exit haul route.

Vehicular and pedestrian traffic will be controlled so as to ensure safety in the construction area..

Full access to Universal Studios and City Walk will be maintained.

NOTEWORTHY

Station 2 & 3 work will take place late night with lane closure on Universal Hollywood Dr. from **9pm-5am / June 18th - June 26th**

Station 1 work will take place during the day and will require the temporary lane closure of the right turn pocket on Lankershim Blvd. on the north corner of Campo De Cahuenga and Lankershim intersection from **9am-3pm. / June 23 & 24**

Full access to Universal Studios and City Walk will be maintained.

Metro apologizes for any inconvenience during this period and appreciates your understanding and cooperation.

Metro
