

## CONSTRUCTION NOTICE

### Universal Pedestrian Bridge Project

#### SUMMARY

##### Universal Pedestrian Bridge Design Fence Installation

As part of the process to begin construction on the Universal Pedestrian Bridge project it is necessary to install fencing in pre-designated Station areas. Design fence installation will begin on June 23, 2014 and last for 5 days concluding on June 27, 2014.

To protect the public during the fence installation, the area to be fenced will first be delineated with cone and caution tape. During fence installation, a spotter will keep pedestrians from entering the work area.

***Full access to Universal Studios and City Walk will be maintained.***

#### NOTEWORTHY

**Station 1 & 3 fence installation** work will take place during regular construction time schedules: 7am-330pm / **June 23<sup>rd</sup> - June 27<sup>th</sup>**

Full access to Universal Studios and City Walk will be maintained.

*Metro apologizes for any inconvenience during this period and appreciates your understanding and cooperation.*

**Metro**

#### ESSENTIALS

June 23-27, 2014

**What:** Design Fence Installation **Stations 1 & 3**

**When:** During regular construction time schedules: 7am-330pm

**Where:** Universal Hollywood Drive at Lankershim Blvd.

**Why:** To specify the work limit area, prevent pedestrians from entering construction area and noise / vibration control.

#### WHAT TO EXPECT

Fence installation will take place from June 23-27<sup>th</sup> during normal construction time schedule of 7am-330pm. The fencing will be installed at **Stations 1 & 3**. At **Station 1** a chain link fence with visibility screen on stands with sand bags will be installed.

During fence installation, a spotter will keep pedestrians from entering the work area. To protect the public during the fence installation, the area to be fenced will first be delineated with cone and caution tape.
