Bill ID/Topic	Location	Summary	Position	Recent Support/Oppose
AB 1 Frazier D Transportation funding.	1/19/2017- A. TRANS. 1/19/2017- Referred to Coms. on TRANS. and NAT. RES.	(1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account.This bill would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund, including revenues attributable to a \$0.012 per gallon increase in the motor vehicle fuel (gasoline) tax imposed by the bill with an inflation adjustment, as provided, an increase of \$38 in the annual vehicle registration fee with an inflation adjustment, as provided, a new \$165 annual vehicle registration fee with an inflation adjustment, as provided, applicable to zero-emission motor vehicles, as defined, and certain miscellaneous revenues described in (7) below that are not restricted as to expenditure by Article XIX of the California Constitution.This bill contains other related provisions and other existing laws. AB 17 Holden D Transit Pass Pilot Program: free or reduced-fare transit passes.	9/20/2017- A. ENROLLED 9/20/2017- Enrolled and presented to the Governor at 4:30 p.m.	Existing law declares that the fostering, continuance, and development of public transportation systems are a matter of statewide concern. Existing law authorizes the Department of Transportation to administer various programs and allocates moneys for various public transportation purposes. This bill would, upon an appropriation of moneys from the Public Transportation Account by the Legislature, create the Transit Pass Pilot Program to be administered by the department to provide free or reduced-fare transit passes, directly or through a 3rd party, including a transit agency, to specified pupils and students by supporting new, or expanding existing, transit pass programs. The bill would require the department to develop guidelines that describe the application process and selection criteria for awarding the moneys made available for the program, and would exempt the development of those guidelines from the Administrative Procedure Act. The bill would require the department to develop performance measures and reporting requirements to evaluate the effectiveness of the program, and would require the department to submit a report to specified committees of the Legislature on or before January 1, 2020, on the outcomes of the program and the status of transit pass programs statewide. The bill would provide that its requirements become effective only upon an appropriation that would trigger the creation of the program. The pilot program would be repealed on January 1, 2022. AB 28 Frazier D Department of Transportation: environmental review process: federal pilot program.	3/29/2017- A. CHAPTERED 3/29/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 4, Statutes of 2017.	Existing law gives the Department of Transportation full possession and control of the state highway system. Existing federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Existing law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020. This bill contains other related provisions.	Support	Floor Analysis (text 3/2/2017) Support Oppose
AB 46 Cooper D Employers: wage discrimination.	9/25/2017- A. ENROLLED 9/25/2017- Enrolled and presented to the Governor at 12 p.m.	Existing law prohibits an employer from paying any of its employees at wage rates less than the rates paid to employees of the opposite sex for substantially similar work, when viewed as a composite of skill, effort, and responsibility, and performed under similar working conditions, unless the employer demonstrates that one or more specific factors, reasonably applied, account for the entire wage differential. Existing law also similarly prohibits an employer from paying any of its employees at wage rates less than the rates paid to employees of another race or ethnicity for substantially similar work. This bill would define "employer" for those purposes to include public and private employers. The bill would specify that a public employer is not subject to the misdemeanor provision. This bill contains other existing laws.		Floor Analyses (text 12/5/2016) Support Oppose

AB 52 Cooper D Public employees: orientation and informational programs: exclusive representatives.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was P.E.,R. & S.S. on 1/19/2017)(May be acted upon Jan 2018)	(1)Existing law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, as well as provisions commonly referred to as the Educational Employment Relations Act and the Higher Education Employer-Employee Relations Act, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. Existing law establishes the Public Employment Relations Board and prescribes its powers and duties, in relation to these acts. These acts grant specified public employees of these entities the right to form, join, and participate in the activities of employee organizations of their choosing and require public agency employers, among other things, to meet and confer with representatives of recognized employee organizations and exclusive representatives on terms and conditions of employment. This bill would require the public employers regulated by the acts described above to provide all employees an orientation. The bill would also require these public employers to permit the exclusive representative, if applicable, to participate. By creating new duties for various local agencies, this bill would impose a state-mandated local program.This bill contains other related provisions and other existing laws.

AB 65 Patterson R Transportation bond debt service.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 1/19/2017)(May be acted upon Jan 2018)	Existing law provides for transfer of certain vehicle weight fee revenues to the Transportation Debt Service Fund to reimburse the General Fund for payment of current year debt service on general obligation bonds issued for transportation purposes, including bonds issued for high-speed rail and associated purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Proposition 1A of 2008). This bill would specifically exclude from payment under these provisions the debt service for Proposition 1A bonds.		
AB 66 Patterson R High-Speed Rail Authority: reports.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 1/19/2017)(May be acted upon Jan 2018)	Existing law, the California High-Speed Rail Act, creates the High-Speed Rail Authority to develop and implement a high-speed rail system in the state, with specified powers and duties. Existing law requires the authority, on a biennial basis, to prepare a business plan containing specified elements and also requires the preparation of various other reports. This bill would require the business plan to identify projected financing costs for each segment or combination of segments of the high-speed rail system, if financing is proposed by the authority. The bill would require the authority to identify in the business plan and in another report any significant changes in scope for segments of the high-speed rail system identified in the previous version of each report and to provide an explanation of adjustments in cost and schedule attributable to the changes. AB 69 Allen, Travis R	5/12/2017-A. 2 YEAR 5/12/2017-Failed State highways: roadside rests.	Existing law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Existing law authorizes the department to plan, design, and construct a system of safety roadside rests along state highways. Existing law requires the department to design only those safety roadside rests that are reasonably economical and that will provide the motorist a place where he or she may stop for a short time during daytime and nighttime hours. This bill would make nonsubstantive changes to these provisions.

AB 73 Chiu D Planning and zoning: housing sustainability districts.	9/29/2017- A. CHAPTERED 9/29/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 371, Statutes of 2017.	<p>(1)The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. Existing law provides for various reforms and incentives intended to facilitate and expedite the construction of affordable housing.This bill would authorize a city, county, or city and county, including a charter city, charter county, or charter city and county, to establish by ordinance a housing sustainability district that meets specified requirements, including authorizing residential use within the district through the ministerial issuance of a permit. The bill would authorize the city, county, or city and county to apply to the Department of Housing and Community Development for approval for a zoning incentive payment and require the city, county, or city and county to provide specified information about the proposed housing sustainability district ordinance. The bill would require the department to approve a zoning incentive payment if the ordinance meets the above-described requirements and the city’s housing element is in compliance with specified law. The bill would also require the department, each October 1 following the approval of the housing sustainability district, to issue a certificate of compliance if the city, county, or city and county meets specified criteria pertaining to the continued compliance with these provisions or to deny certification, as provided. The bill would provide that a city, county, or city and county with a housing sustainability district would be entitled to a zoning incentive payment, subject to appropriation of funds for that purpose, and require that 1/2 the amount be provided upon zone approval by the department and 1/2 the amount upon verification by the department of the issuance of permits for the projected units of residential construction within the zone, provided that the city, county, or city and county has received a certificate of compliance for the applicable year. The bill, if the city, county, or city and county reduces the density of sites within the district from specified levels, would require the city, county, or city and county to return the full amount of zoning incentive payments it has received to the department. The bill would also authorize a developer to develop a project in a housing sustainability district in accordance with the already existing land use approval procedures that would otherwise apply to the parcel in the absence of the establishment of the housing sustainability district pursuant to its provisions, as provided. AB 87 Ting D Autonomous vehicles.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 1/19/2017)(May be acted upon Jan 2018)	Existing law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle being operated, if specified requirements are satisfied. Existing law prohibits an autonomous vehicle from being operated on public roads until the manufacturer submits an application to the Department of Motor Vehicles, as specified, and that application is approved. Existing law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under existing law, it is unlawful and constitutes an infraction for any person to violate, or fail to comply with any provision of the Vehicle Code, unless otherwise specified. This bill would provide that violation of this section is not an infraction and would instead, among other things, require the department to revoke the registration of a vehicle that is being operated in violation of those provisions. The bill would also authorize a peace officer to cause the removal and seizure of a vehicle operating on the public streets with a registration that has been revoked pursuant to these provisions and authorize the department to impose a penalty of up to \$25,000 per day for each autonomous vehicle operating in violation of these provisions.

AB 91 Cervantes D High-occupancy vehicle lanes.	9/15/2017- S. INACTIVE FILE 9/15/2017- Ordered to inactive file at the request of Senator Roth.	Existing law authorizes the Department of Transportation to designate certain lanes for the exclusive or preferential use of high-occupancy vehicles. When those exclusive or preferential use lanes are established and double parallel solid lines are in place to the right thereof, existing law prohibits any person driving a vehicle from crossing over those double lines to enter into or exit from the lanes, and entrance or exit from those lanes is authorized only in areas designated for these purposes or where a single broken line is in place to the right of the lanes, except as specified. This bill would prohibit, commencing July 1, 2018, a high-occupancy vehicle lane from being established in the County of Riverside, unless that lane is established as a high-occupancy vehicle lane only during the hours of heavy commuter traffic, as determined by the department. The bill would require any existing high-occupancy vehicle lane in the County of Riverside that is not a toll lane to be modified to operate as a high-occupancy lane under those same conditions. The bill would provide that these provisions apply only if the department, with the concurrence of the Riverside County Transportation Commission and the Southern California Association of Governments, determines that compliance with those provisions does not result in federal financial penalties, disqualification from future funding, or certain costs to local or regional governments. The bill would authorize the department, on or after May 1, 2019, to reinstate 24-hour high-occupancy vehicle lanes in the County of Riverside if the department makes a specified determination, and would require the department to report to the Legislature on the impact on traffic of limiting the use of high-occupancy lanes only during the hours of heavy commuter traffic, as provided in the bill. AB 135 Committee on Budget Transportation.	9/18/2017- A. CHAPTERED 9/16/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 255, Statutes of 2017.	(1)Existing federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the secretary may enter into an agreement with a state for the state to assume the responsibilities of the secretary with respect to federal environmental review and clearance under the National Environmental Policy Act of 1969 (NEPA) with respect to one or more transportation projects, as specified. If a state assumes this responsibility, existing federal law authorizes a state to assume the responsibilities of the secretary for environmental review required under any federal environmental law pertaining to the review or approval of a specific project, and the state to assume the responsibilities of the secretary with respect to one or more transportation projects within the state under NEPA, as specified. Existing law, until January 1, 2020, provides that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program for highway projects. This bill would authorize the Secretary of Transportation to assume the responsibilities of the United States Secretary of Transportation under NEPA and other federal environmental laws for any railroad, public transportation, or multimodal project undertaken by state agencies, as specified. The bill would provide that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of these responsibilities. The bill would repeal these provisions on January 1, 2021. This bill contains other related provisions and other existing laws.		Floor Analysis (text 9/11/2017) Support Oppose

AB 174 Bigelow R Tribal gaming: compact ratification.	10/3/2017- A. CHAPTERED 10/3/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 435, Statutes of 2017.	Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude tribal-state gaming compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes. This bill would ratify the amendment to the tribal-state gaming compact entered into between the State of California and the United Auburn Indian Community, executed on August 18, 2017. The bill would provide that, in deference to tribal sovereignty, certain actions related to that compact are not projects for purposes of CEQA. This bill contains other related provisions and other existing laws.		Floor Analysis (text 8/30/2017) Support Oppose
AB 179 Cervantes D California Transportation Commission.	9/12/2017- A. ENROLLED 9/12/2017- Enrolled and presented to the Governor at 2:30 p.m.	Existing law creates the California Transportation Commission, with various powers and duties relative to the programming of transportation capital projects and allocation of funds to those projects pursuant to the state transportation improvement program and various other transportation funding programs. Under existing law, the commission consists of 13 members, 9 of whom are to be appointed by the Governor in consultation with the Senate. Existing law requires the Governor, in appointing members, to use every effort to ensure geographic balance of representation. This bill would additionally require the Governor, in appointing members, to use every effort to ensure that the commission has a diverse membership with expertise in transportation issues, taking into consideration factors including, but not limited to, socioeconomic background and professional experience, which may include experience working in, or representing, disadvantaged communities. This bill contains other related provisions.		Floor Analysis (text 7/13/2017) Support Oppose

AB 239 Ridley-Thomas D	5/12/2017-A. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was NAT. RES. on 2/6/2017)(May be acted upon Jan 2018)	The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA defines the terms "urban area" and "urbanized area" to mean, among other things, an unincorporated area that is completely surrounded by one or more incorporated cities and the population density of the unincorporated area at least equals the population density of the surrounding city or cities. This bill would instead specify that the population density of the unincorporated area be at least 1,000 persons per square mile. AB 241 Dababneh D Personal information: privacy: state and local agency breach.	5/26/2017-A. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. on 5/26/2017)(May be acted upon Jan 2018)	Existing law requires a person or business conducting business in California and any state or local agency, as defined, that owns or licenses computerized data that includes personal information, as defined, to disclose a breach in the security of the data to a resident of California whose unencrypted personal information was, or is reasonably believed to have been, acquired by an unauthorized person in the most expedient time possible and without unreasonable delay, as specified. Existing law requires a person or business, if it was the source of the breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to the person whose information was or may have been breached if the breach exposed or may have exposed the person's social security number, driver's license number, or California identification card number. This bill also would require a state or local agency, if it was the source of the breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to a person whose information was or may have been breached if the breach exposed or may have exposed the person's social security number, driver's license number, or California identification card number. AB 262 Bonta D Public contracts: bid specifications: Buy Clean California Act.	9/20/2017- A. ENROLLED 9/20/2017- Enrolled and presented to the Governor at 4:30 p.m.	The State Contract Act governs the bidding and award of public works contracts by specific state departments and requires an awarding department, before entering into any contract for a project, to prepare full, complete, and accurate plans and specifications and estimates of cost. This bill, the Buy Clean California Act, would, by January 1, 2019, require the Department of General Services to establish, and publish in the State Contracting Manual, a maximum acceptable global warming potential for each category of eligible materials, in accordance with requirements set out in the bill. The bill, by January 1, 2022, and every 3 years thereafter, would require the department to review the maximum acceptable global warming potential for each category of eligible materials established, and would authorize the department to adjust that number downward for any eligible material to reflect industry improvements, as provided. This bill contains other related provisions and other existing laws.	Watch	Floor Analysis (text 7/19/2017) Support Oppose
AB 268 Waldron R State mandates.	5/12/2017-A. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was PRINT on 2/1/2017)(May be acted upon Jan 2018)	The California Constitution requires the state to provide a subvention of funds to reimburse local government for the costs of that new program or higher level of service, with specified exceptions, when the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts. Existing law establishes the sole and exclusive procedure by which a local agency or school district may claim reimbursement for these costs. This bill would make a technical, nonsubstantive change to this provision.	Watch

AB 287 Holden D State Highway Route 710: advisory committee.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 2/13/2017)(May be acted upon Jan 2018)	Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property. Existing law designates and describes state highway routes, and also describes the state highway routes in the California freeway and expressway system, including all of Route 710 in the County of Los Angeles. This bill would require the Department of Transportation, in consultation with the Los Angeles County Metropolitan Transportation Authority, to establish the State Route 710 North Advisory Committee, with a specified membership, to study the alternatives considered in the State Route 710 North Draft Environmental Impact Review and other transit options to improve travel in, and environmental impacts of, the State Route 710 North project area, along with alternatives not considered by the environmental review. The bill would require the advisory committee, by January 1, 2019, to make recommendations in a report to the Legislature, the Department of Transportation, and the Los Angeles County Metropolitan Transportation Authority on the most appropriate and feasible alternative in the State Route 710 North project area to improve air quality and public health, improve traffic safety, modernize the freeway design, address projected traffic volumes, address projected growth in population and employment, and create jobs. This bill contains other related provisions. AB 301 Rodriguez D Commercial motor vehicles: examination requirements: driving skills test.	9/1/2017-S. 2 YEAR 9/1/2017-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE on 8/21/2017)(May be acted upon Jan 2018)	Existing law prohibits a person from operating a commercial motor vehicle unless the person has passed a written and driving test for the operation of a commercial motor vehicle that complies with specified federal standards and any other requirements imposed by the Vehicle Code. Existing law requires the Department of Motor Vehicles to implement these provisions, as specified. This bill would require the Department of Motor Vehicles to establish performance goals to decrease the wait time to obtain an appointment to take the driving skills test to operate a commercial motor vehicle. The bill would require the department to convene a stakeholder group to make recommendations to the department on meeting these performance goals. The bill would require the department to submit a report to the relevant budget and policy committees of the Legislature detailing the recommendations of the stakeholder group, the recommendations that the department has adopted, the recommendations that were not adopted with an explanation of why they were not adopted, and how the department intends to implement these recommendations. The bill would additionally require the department to submit a subsequent report to these committees describing the department's performance in implementing the recommendations it has adopted and achieving the performance goals. AB 306 Gonzalez Fletcher D	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was INS. on 3/23/2017)(May be acted upon Jan 2018)	Existing law prescribes a system for the payment of benefits to unemployed individuals who meet specified eligibility criteria. Existing law disqualifies an individual for unemployment compensation benefits if the Director of Employment Development finds that the individual left his or her most recent work voluntarily without good cause or that he or she has been discharged for misconduct connected with his or her most recent work. Existing law also deems an individual not eligible for unemployment compensation benefits if the individual left his or her work because of a trade dispute. This bill would delete the prohibition against unemployment compensation benefit eligibility if the individual left his or her work because of a trade dispute. The bill would also provide that an individual is deemed to have left his or her most recent work with good cause if (1) he or she is prohibited by his or her employer from performing his or her work as a result of a trade dispute with the employer regarding wages, hours, or other terms or conditions of employment or (2) he or she left this work during a bona fide strike of more than 50% of the bargaining unit employees in a refusal of these employees who are authorized by a bona fide labor organization pursuant to state or federal labor law to perform work or services for the employer. This bill contains other related provisions.	Watch

AB 330 Cooley D Highway safety.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was PUB. S. on 4/3/2017)(May be acted upon Jan 2018)	Existing law prohibits a person who has 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle. Existing law also prohibits a person while having 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle and concurrently doing any act forbidden by law, or neglecting any duty imposed by law in driving the vehicle, when the act or neglect proximately causes bodily injury to a person other than the driver. A violation of either of these prohibitions is a crime. Existing law authorizes a court, in addition to imposing penalties and sanctions for those violations, to require the person to enroll and participate in, and successfully complete, a driving-under-the-influence program, which may include, among other things, education, group counseling, and individual interview sessions. This bill would, until January 1, 2022, authorize the court to order a person convicted of a crime described above to enroll and participate in, and successfully complete, a qualified "24/7 Sobriety program," as defined, as a condition of probation, if the program is available and deemed appropriate, and the person committed the crime within 10 years of one or more separate crimes described above that resulted in a conviction. The bill would define a "24/7 Sobriety program," in part, as requiring a person in the program to abstain from alcohol and unauthorized controlled substances and be subject to frequent testing for alcohol and controlled substances, as specified. The bill would authorize use of participation in a 24/7 Sobriety program in conjunction with participation in an ignition interlock device program. The bill would require a person participating in the program to pay the program costs, commensurate with the person's ability to pay, as specified. This bill contains other existing laws. AB 344 Melendez R Toll evasion violations.	7/21/2017-S. 2 YEAR 7/21/2017-Failed Deadline pursuant to Rule 61(a)(11). (Last location was T. & H. on 5/10/2017)(May be acted upon Jan 2018)	Existing law prohibits a person from evading or attempting to evade the payment of tolls or other charges on any vehicular crossing or toll highway, and makes a violation of these provisions subject to civil penalties, as specified. If a vehicle is found to have evaded tolls on any toll road or toll bridge, existing law requires an issuing agency or a processing agency, within 21 days of the violation, to forward to the registered owner a notice of toll evasion violation setting forth the violation, as specified. This bill would not require a person contesting a notice of toll evasion violation or notice of delinquent toll evasion to pay the toll evasion penalty until after the processing agency or issuing agency finds as a result of an investigation, or the processing agency finds as a result of an administrative review, or a court finds as a result of a hearing, that the contestant did commit a toll evasion violation, whichever occurs later. The bill would authorize an administrative review to include reviews of multiple notices of toll evasion violation or notices of delinquent toll evasion of a person. This bill contains other existing laws. AB 378 Garcia, Cristina D Greenhouse gases, criteria air pollutants, and toxic air contaminants.	9/11/2017- A. INACTIVE FILE 9/11/2017- Reconsideration granted. Ordered to inactive file at the request of Assembly Member Cristina Garcia.	The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include the use of market-based compliance mechanisms. The act requires the state board to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. This bill would additionally require the state board to consider and account for the social costs of the emissions of greenhouse gases when adopting those rules and regulations. The bill would authorize the state board to adopt or amend regulations that establish a market-based compliance mechanism, applicable from January 1, 2021, to December 31, 2030, to complement direct emissions reduction measures in ensuring that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The bill would authorize the state board to adopt no-trade zones or facility-specific declining greenhouse gas emissions limits where facilities' emissions contribute to a cumulative pollution burden that creates a significant health impact. This bill contains other related provisions and other existing laws.		Floor Analysis (text 5/30/2017) Support Oppose

AB 408 Chen R Eminent domain: final offer of compensation.	5/12/2017-A. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was JUD. on 2/21/2017)(May be acted upon Jan 2018)	Existing law governing settlement offers in eminent domain proceedings authorizes the recovery of litigation expenses under certain circumstances. Existing law provides that if a court finds, on motion of the defendant, that the offer of the plaintiff was unreasonable and the offer of the defendant was reasonable in light of the evidence admitted and the compensation awarded in the proceeding, then the costs allowed shall include the defendant's litigation expenses. This bill would instead provide that if a court finds, on motion of the defendant, that the offer of the plaintiff was lower than 90% of the compensation awarded in the proceeding, then the court would be required to include the defendant's litigation costs in the costs allowed. If the court finds that the offer of the plaintiff was at least 90% and less than 100% of the compensation awarded in the proceeding, the court would be authorized to include the defendant's litigation costs in the costs allowed. AB 428 Ridley-Thomas D Local government: the Ralph M. Brown Act.	7/31/2017- A. CHAPTERED 7/31/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 137, Statutes of 2017.	The Ralph M. Brown Act requires that all meetings of a legislative body of a local agency be open and public, except that closed sessions may be held under prescribed circumstances. Existing law authorizes the legislative body of a local agency to use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law provided that the teleconferenced meeting or proceeding complies with all otherwise applicable requirements and provisions of law relating to a specific type of meeting or proceeding. Existing law, until January 1, 2018, authorizes a health authority that conducts a teleconference meeting to count members who are outside the jurisdiction of the authority toward the establishment of a quorum when participating in the teleconference if at least 50% of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting, as specified. This bill would extend the operation of these provisions relating to the establishment of a quorum for teleconferenced meetings of a health authority indefinitely. This bill contains other related provisions and other existing laws.		Floor Analyses (text 2/9/2017) Support Oppose

AB 464 Gallagher R Local government reorganization.	7/10/2017- A. CHAPTERED 7/10/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 43, Statutes of 2017.	The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, among other things, establishes procedures for consideration of a proposal for change of organization or reorganization, as defined. Existing law requires that an applicant seeking a change of organization or reorganization submit a plan for providing services within the affected territory that includes, among other requirements, an enumeration and description of the services to be extended to the affected territory and an indication of when those services can feasibly be extended. This bill would specify that the plan is required to also include specific information regarding services currently provided to the affected territory, as applicable, and make related changes. This bill contains other related provisions and other existing laws.		Floor Analyses (text 3/14/2017) Support Oppose
AB 467 Mullin D Local transportation authorities: transactions and use taxes.	10/10/2017- A. CHAPTERED 10/10/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 640, Statutes of 2017.	The Local Transportation Authority and Improvement Act provides for the creation in any county of a local transportation authority and authorizes the imposition by the authority, by ordinance, of a retail transactions and use tax, subject to approval of the ordinance by 2/3 of the voters. Existing law provides for the authority to adopt a transportation expenditure plan for the proceeds of the tax, and requires the entire adopted transportation expenditure plan to be included in the voter information guide sent to voters. This bill, upon the request of an authority, would exempt a county elections official from including the entire adopted transportation expenditure plan in the voter information guide, if the authority posts the plan on its Internet Web site, and the sample ballot and the voter information guide sent to voters include information on viewing an electronic version of the plan on the Internet Web site, as prescribed, and for obtaining a printed copy of the plan by calling the county elections office. The bill would require the county elections official to mail a printed copy of the plan at no cost to each person requesting a copy, if the county elections official exercises this authority. AB 496 Fong R Transportation funding.	2/27/2017- A. TRANS. 3/1/2017-Re- referred to Com. on TRANS.	(1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account. This bill would create the Traffic Relief and Road Improvement Program to address traffic congestion and deferred maintenance on the state highway system and the local street and road system. The bill would provide for the deposit of various existing sources of revenue in the Traffic Relief and Road Improvement Account, which the bill would create in the State Transportation Fund, including revenues attributable to the sales and use tax on motor vehicles, revenues attributable to automobile and motor vehicle insurance policies from the insurer gross premiums tax, revenues from certain diesel fuel sales and use taxes, revenues from certain vehicle registration fees, and certain miscellaneous State Highway Account revenues. This bill contains other related provisions and other existing laws.

AB 515 Frazier D State Highway System Management Plan.	9/27/2017- A. CHAPTERED 9/27/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 314, Statutes of 2017.	Existing law requires the Department of Transportation to prepare the State Highway Operation and Protection Program for the expenditure of transportation capital improvement funds for projects that are necessary to preserve and protect the state highway system, excluding projects that add new traffic lanes. Existing law requires the State Highway Operation and Protection Program to be based on an asset management plan prepared by the department, and requires the department to submit the proposed State Highway Operation and Protection Program to the California Transportation Commission by January 31 of each even-numbered year for adoption by the commission and submittal by the commission to the Governor and Legislature by April 1 of each even-numbered year. This bill would require the department to prepare a draft State Highway System Management Plan, which would consist both of the 10-year state highway rehabilitation plan and the 5-year maintenance plan. The bill would require the department to make the draft of its proposed State Highway System Management Plan available to regional transportation agencies for review and comment, and would require the department to include and respond to the comments in the final plan to the commission by February 15 of each odd-numbered year. The bill would require the department to transmit the final State Highway System Management Plan to the Governor and Legislature by June 1 of each odd-numbered year. This bill contains other existing laws.		Floor Analysis (text 6/20/2017) Support Oppose

AB 548 Steinorth R Omnitrans Transit District.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 3/23/2017)(May be acted upon Jan 2018)	Existing law creates various transit districts throughout the state, with specified powers and duties relative to providing public transit services. This bill would create the Omnitrans Transit District in the County of San Bernardino. The bill would provide that the jurisdiction of the district would initially include the Cities of Chino, Chino Hills, Colton, Fontana, Grand Terrace, Highland, Loma Linda, Montclair, Ontario, Rancho Cucamonga, Redlands, Rialto, San Bernardino, Upland, and Yucaipa, and unspecified portions of the unincorporated areas of the County of San Bernardino. The bill would authorize other cities in the County of San Bernardino to subsequently join the district. The bill would provide for the district to succeed to the rights and obligations of the existing Omnitrans Joint Powers Authority upon the dissolution of that authority. The bill would provide for the transfer of assets from the authority to the district. The bill would provide for a governing board composed of representatives of governing bodies within the county and would specify voting procedures for the taking of certain actions by the board. The bill would specify the powers and duties of the board and the district to operate transit services and issue bonds for the raising of funds. The bill would enact other related provisions. By imposing requirements on the district and affected local agencies, the bill would impose a state-mandated local program. This bill contains other existing laws.	Watch

AB 555 Cunningham R Greenhouse Gas Reduction Fund: schoolbuses.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 3/20/2017)(May be acted upon Jan 2018)	The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act requires the state board to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation. Existing law continuously appropriates 35% of the annual proceeds of the fund for transit, affordable housing, and sustainable communities programs and 25% of the annual proceeds of the fund for certain components of a specified high-speed rail project. This bill would continuously appropriate 4% of the annual proceeds of the fund for each of 3 specified fiscal years to the state board to implement a grant program to replace older, high-polluting schoolbuses with zero-emission or near-zero-emission schoolbuses, as specified.

AB 697 Fong R Tolls: exemption for privately owned emergency ambulances.	9/16/2017- S. INACTIVE FILE 9/16/2017- Ordered to inactive file at the request of Senator McGuire.	Existing law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven under specified conditions, including, among others, the vehicle is displaying public agency identification and driven while responding to or returning from an urgent or emergency call. Existing law provides procedures for an operator of a toll facility and a public agency to resolve certain disputes relating to the nonpayment of tolls. Existing law allows for agreements between the owner or operator of a toll facility and a local emergency service provider that establish terms for the use of the toll facility by the emergency service provider. Existing law prohibits a person from operating a privately owned emergency ambulance unless licensed by the Department of the California Highway Patrol. This bill would generally modify the exemption to apply to the use of a toll facility, as defined, and would expand the exemption, dispute resolution procedures, and agreement provisions to include a privately owned emergency ambulance licensed by the Department of the California Highway Patrol. The bill would also make technical changes to these provisions.		Floor Analyses (text 6/12/2017) Support Oppose

AB 709 McCarty D Sacramento Regional Transit District.	9/1/2017-S. RLS. 9/8/2017-From committee chair, with author's amendments: Amend, and re- refer to committee. Read second time, amended, and re- referred to Com. on RLS.	Existing law provides for the creation of the Sacramento Regional Transit District, with specified powers and duties relative to the provision of public transit services. Existing law describes the authorized boundaries of the district. Existing law provides for the district to be governed by a board of directors and provides for a weighted voting procedure. Existing law provides that the district may exercise the right of eminent domain and may levy various taxes subject to voter approval. Existing law authorizes the board of directors of the district to adopt a retail transactions and use tax ordinance, subject to the approval of 2/3 of the electors at a special election. Existing law requires the Sacramento Regional Transit District's retail transactions and use tax ordinance to provide for rates of 1/4 or 1/2 of 1%. This bill would revise and recast these and other related provisions. The bill would modify the description of the authorized boundaries of the district and provide that the district is a rapid transit district, as defined. The bill would specify that certain property and facilities used by the district are transit works and facilities, and constitute public works for the purposes of the Public Contract Code. The bill would modify the definition of quorum as applied to meetings of the board. The bill would authorize the district to publish ordinances on its Internet Web site as an alternative to newspaper publication. The bill would authorize the board secretary to be a district employee appointed by the board. The bill would provide that the preexisting rights of a public utility to be present on property would govern which party bears the costs of utility relocation in a district eminent domain proceeding, and that just compensation would not be payable if the public utility is obligated to bear the cost. The bill would authorize a public agency to contract with the district to provide transit facilities and services for the public agency. The bill would provide that laws, or rules or regulations, of this state inconsistent with the laws, or rules and regulations, of the United States, shall not apply to the acquisition, construction, maintenance, or operation of transit facilities funded by the United States, to the extent of the inconsistency, if that inconsistency may result in a loss of federal funding. The bill would modify the district's powers to impose property taxes to apply to all or any part of the district, and that the taxes would apply to an entity within the boundaries of the district as long as the entity remains a participating entity of the district. The bill would modify the district's powers to impose a retail transactions and use tax		Business, Professions And Economic Development (text 6/13/2017) Support American Cancer Society/Cancer Action Network (co-sponsor) American Heart Association / American Stroke Association (cosponsor) American Lung Association (sponsor) Health Access Oppose CalAsian Chamber of Commerce California Black Chamber of Commerce California Chamber of Commerce California Distributors Association California Grocers Association California Independent Oil Marketers Association (CIOMA) California Licensed Beverage Association California Manufacturers and Technology Association California Retailers Association Californians for Tobacco Harm Reduction Capitol Convenience Services National Federation of Independent Business Retailers and Store Owners United to Rebuild California's Economy

AB 863 Cervantes D Affordable Housing and Sustainable Communities Program.	9/26/2017- A. ENROLLED 9/26/2017- Enrolled and presented to the Governor at 3 p.m.	Existing law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions, to be deposited in the Greenhouse Gas Reduction Fund. Existing law continuously appropriates specified portions of the annual proceeds in the Greenhouse Gas Reduction Fund to various programs, including 20% for the Affordable Housing and Sustainable Communities Program administered by the Strategic Growth Council. Existing law provides for that program to fund projects that implement land use, housing, transportation, and agricultural land preservation practices to support infill and compact development and that support other related and coordinated public policy objectives. Existing law specifies the types of projects eligible for funding under the program. This bill would provide that a project receiving funding pursuant to the program shall be encouraged, among other things, to employ local entrepreneurs and workers utilizing appropriate workforce training programs. The bill would make related revisions to the policy objectives for the program.		Floor Analysis (text 6/22/2017) Support Oppose

AB 890 Medina D Land use: planning and zoning: initiatives.	9/20/2017- A. ENROLLED 9/20/2017- Enrolled and presented to the Governor at 4:30 p.m.	(1)The California Constitution authorizes the electors of each city and county to exercise the powers of initiative and referendum under procedures provided by the Legislature. The Planning and Zoning Law requires a county or city to prepare and adopt a comprehensive, long-term general plan for the physical development of the county or city. After the legislative body has adopted a general plan, that law authorizes the preparation of specific plans by the planning agency for the systematic implementation of the general plan for all or part of the area covered by the general plan. The Planning and Zoning Law provides for the adoption and administration of zoning laws, ordinances, rules, and regulations by counties and cities.This bill would require that the city council of a city or the board of supervisors of a county have exclusive authority to adopt or amend a general plan, specific plan, or zoning ordinance, that would convert any discretionary land use approval necessary for a project to ministerial approval; change the land use or zoning designation of a parcel or parcels to a more intensive designation; or authorize more intensive land uses within an existing land use designation or zoning designation. The bill would specify that it would not apply to a legislative act that meets specified conditions, would not affect the referendum powers, and would not affect the power of a city council or board of supervisors to submit a ballot measure to the voters under 2 circumstances set out in the bill.This bill contains other related provisions and other existing laws. AB 943 Santiago D Land use regulations: local initiatives: voter approval.	9/1/2017-S. 2 YEAR 9/1/2017-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE on 8/21/2017)(May be acted upon Jan 2018)	The Planning and Zoning Law, among other things, authorizes the legislative body of any county or city to adopt ordinances to regulate land use. Existing law also establishes procedures by which city or county ordinances may be enacted or amended by initiative, including requiring that an ordinance proposed by the voters of the city or county be approved by a majority of the votes cast on the ordinance. This bill, in the case of an ordinance or an amendment of an ordinance that would reduce density or stop development or construction of any parcels located less than one mile from a major transit stop, as defined, within a city, county, or city and county that is proposed by the voters of the city, county, or city and county in accordance with specified law, would require that the proposed ordinance or amendment of an ordinance receive 55% of the votes cast on the ordinance in order to become effective. The bill would exclude from this requirement the proposal and submission to the voters of an ordinance or amendment of an ordinance by the legislative body of the city, county, or city and county and the adoption or amendment of a city, county, or city and county charter, and would exclude ordinances that apply to or implement amendments to a city or county general plan pertaining to certain lands specified in that general plan. The bill would also exclude ordinances that apply primarily to lands located outside an established city urban restriction boundary or ordinances that revise or continue previously established city urban restriction boundaries. This bill contains other related provisions and other existing laws.		Appropriations (text 7/19/2017) Support Oppose

AB 979 Lackey R Local agency formation commissions: district representation.	9/1/2017- A. CHAPTERED 9/1/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 203, Statutes of 2017.	Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides for the selection of representatives of independent special districts on each local agency formation commission by an independent special district selection committee pursuant to a nomination and election process. Existing law requires the executive officer of the commission to call and hold a meeting of the special district selection committee upon, among other things, receipt of a written request by one or more members of the selection committee, as specified. This bill would additionally require the executive officer to call and hold a meeting of the special district selection committee upon the adoption of a resolution of intention by the committee relating to proceedings for representation of independent special districts upon the commission pursuant to specified law. The bill would also require the executive officer to call and hold a meeting of the special district selection committee upon receipt of a written request by one or more members of the selection committee notifying the executive officer of the need to appoint a member representing independent special districts to an oversight board of a successor agency to a dissolved redevelopment or community development agency. By increasing the duties of the executive officer, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. AB 1015 Mathis R State highways.	5/12/2017-A. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was PRINT on 2/16/2017)(May be acted upon Jan 2018)	Existing law establishes the Department of Transportation and the California Transportation Commission, provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes, and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions.	Watch	
AB 1060 Burke D Enhanced infrastructure financing districts.	5/12/2017-A. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was TRANS. on 4/20/2017)(May be acted upon Jan 2018)	Existing law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district to finance public capital facilities or other specified projects of communitywide significance, including, but not limited to, the acquisition, construction, or rehabilitation of housing for persons of low and moderate income for rent or purchase. This bill would authorize the City of Inglewood to create an enhanced infrastructure financing district to finance infrastructure and transit-oriented development within one mile of the Inglewood Station area. The bill would require the City of Inglewood, in consultation with the Los Angeles Metropolitan Transportation Authority, to develop an infrastructure financing plan pursuant to these provisions. The bill would provide that for these purposes, the Los Angeles Metropolitan Transportation Authority is an affected taxing entity as that term is defined. The bill would authorize a district created pursuant to these provisions to receive funding from the Greenhouse Gas Reduction Fund, and the Affordable Housing and Sustainable Communities Program, in addition to any other authorized funding. This bill contains other related provisions.	Sponsor	Local Government (text 2/16/2017) Support LA Metro Oppose None

AB 1113 Bloom D State Transit Assistance Program.	7/21/2017- A. CHAPTERED 7/21/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 86, Statutes of 2017.	Existing law requires the transfer of a specified portion of the sales tax on diesel fuel, in addition to various other revenues, to the Public Transportation Account, a trust fund in the State Transportation Fund. Existing law requires funds in the account to be allocated to various public transportation and transportation planning purposes, with specified revenues in the account to be allocated by the Controller to specified local transportation agencies for public transportation purposes, pursuant to the State Transit Assistance (STA) Program. Existing law requires STA funds to be allocated by formulas based 50% on population and 50% on transit operator revenues. This bill would revise and recast the provisions governing the STA program. The bill would provide that only STA-eligible operators, as defined, are eligible to receive an allocation from the portion of program funds based on transit operator revenues. The bill would provide for each STA-eligible operator within the jurisdiction of the allocating local transportation agency to receive a proportional share of the revenue-based program funds based on the qualifying revenues of that operator, as defined. The bill would revise the duties of the Controller and the Department of Transportation in administering the program. The bill would make various other conforming changes and would delete obsolete provisions. This bill contains other related provisions and other existing laws. AB 1218 Obernolte R California Environmental Quality Act: exemption: bicycle transportation plans.	7/31/2017- A. CHAPTERED 7/31/2017- Approved by the Governor. Chaptered by Secretary of State - Chapter 149, Statutes of 2017.	The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA, until January 1, 2018, exempts from its requirements bicycle transportation plans for an urbanized area for restriping of streets and highways, bicycle parking and storage, signal timing to improve street and highway intersection operations, and related signage for bicycles, pedestrians, and vehicles under certain conditions. CEQA, until January 1, 2018, also exempts from its requirements projects consisting of restriping of streets and highways for bicycle lanes in an urbanized area that are consistent with a bicycle transportation plan under certain conditions. This bill would extend those 2 exemptions until January 1, 2021.		Floor Analyses (text 4/18/2017) Support Oppose

RES. on 3/13/2017)(May be acted upon Jan 2018)	The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to adopt rules and regulations in an open public process to achieve the maximum technologically feasible and cost-effective greenhouse gas emissions reductions. This bill would require the state board to take specified actions and make specified findings prior to adopting a regulation under the act. The bill also would require the state board to take specified actions within 2 years of adopting a regulation under the act and to revise that regulation based on those specified actions.		
AB 1395 Chu D State highways: uniform financial plan.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 3/30/2017)(May be acted upon Jan 2018)	Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property, and sets forth the powers and duties of the department with respect to the operation, maintenance, and improvement of state highways. This bill would require the department, on or before January 1, 2019, to develop a uniform financial plan to remediate debris to maintain and preserve the state highway and freeway systems. The bill would require the uniform financial plan to include recommendations that allow a municipality to carry out obligations specified in the plan with reimbursement provided by the state. By imposing new duties on local municipalities, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

AB 1427 Eggman D Water: underground storage.	5/26/2017-A. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/3/2017)(May be acted upon Jan 2018)	Under existing law, the right to water or to the use of water is limited to that amount of water that may be reasonably required for the beneficial use to be served. Existing law provides for the reversion of water rights to which a person is entitled when the person fails to beneficially use the water for a period of 5 years. Existing law declares that the storing of water underground, and related diversions for that purpose, constitute a beneficial use of water if the stored water is thereafter applied to the beneficial purposes for which the appropriation for storage was made. This bill would revise the above declaration to additionally provide that certain uses of stored water while underground constitute beneficial use. The bill would provide that the forfeiture periods of a water right do not apply to water being beneficially used, as provided, or being held in storage for later beneficial use. AB 1442 Allen, Travis R Bonds: transportation: water projects.	3/27/2017- A. TRANS. 4/25/2017-In committee: Set, second hearing. Failed passage. Reconsideration granted.	Existing law, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of general obligation bonds in the amount of \$9 billion for high-speed rail purposes and \$950 million for other related rail purposes. Article XVI of the California Constitution requires measures authorizing general obligation bonds to specify the single object or work to be funded by the bonds and further requires a bond act to be approved by a 2/3 vote of each house of the Legislature and a majority of the voters. This bill would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds received from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds. The bill, subject to the above exception, would also require the net proceeds of other bonds subsequently issued and sold under the high-speed rail portion of the bond act to be made available, upon appropriation, to fund capital expenditures for water projects that are a part of the State Water Resources Development System, including the construction of desalination facilities, wastewater treatment and recycling facilities, reservoirs, water conveyance infrastructure, and aquifer recharge. The bill would make no changes to the authorization under the bond act for the issuance of \$950 million in bonds for rail purposes other than high-speed rail. These provisions would become effective only upon approval by the voters at the next statewide election. This bill contains other existing laws. AB 1512 McCarty D Opioid Addiction Prevention and Rehabilitation Act.	4/19/2017-A. REV. & TAX 5/15/2017-In committee: Set, second hearing. Testimony taken.	Existing law imposes various fees and taxes, including taxes on the privilege of engaging in certain activities. The Fee Collection Procedures Law, the violation of which is a crime, provides procedures for the collection of certain fees and surcharges. Under this bill, the Opioid Addiction Prevention and Rehabilitation Act would impose a tax on and after July 1, 2018, upon the distribution of opioids by a manufacturer to a wholesaler from the manufacturer, as those terms are defined, at the rate of \$0.01 per milligram of active opioid ingredient. The bill would require the wholesaler to collect the tax and remit it to the State Board of Equalization. The tax would be administered by the State Board of Equalization and would be collected pursuant to the procedures set forth in the Fee Collection Procedures Law, which sets forth requirements for registration, returns, payments, penalties, interest, determinations and redeterminations, collections, overpayments and refunds, administration and confidentiality, and violations. By expanding the application of the Fee Collection Procedures Law, the violation of which is a crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. AB 1630 Bloom D Transportation: wildlife movement and barriers to passage.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 4/4/2017)(May be acted upon Jan 2018)	Existing law requires the Department of Fish and Wildlife to administer the Significant Natural Areas Program, and requires the department, among other things, to develop and maintain a spatial data system that identifies those areas in the state that are most essential for maintaining habitat connectivity, including wildlife corridors and habitat linkages. Existing law requires the department, contingent upon the provision of certain funding, to investigate, study, and identify those areas in the state that are most essential as wildlife corridors and habitat linkages and prioritize vegetative data development in those areas. Existing law requires the department to seek input from representatives of other state agencies, local government, federal agencies, nongovernmental conservation organizations, landowners, agriculture, recreation, scientific entities, and industry in determining essential wildlife corridors and habitat linkages. Existing law also declares that it is the policy of the state to encourage, wherever feasible and practicable, voluntary steps to protect the functioning of wildlife corridors through various means. This bill would authorize the Department of Fish and Wildlife or the Department of Transportation to pursue development of a programmatic environmental review process with appropriate state and federal regulatory agencies for wildlife connectivity-related transportation infrastructure. The bill would require, on or before January 1, 2019, the Department of Fish and Wildlife, in coordination with the Department of Transportation and the Transportation Agency, to update the California Essential Habitat Connectivity Project and create a formal avenue for scientific data on wildlife movements gathered by universities, nonprofit corporations, public agencies, and independent biologists to be submitted to these departments and the agency, as specified. This bill contains other related provisions. AB 1640 Garcia, Eduardo D Transportation funding: low- income communities.	4/28/2017-A. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 3/16/2017)(May be acted upon Jan 2018)	<p>Existing law establishes the state transportation improvement program process, pursuant to which the California Transportation Commission generally programs and allocates available state and federal funds for transportation capital improvement projects, other than state highway rehabilitation and repair projects, over a multiyear period based on estimates of funds expected to be available. Existing law provides funding for these interregional and regional transportation capital improvement projects through the state transportation improvement program process, with 25% of funds available for interregional projects selected by the Department of Transportation through preparation of an interregional transportation improvement program and 75% for regional projects selected by transportation planning agencies through preparation of a regional transportation improvement program. Existing law requires each transportation planning agency, on a biennial basis, to prepare and submit to the commission a regional transportation improvement program containing transportation capital projects identified for funding through the next cycle of the 5-year state transportation improvement program. This bill would require, beginning January 1, 2020, each regional transportation improvement program to allocate a minimum of 25% of available funds to projects or programs that provide direct, meaningful, and assured benefits to low-income individuals who live in certain identified communities or to riders of transit service that connects low-income residents to critical amenities and services. The bill would require the department, in consultation with residents of low-income communities and specified state agencies, to adopt guidelines for this allocation no later than January 1, 2018, to define and map low-income communities that are disadvantaged with respect to transportation, to identify communities that would benefit from the allocation requirements, and to specify criteria for determining whether certain investments benefit low-income residents of the identified communities. The bill would require the department to provide financial support, upon appropriation by the Legislature, to low-income residents of low-income communities for specified purposes generally relating to enabling their participation in the development of these guidelines and the selection of transportation projects and programs.</p>

AB 1701 Thurmond D Labor-related liabilities: original contractor.	9/20/2017- A. ENROLLED 9/20/2017- Enrolled and presented to the Governor at 4:30 p.m.	Under existing law, an action may be brought for nonpayment of wages, fringe benefits, or health and welfare or pension fund contributions. This bill would, for all contracts entered into on or after January 1, 2018, require a direct contractor, as defined, making or taking a contract in the state for the erection, construction, alteration, or repair of a building, structure, or other work, to assume, and be liable for, specified debt owed to a wage claimant that is incurred by a subcontractor, at any tier, acting under, by, or for the direct contractor for the wage claimant's performance of labor included in the subject of the original contract. The bill would authorize the Labor Commissioner to bring an action under specified statutes or in a civil action to enforce this liability, as provided. The bill would also authorize a third party owed fringe or other benefits or a joint labor-management cooperation committee, as defined, to bring a civil action to enforce the liability against a direct contractor under these provisions, as specified. The bill would provide that it does not apply to any work being done by an employee of the state or any political subdivision of the state. The bill would require a subcontractor, upon request from the direct contractor, to provide specified information regarding the subcontractor's and third party's work on the project and would provide that the direct contractor could withhold disputed sums upon the subcontractor's failure to provide the requested information, as specified. The bill would provide that these obligations and remedies are in addition to any other remedy provided by law. The bill would provide that its provisions are severable. ACA 3 Kiley R Elections: initiatives and referenda.	4/20/2017-A. E. & R. 6/28/2017-In committee: Set, first hearing. Failed passage.	The California Constitution provides that the electors may propose a statute or an amendment to the California Constitution by initiative and approve or reject a statute by referendum. An initiative measure may be proposed by presenting to the Secretary of State a petition that sets forth the text of the proposed statute or amendment to the Constitution, and is certified to have been signed by the required number of electors, as prescribed. A referendum measure may be proposed by presenting to the Secretary of State a petition that sets forth the statute or part of the statute to be submitted to the electors, and is certified to have been signed by the required number of electors. Before the circulation of an initiative or referendum petition for signatures, the California Constitution requires that a copy of the petition be submitted to the Attorney General, who must prepare a title and summary of the measure. Existing statutory law also directs the Attorney General to prepare the ballot label, and the ballot title and summary that is included in the state voter information guide, for each measure that appears on a statewide ballot. This measure would transfer from the Attorney General to the Legislative Analyst the duty of preparing the title and summary for a proposed initiative or referendum. The measure would also require, for each measure that appears on a statewide ballot, that the Legislative Analyst to prepare the ballot label, and the ballot title and summary for the ballot pamphlet. SB 1 Beall D Transportation funding.	4/28/2017- S. CHAPTERED 4/28/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 5, Statutes of 2017.	(1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account.This bill would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund, including revenues attributable to a \$0.12 per gallon increase in the motor vehicle fuel (gasoline) tax imposed by the bill with an inflation adjustment, as provided, 50% of a \$0.20 per gallon increase in the diesel excise tax, with an inflation adjustment, as provided, a portion of a new transportation improvement fee imposed under the Vehicle License Fee Law with a varying fee between \$25 and \$175 based on vehicle value and with an inflation adjustment, as provided, and a new \$100 annual vehicle registration fee applicable only to zero-emission vehicles model year 2020 and later, with an inflation adjustment, as provided. The bill would provide that the fuel excise tax increases take effect on November 1, 2017, the transportation improvement fee takes effect on January 1, 2018, and the zero-emission vehicle registration fee takes effect on July 1, 2020.This bill contains other related provisions and other existing laws. SB 20 Hill D Vehicles: buses: seatbelts.	10/8/2017- S. CHAPTERED 10/8/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 593, Statutes of 2017.	Existing law prohibits a person from operating a motor vehicle on a highway unless that person and all passengers 16 years of age or over are properly restrained by a safety belt. Existing law makes the violation of this provision an infraction. This bill would also require a passenger who is 16 years of age or older in a bus that is equipped with safety belts to be properly restrained by a safety belt and would require a motor carrier to maintain those safety belts in good working order for the use of the passengers. The bill would prohibit a parent, legal guardian, or chartering party from transporting on a bus that is equipped with safety belts, or permitting to be transported on a bus that is equipped with safety belts, a child, ward, or passenger who is 8 years of age or older, but under 16 years of age, unless he or she is properly restrained by a safety belt. The bill would also prohibit a parent, legal guardian, or chartering party from transporting on a bus that is equipped with safety belts, or permitting to be transported on a bus that is equipped with safety belts, a child, ward, or passenger who is under 8 years of age and under 4 feet 9 inches in height, unless he or she is acceptably restrained by a safety belt, except as specified. The bill would exempt a passenger leaving his or her seat to use an onboard bathroom from the seatbelt requirement. The bill would also require a motor carrier operating a bus equipped with safety belts to either: (1) require the bus driver to inform passengers of the requirement to wear a seatbelt or (2) post, or allow to be posted, signs or placards informing passengers of the requirement to wear a seatbelt, as specified. The bill would make a violation of the provisions requiring a passenger to wear a safety belt, an infraction punishable by a fine of not more than \$20 for a first offense and a fine of not more than \$50 for each subsequent offense. By creating a new crime, the bill would impose a state-mandated local program. The bill would specify that these provisions do not apply to a schoolbus or a school pupil activity bus, as defined. This bill contains other related provisions and other existing laws.		Floor Analyses (text 9/5/2017) Support Oppose

SB 21 Hill D Law enforcement agencies: surveillance: policies.	9/1/2017-A. 2 YEAR 9/1/2017-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. on 8/23/2017)(May be acted upon Jan 2018)	<p>Under existing law, a city or county is empowered to perform duties including providing for public safety and law enforcement. A city or county is authorized, either directly or indirectly, to prescribe policies and regulations for law enforcement agencies under its jurisdiction. This bill would, beginning July 1, 2018, require each law enforcement agency, as defined, to submit to its governing body at a regularly scheduled hearing, open to the public, a proposed Surveillance Use Policy for the use of each type of surveillance technology and the information collected, as specified. The bill would require the law enforcement agency to cease using the surveillance technology within 30 days if the proposed plan is not adopted. The bill would require the law enforcement agency to submit an amendment to the surveillance plan, pursuant to the same open meeting requirements, for each new type of surveillance technology sought to be used. The bill would require the policy and any amendments to be posted on the agency's Internet Web site. The bill would also require the agency to make specified reports, at approved intervals, concerning the use of surveillance technology, and to make those reports available on the agency's Internet Web site. The bill would prohibit a law enforcement agency from selling, sharing, or transferring information gathered by surveillance technology, except to another law enforcement agency, as permitted by law and the terms of the Surveillance Use Policy. The bill would provide that any person could bring an action for injunctive relief to prevent a violation of these provisions and, if successful, could recover reasonable attorney's fees and costs. The bill would require an agency to discipline an employee who knowingly or intentionally uses surveillance technology in violation of these provisions, as specified. The bill would authorize an agency to temporarily use surveillance technology during exigent circumstances, as specified, without meeting the requirements of these provisions, provided that, among other things, the agency submits a specified report to its governing body within 45 days of the end of the exigent circumstances, except as specified. This bill contains other related provisions and other existing laws.</p>		Appropriations (text 8/21/2017) Support Oppose

SB 22 Hill D Firearms: law enforcement agencies: agency firearm accounting.	5/26/2017-S. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)	Existing law generally requires that a transaction involving a firearm be conducted through a licensed firearms dealer. This requirement does not apply under existing law to the sale or transfer of a firearm to an authorized law enforcement representative for exclusive use by that law enforcement agency if, prior to the transfer of the firearm, written authorization from the head of the agency is presented to the person from whom the transfer is being made. In these cases, existing law requires the firearm to be entered as an institutional weapon into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System. This bill would require a law enforcement agency, as defined, to adopt a written procedure to account for firearms that are owned, acquired, maintained, sold, loaned, lost, stolen, or in any way possessed by that agency or by an employee of that agency if used or carried for purposes of carrying out the official duties of his or her employment, as specified. The bill would require that firearms that are lost, stolen, or otherwise disposed of be entered into the AFS. By imposing additional duties on local law enforcement agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. SB 53 Hueso D Natural gas vehicles.	5/26/2017-S. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)	Existing state and federal law sets specified limits on the total gross weight imposed on the highway by any group of 2 or more consecutive axles. Existing federal law authorizes a vehicle operated by an engine fueled primarily by natural gas to exceed these weight limits, up to a specified maximum, by an amount equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. This bill would authorize a vehicle operated by an engine fueled primarily by natural gas to exceed these weight limits by an amount, up to a specified maximum, equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. The bill would additionally require the University of California Institute of Transportation Studies or the Department of Transportation to estimate the damage caused by vehicles operating pursuant to this authorization and report its findings to the Senate Committee on Transportation and Housing and the Assembly Committee on Transportation on or before October 1, 2018. SB 80 Wieckowski D California Environmental Quality Act: notices.	9/15/2017- S. ENROLLED 9/15/2017- Enrolled and presented to the Governor at 3:30 p.m.	(1)The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. The act requires the lead agency to mail certain notices to persons who have filed a written request for notices. The act provides that if the agency offers to provide the notices by email, upon filing a written request for notices, a person may request that the notices be provided to him or her by email. This bill would require the lead agency to post those notices on the agency’s Internet Web site. The bill would require the agency to offer to provide those notices by email. Because this bill would increase the level of service provided by a local agency, this bill would impose a state-mandated local program.This bill contains other related provisions and other existing laws. SB 100 De León D California Renewables Portfolio Standard Program: emissions of greenhouse gases.	9/8/2017-A. U. & E. 9/11/2017- September 11 hearing postponed by committee. From committee with author's amendments. Read second time and amended. Re- referred to Com. on U. & E.	(1)Under existing law, the Public Utilities Commission (PUC) has regulatory authority over public utilities, including electrical corporations, while local publicly owned electric utilities, as defined, are under the direction of their governing boards. The California Renewables Portfolio Standard Program requires the PUC to establish a renewables portfolio standard requiring all retail sellers, as defined, to procure a minimum quantity of electricity products from eligible renewable energy resources, as defined, so that the total kilowatthours of those products sold to their retail end-use customers achieve 25% of retail sales by December 31, 2016, 33% by December 31, 2020, 40% by December 31, 2024, 45% by December 31, 2027, and 50% by December 31, 2030. The program additionally requires each local publicly owned electric utility, as defined, to procure a minimum quantity of electricity products from eligible renewable energy resources to achieve the procurement requirements established by the program. The Legislature has found and declared that its intent in implementing the program is to attain, among other targets for sale of eligible renewable resources, the target of 50% of total retail sales of electricity by December 31, 2030.This bill would revise the above-described legislative findings and declarations to state that the goal of the program is to achieve that 50% renewable resources target by December 31, 2026, and to achieve a 60% target by December 31, 2030. The bill would require that retail sellers and local publicly owned electric utilities procure a minimum quantity of electricity products from eligible renewable energy resources so that the total kilowatthours of those products sold to their retail end-use customers achieve 44% of retail sales by December 31, 2024, 52% by December 31, 2027, and 60% by December 31, 2030.This bill contains other related provisions and other existing laws. SB 120 Committee on Budget and Fiscal Review Transportation.	9/15/2017- A. INACTIVE FILE 9/15/2017-Read second time. Ordered to third reading. Ordered to inactive file on request of Assembly Member Calderon.	(1)Existing federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the secretary may enter into an agreement with a state for the state to assume the responsibilities of the secretary with respect to federal environmental review and clearance under the National Environmental Policy Act of 1969 (NEPA) with respect to one or more transportation projects, as specified. If a state assumes this responsibility, existing federal law authorizes a state to assume the responsibilities of the secretary for environmental review required under any federal environmental law pertaining to the review or approval of a specific project, and the state to assume the responsibilities of the secretary with respect to one or more transportation projects within the state under NEPA, as specified. Existing law, until January 1, 2020, provides that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program for highway projects.This bill would authorize the Secretary of Transportation to assume the responsibilities of the United States Secretary of Transportation under NEPA and other federal environmental laws for any railroad, public transportation, or multimodal project undertaken by state agencies, as specified. The bill would provide that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of these responsibilities. The bill would repeal these provisions on January 1, 2021.This bill contains other existing laws.	Watch	Budget (text 9/11/2017) Support None Oppose None

SB 145 Hill D Autonomous vehicles: testing on public roads.	10/12/2017- S. CHAPTERED 10/12/2017-Signed by the Governor	Existing law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle operated if specified requirements are satisfied. Existing law prohibits the operation of an autonomous vehicle on public roads until the manufacturer submits an application to the Department of Motor Vehicles, as specified, and that application is approved. Existing law requires the department to notify the Legislature if it receives an application from a manufacturer seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle. Existing law prohibits such an application from becoming effective any sooner than 180 days after that application is submitted. This bill would repeal the requirement that the department notify the Legislature of receipt of an application seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle. The bill would also repeal the requirement that the approval of such an application not be effective any sooner than 180 days after the date the application is submitted. The bill would require the department to provide public notice when it adopts the autonomous vehicle regulations, would repeal the 120 day prohibition against limiting or expanding the authority to operate autonomous vehicles, and instead would prohibit the department from approving an application submitted pursuant to the regulations until 30 days after public notice of the adopted regulations is provided. This bill contains other related provisions and other existing laws.		Floor Analyses (text 9/12/2017) Support Oppose

SB 150 Allen D Regional transportation plans.	10/10/2017- S. CHAPTERED 10/10/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 646, Statutes of 2017.	Existing law requires certain transportation planning activities by designated regional transportation planning agencies, including development of a regional transportation plan. Certain of these agencies are designated under federal law as metropolitan planning organizations. Existing law requires metropolitan planning organizations to adopt a sustainable communities strategy or alternative planning strategy, subject to specified requirements, as part of a regional transportation plan, which is to be designed to achieve certain targets for 2020 and 2035 established by the State Air Resources Board for the reduction of greenhouse gas emissions from automobiles and light trucks in the region. Existing law requires the state board to prepare, approve, and update a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions. This bill would require the state board by September 1, 2018, and every 4 years thereafter, to prepare a report that assesses progress made by each metropolitan planning organization in meeting the regional greenhouse gas emission reduction targets set by the state board. The bill would require the report to include changes to greenhouse gas emissions in each region and data-supported metrics for the strategies utilized to meet the targets. The bill would also require the report to include a discussion of best practices and the challenges faced by the metropolitan planning organizations in meeting the targets, including the effect of state policies and funding. The bill would require the report to be developed in consultation with the metropolitan planning organizations and affected stakeholders, and to be transmitted to the Assembly Committee on Transportation, the Assembly Committee on Natural Resources, the Senate Committee on Transportation and Housing, and the Senate Committee on Environmental Quality. SB 163 Bradford D Elections: residence: domicile.	5/12/2017-S. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was JUD. on 2/2/2017)(May be acted upon Jan 2018)	Existing law defines "residence" for voting purposes as a person's domicile. Existing law describes the domicile of a person as that place in which his or her habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning. Existing law describes the residence of a person as that place in which the person's habitation is fixed for some period of time, but wherein he or she does not have the intention of remaining. Existing law provides that a person may have only one domicile at a given time, but may have more than one residence. Existing law also provides that, for purposes of determining the domicile of a Member of the Legislature or a Representative in the Congress of the United States, the residence address indicated on that person's currently filed affidavit of voter registration is conclusively presumed to be that person's domicile. This bill would clarify that the domicile of a Member of the Legislature or a Representative in Congress is to be determined solely by the operation of this conclusive presumption and not by the above-described factual criteria otherwise used to determine a person's domicile. SB 194 Anderson R Probation: revocation: new period.	5/26/2017-S. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)	Existing law allows an order revoking probation to be set aside for good cause before judgment has been pronounced. If probation has been revoked after judgment has been pronounced, existing law allows the judgment and the order which revoked the probation to be set aside within 30 days after the court has notice that the execution of the sentence has commenced. If an order setting aside the judgment, the revocation of probation, or both, is made after the expiration of the probationary period, existing law allows the court to place the person on probation for that period and with those terms and conditions as it could have done immediately following conviction. This bill would allow the court to place the person on probation for one additional period of probation, no longer than the shortest amount of time required to meet the rehabilitative goals of the defendant, up to a maximum of that period and with those terms and conditions as it could have done immediately following conviction if the order setting aside the judgment, the revocation of probation, or both, was made before the expiration of the probationary period. By increasing the duties of probation officers, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. SB 224 Jackson D Personal rights: sexual harassment.	8/21/2017-S. RLS. 8/21/2017-From committee with author's amendments. Read second time and amended. Re-referred to Com. on APPR. Withdrawn from committee. Re-referred to Com. on RLS.	Existing law establishes liability for sexual harassment when the plaintiff proves specified elements, including, among other things, that there is a business, service, or professional relationship between the plaintiff and defendant. Existing law states that a relationship may exist between a plaintiff and certain persons, including an attorney, holder of a master's degree in social work, real estate agent, and real estate appraiser. This bill would include an investor among those listed persons who may be liable to a plaintiff for sexual harassment.		Appropriations (text 4/5/2017) Support Oppose

SB 251 Cannella R Autonomous vehicles: pilot project.	4/28/2017-S. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was T. & H. on 2/16/2017)(May be acted upon Jan 2018)	<p>Existing law permits the operation of an autonomous vehicle on public roads for testing purposes if, among other requirements, a driver is seated in the driver’s seat and is capable of taking immediate manual control of the vehicle in the event of an autonomous technology failure or other emergency.</p> <p>Notwithstanding these provisions, existing law, until 180 days after the operative date of regulations promulgated by the Department of Motor Vehicles to allow testing of autonomous vehicles without a driver in the vehicle, authorizes the Contra Costa Transportation Authority to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver’s seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted only at specified locations and the autonomous vehicle operates at speeds of less than 35 miles per hour, as provided. This bill would, until 180 days after the operative date of the above specified regulations, allow the County of Merced to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver’s seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted at the Castle Commerce Center. The bill would require the County of Merced or a private entity, or a combination of the two, to obtain an instrument of insurance, surety bond, or proof of self-insurance in an amount of \$5,000,000 prior to the start of testing of any autonomous vehicle on or across a public road and would require evidence of the insurance, surety bond, or proof of self-insurance to be provided to the Department of Motor Vehicles in the form and manner required by the department. The bill would require the County of Merced or a private entity, or a combination of the two, to provide the department with a detailed description of the testing program, as specified. The bill would require the operator of the autonomous vehicle technology to disclose what personal information concerning a pilot project participant is collected by an autonomous vehicle. The bill would allow the department to require data collection for evaluating the safety of the vehicles, as provided.</p>	Watch

SB 256 Atkins D Public contracts: criminal offenses and statute of limitations.	5/26/2017-S. 2 YEAR 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)	Existing law makes it unlawful for various local entities, including cities, counties, community college districts, reclamation districts, and school districts, to split or separate into smaller work orders or projects any work, project, service, or purchase for the purpose of evading laws requiring public works to be done by contract after competitive bidding. Existing law makes that act a misdemeanor if the work order or project is for a city or county. This bill would require that prosecution for a misdemeanor violation of the crimes described above with respect to a city, county, community college district, reclamation district, or school district, or with respect to a public agency whose governing board has by resolution elected to become subject to specified uniform construction cost accounting procedures and has notified the Controller of that election, commence within 3 years of the commission of the offense. SB 268 Mendoza D Los Angeles County Metropolitan Transportation Authority.	9/5/2017-A. L. GOV. 9/5/2017-From committee with author's amendments. Read second time and amended. Re-referred to Com. on L. GOV.	<p>Existing law creates the Los Angeles County Metropolitan Transportation Authority with specified powers and duties relative to transportation planning, programming, and operations in the County of Los Angeles. The authority is governed by a 14-member board of directors that consists of the Mayor of the City of Los Angeles, 2 public members and one Los Angeles City Council member appointed by the mayor, 4 members appointed from the other cities in the county, the 5 members of the Los Angeles County Board of Supervisors, and a nonvoting member appointed by the Governor. This bill would require the authority, the Los Angeles County Division of the League of California Cities, the California Contract Cities Association, and the Los Angeles County City Selection Committee to prepare and provide to the Legislature by December 1, 2018, a plan agreed to by at least 3 of these entities, for reorganizing the membership of the authority to include 22 members, and to provide equitable and proportional voting representation for each area of the county on the authority, including more representation for cities other than the City of Los Angeles. The bill would require the plan to provide for the reconstitution of the authority no later than January 1, 2020. The bill, commencing on January 1, 2020, would require the membership of the authority to be reconstituted pursuant to the plan. The bill, if a plan is not submitted or is not implemented, would, commencing on January 1, 2020, provide for the authority to consist of 22 members, including the 5 members of the Los Angeles County Board of Supervisors, the Mayor of the City of Los Angeles, 5 members of the Los Angeles City Council and one public member appointed by the mayor, one member appointed by the City of Long Beach, 8 members from cities other than Los Angeles appointed by the Los Angeles County City Selection Committee, and one nonvoting member appointed by the Governor. The bill would require every appointee to serve a 4-year term without limitation or until the expiration of the term of his or her elected office. The bill would also delete, on January 1, 2020, the requirement for the authority to submit a plan to the Legislature if the number of members of the board of supervisors is increased. SB 275 Portantino D Surplus residential property: State Route 710: property taxes: assessments.	6/5/2017-A. H. & C.D. 6/28/2017-June 28 hearing postponed by committee.	Existing law declares the intent of the Legislature to preserve, upgrade, and expand the supply of housing to persons and families of low or moderate income through the sale of specified surplus residential property owned by public agencies. Existing law establishes priorities and procedures that any state agency disposing of that surplus residential property is required to follow. This bill would require surplus residential property purchased at an affordable price pursuant to the procedures described above to be assessed at its affordable price for property tax purposes. The bill would also require surplus residential property purchased at a reasonable price pursuant to the procedures described above to be assessed at its reasonable price for property tax purposes. The bill would provide that these provisions only apply to surplus residential properties for State Route 710, in Los Angeles County. This bill contains other related provisions and other existing laws.		Floor Analyses (text 2/9/2017) Support Oppose
SB 337 Bates R Repatriation Infrastructure Fund.	2/23/2017-S. GOV. & F. 4/5/2017-April 5 hearing: Testimony taken. Hearing postponed by committee.	Existing law provides various sources of funding for transportation purposes, including funding for the state highway system, the local street and road system, and public transportation. This bill, until July 1, 2025, would require the Department of Finance, in consultation with the Franchise Tax Board, to estimate, on an annual basis by November 1 of each year, the amount of revenue to be received from state taxes in the next fiscal year as a consequence of enactment of a federal corporate repatriation statute pursuant to which foreign earnings of United States-based corporations that are currently invested abroad are moved to the United States. This bill contains other related provisions.		Governance And Finance (text 2/13/2017) Support None Oppose None

SB 387 Jackson D The False Claims Act.	7/24/2017- S. CHAPTERED 7/24/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 121, Statutes of 2017.	Existing law, the False Claims Act, provides that a person who commits any one of several enumerated acts relating to the submission to the state or a political subdivision of the state of a false claim for money, property, or services, as specified, shall be liable to the state or political subdivision for certain damages and a civil penalty. Existing federal law requires the Office of the Inspector General, in consultation with the United States Attorney General, to determine whether a state has a false claims act that qualifies the state for a 10-percentage-point increase under the Social Security Act in the state's share of any amounts recovered under that law, by, among other things, imposing a civil penalty that is not less than the amount of the civil penalty authorized under the Federal False Claims Act. Existing federal law, the Federal Civil Penalties Inflation Adjustment Act of 1990, requires federal agencies to adjust the levels of civil monetary penalties for inflation to improve the effectiveness of civil monetary penalties and to maintain their deterrent effect. This bill would specify that the fines imposed for violation of the False Claims Act shall be imposed as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990. SB 389 Roth D Department of Transportation: transportation project delivery services.	9/1/2017-A. 2 YEAR 9/1/2017-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. on 8/23/2017)(May be acted upon Jan 2018)	Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property. Existing law creates the State Highway Account in the State Transportation Fund, and requires all money appropriated, contributed, or made available from any source for expenditure on work within the powers and duties of the department, including sources other than state appropriations, to be transferred to or deposited in the account. Existing law provides that all money deposited in the account by local agencies or by others is continuously appropriated to the department and is available for expenditure by the department for the purposes for which the money was made available. This bill would authorize the department to establish a fee schedule and to charge a fee relative to transportation project delivery services requested by a local agency or other entity, as specified, including job mix formula verifications, material plant quality program inspections, and laboratory accreditations. The bill would authorize the department to adopt regulations to, among other things, specify the terms and conditions for performing these tasks and would require that the department's total estimated revenue from the fee schedule not exceed the department's estimated total cost for providing these services. The bill would require that the funds collected pursuant to these provisions be deposited in the State Highway Account in the State Transportation Fund. Because these funds would be continuously appropriated to the department, the bill would thereby make an appropriation.		Appropriations (text 7/17/2017) Support Oppose

SB 400 Portantino D Highways: surplus residential property.	10/7/2017- S. CHAPTERED 10/7/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 568, Statutes of 2017.	Existing law authorizes the Department of Transportation to acquire real property for state highway purposes and specifies various procedures to be followed by the department when it determines that real property acquired for state highway purposes is no longer necessary for those purposes. This bill would, until January 1, 2020, prohibit the Department of Transportation from increasing the rent of tenants who reside in surplus residential property located within the State Route 710 corridor in the County of Los Angeles and who participate in the Affordable Rent Program administered by the department. This bill contains other existing laws.		Floor Analyses (text 9/8/2017) Support Oppose
SB 406 Leyva D Vehicles: high- occupancy vehicle lanes: exceptions.	9/30/2017- S. CHAPTERED 9/30/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 392, Statutes of 2017.	Existing law authorizes the Department of Transportation and local authorities to designate certain highway lanes for the exclusive or preferential use of high-occupancy vehicles (HOVs), requires the department or local authorities to place signage advising motorists of the rules governing the use of those lanes, and prohibits the use of those lanes by motorists other than in conformity with the posted rules. Existing law provides a limited exemption allowing motorcycles, mass transit vehicles, and paratransit vehicles to use HOV lanes. This bill would provide an exemption to allow for blood transport vehicles, as defined, to use HOV lanes, regardless of the number of occupants. The bill would require certain conditions be met for the new exemption to be operative, including requiring the Director of Transportation to determine that the exemption would not result in a loss of federal funds or conflict with federal law, as specified, and requiring the director to post that determination on the Department of Transportation's Internet Web site. SB 414 Vidak R Transportation bonds: highway, street, and road projects.	2/23/2017-S. T. & H. 4/5/2017-April 4 set for first hearing. Failed passage in committee. Reconsideration granted.	Existing law, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of general obligation bonds in the amount of \$9 billion for high-speed rail purposes and \$950 million for other related rail purposes. Article XVI of the California Constitution requires measures authorizing general obligation bonds to specify the single object or work to be funded by the bonds and further requires a bond act to be approved by a 2/3 vote of each house of the Legislature and a majority of the voters. This bill would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds. The bill, subject to the above exception, would also require the net proceeds of bonds subsequently issued and sold under the high-speed rail portion of the bond act, upon appropriation, to be made available to the California Transportation Commission for allocation for repair and new construction projects on state highways and freeways, and to the Controller for apportionment to transportation projects or other infrastructure projects, as specified. The bill would make no changes to the authorization under the bond act for the issuance of \$950 million in bonds for rail purposes other than high-speed rail. These provisions would become effective only upon approval by the voters at the June 5, 2018, statewide primary election. SB 421 Wiener D Sex offenders: registration: criminal offender record information systems.	9/1/2017-A. 2 YEAR 9/1/2017-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. on 8/23/2017)(May be acted upon Jan 2018)	Existing law requires persons convicted of specified sex offenses and certain acts of human trafficking for purposes of committing various sex offenses or extortion, as specified, or attempts to commit those offenses, to register with local law enforcement agencies while residing in the state or while attending school or working in the state. Willful failure to register, as required, is a misdemeanor, or a felony, depending on the underlying offense. This bill would, commencing January 1, 2021, instead establish 3 tiers of registration based on specified criteria, for periods of at least 10 years, at least 20 years, and life, respectively, for a conviction of specified sex offenses, and 5 years and 10 years for tiers one and two, respectively, for an adjudication as a ward of the juvenile court for specified sex offenses, as specified. The bill would allow the Department of Justice to place a person in a tier-to-be-determined category for a maximum period of 24 months if his or her appropriate tier designation cannot be immediately ascertained. The bill would establish procedures for termination from the sex offender registry for a registered sex offender who is a tier one or tier two offender and who completes his or her mandated minimum registration period under specified conditions. The bill would require the offender to file a petition at the expiration of his or her minimum registration period and would authorize the district attorney to request a hearing on the petition if the petitioner has not fulfilled the requirement of successful tier completion, as specified. The bill would establish procedures for a person required to register as a tier three offender based solely on his or her risk level to petition the court for termination from the registry after 20 years from release of custody, if certain criteria are met. The bill would also revise the criteria for exclusion from the Internet Web site. This bill contains other related provisions and other existing laws. SB 422 Wilk R Transportation projects: comprehensive development lease agreements.	4/28/2017-S. 2 YEAR 4/28/2017-Failed Deadline pursuant to Rule 61(a)(2). (Last location was T. & H. on 3/29/2017)(May be acted upon Jan 2018)	Existing law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Existing law provides that a lease agreement may not be entered into under these provisions on or after January 1, 2017. This bill would extend this authorization indefinitely and would include within the definition of "regional transportation agency" the Santa Clara Valley Transportation Authority, thereby authorizing the authority to enter into public-private partnerships under these provisions. The bill would also make nonsubstantive changes to these provisions by correcting obsolete cross-references.	Sponsor

SB 502 Portantino D Public rail systems: availability of automated external defibrillators.	9/11/2017-A. RLS. 9/11/2017-Re-referred to Com. on RLS. pursuant to Assembly Rule 96.	(1)Existing law exempts from civil liability any person who, in good faith and not for compensation, renders emergency care or treatment by the use of an automated external defibrillator (AED) at the scene of an emergency, except in the case of personal injury or wrongful death that results from the gross negligence or willful or wanton misconduct of the person who renders emergency care or treatment. Existing law also exempts from civil liability a person or entity that acquires an AED for emergency use, a physician who is involved with the placement of the AED, and any person or entity responsible for the site where the AED is located if specified conditions are met, including maintenance and regular testing of the AED and having a written plan that describes the procedures to be followed in case of an emergency that may involve the use of the AED.This bill would require a public entity that operates a rail transit system or a commuter train system to ensure that each train has an automated external defibrillator (AED) as part of its safety equipment subject to specified requirements. The bill would exempt a public entity that acquires an AED for emergency care from liability for any civil damages resulting from any acts or omissions in the rendering of the emergency care by use of the AED if the public entity has complied with certain requirements.(2)By imposing new duties on local public officials, the bill would create a state-mandated local program.The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above. SB 513 Bradford D Assault and battery of a public utility worker.	10/4/2017- S. VETOED 10/4/2017-Vetoed by the Governor. In Senate. Consideration of Governor's veto pending.	Existing law makes assault punishable by a fine not exceeding \$1,000, or by imprisonment in the county jail not exceeding 6 months, or by both that fine and imprisonment. Existing law makes battery punishable by a fine not exceeding \$2,000, or by imprisonment in a county jail not to exceed 6 months, or by both that fine and imprisonment. Existing law provides for higher fines and longer terms of imprisonment for an assault or battery against specified individuals, including a peace officer engaged in the performance of his or her duties when the person committing the offense knows or reasonably should know that the victim is a peace officer. This bill would make assault of a utility worker, as defined, engaged in the performance of his or her duties, and the person committing the offense knows or reasonably should know that the victim is a utility worker engaged in the performance of his or her duties, punishable by a fine not exceeding \$2,000, or by imprisonment in the county jail not exceeding 6 months, or by both that fine and imprisonment. This bill contains other related provisions and other existing laws.		Floor Analyses (text 7/10/2017) Support Oppose

SB 585 McGuire D Tribal gaming: compact ratification.	10/3/2017- S. CHAPTERED 10/3/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 464, Statutes of 2017.	Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude tribal-state gaming compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes. This bill would ratify the tribal-state gaming compact entered into between the State of California and the Dry Creek Rancheria Band of Pomo Indians, executed on August 18, 2017. The bill would provide that, in deference to tribal sovereignty, certain actions related to that compact are not projects for purposes of CEQA. This bill contains other related provisions and other existing laws.	Watch	Floor Analyses (text 9/7/2017) Support Oppose

SB 594 Beall D Flood risk: dam failure: expedited permit processing and approval: human life safety protection.	8/21/2017-S. RLS. 8/21/2017- Withdrawn from committee. Re-referred to Com. on RLS.	Existing law requires the Department of Water Resources to supervise the maintenance and operation of dams and reservoirs as necessary to safeguard life and property. Existing law requires the Department of Water Resources to perform various flood control activities throughout the state. Existing law establishes the Central Valley Flood Protection Board and authorizes the board to engage in various flood control activities along the Sacramento River, the San Joaquin River, their tributaries, and related areas. Existing law also authorizes the board of supervisors of a county to appropriate and spend money from the general fund of the county for specified flood control purposes in connection with streams or rivers in the county. This bill would require a state agency to expedite permit processing and approval for a project that will maintain or improve human life safety protection through flood risk reduction or reduction of a risk of dam failure, as specified. This bill would declare that it is to take effect immediately as an urgency statute.	Watch

SB 614 Hertzberg D Public transportation agencies: administrative penalties.	9/1/2017- S. CHAPTERED 9/1/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 219, Statutes of 2017.	Existing law makes it a crime, punishable as an infraction or misdemeanor, as applicable, for a person to commit certain acts on or in a facility or vehicle of a public transportation system. Existing law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for fare evasion and other passenger misconduct on or in a transit facility or vehicle in lieu of the criminal penalties otherwise applicable. In setting the amounts of administrative penalties for fare evasion and other passenger misconduct violations, existing law prohibits a public transportation agency from establishing penalty amounts that exceed the maximum penalty amount established for the criminal penalties. Existing law requires these administrative penalties to be deposited in the general fund of the county in which the citation is administered. This bill would instead require the administrative penalties to be deposited with the public transportation agency that issued the citation. In setting the amount of administrative penalties for fare evasion and other passenger misconduct violations, the bill would instead prohibit a public transportation agency from establishing penalty amounts that exceed \$125 upon a first or 2nd violation and \$200 upon a 3rd or subsequent violation. This bill contains other related provisions and other existing laws.		Floor Analyses (text 7/17/2017) Support Oppose

SB 639 Hertzberg D Property taxation: assessment: electric generation facilities.	9/1/2017- S. CHAPTERED 9/1/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 220, Statutes of 2017.	Existing property tax law generally requires a county assessor to assess all property subject to general property taxation at its full value, but requires the State Board of Equalization to annually value and assess all of the taxable property within the state that is to be assessed by it pursuant to the California Constitution, which includes, among other things, property, except franchises, owned or used by companies transmitting or selling electricity and property owned or used by other public utilities, as authorized by the Legislature. Existing property tax law authorizes the board to use the principle of unit valuation in valuing properties of a state assessee that are operated as a unit in a primary function of the assessee, and provides for the allocation of property tax assessed value and revenues from the unitary and operating nonunitary property, as defined, of the state assessee among the various counties in which that property is located. This bill would provide an additional exception for a facility producing power from other than a conventional power source that is an exempt wholesale generator, as defined by reference to specified federal law, thereby requiring that these facilities be assessed by county assessors. By requiring county assessors to assess certain facilities, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. SB 640 Hertzberg D Taxation.	5/12/2017-S. 2 YEAR 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was GOV. & F. on 3/2/2017)(May be acted upon Jan 2018)	Existing sales and use tax laws impose a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. This bill would make legislative findings regarding responding to pending proposals for federal tax reform and California’s tax climate and would state that the intent of the bill is to make 3 changes to taxation within the state, including broadening the tax base by imposing a modest sales tax on services. This bill would also establish the Retail Sales Tax on Services Fund in the State Treasury and state the intent of the Legislature that moneys in the fund would be appropriated to, among other purposes, provide tax relief to middle- and low-income Californians to offset the effect of a sales tax on services.

SB 699 Galgiani D Environmental quality: Jobs and Economic Improvement Through Environmental Leadership Act of 2011.	9/5/2017-A. RLS. 9/5/2017-Re-referred to Com. on RLS. pursuant to Assembly Rule 96.	The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. The Jobs and Economic Improvement Through Environmental Leadership Act of 2011 authorizes the Governor, until January 1, 2018, to certify projects that meet certain requirements, including the requirement that the project create high-wage, highly skilled jobs that pay prevailing wages and living wages, for streamlining benefits provided by that act. The act provides that if a lead agency fails to approve a project certified by the Governor before January 1, 2019, the certification expires and is no longer valid. The act requires a lead agency to prepare the record of proceedings for the certified project concurrent with the preparation of the environmental documents. The act is repealed by its own terms on January 1, 2019. This bill would extend the authority of the Governor to certify a project to January 1, 2020. The bill would provide that the certification expires and is no longer valid if the lead agency fails to approve a certified project before January 1, 2021. The bill would repeal the act on January 1, 2021. Because the bill would extend the obligation of the lead agency to prepare concurrently the record of proceedings, this bill would impose a state-mandated local program. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason. SB 711 Hill D Electrical corporations and gas corporations: rates and charges.	10/3/2017- S. CHAPTERED 10/3/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 467, Statutes of 2017.	(1)Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including electrical corporations and gas corporations. Existing law authorizes the commission to fix the rates and charges for every public utility and requires that those rates and charges be just and reasonable. Existing law requires the commission to designate a baseline quantity of electricity and gas necessary for a significant portion of the reasonable energy needs of the average residential customer and to establish a higher energy allowance above the baseline for residential customers dependent on life-support equipment. For these purposes, "baseline quantity" is defined as a quantity of electricity or gas allocated by the commission for residential customers based on from 50% to 60% of average residential consumption of these commodities, except that, for residential gas customers and for all-electric residential customers, the baseline quantity is required to be established at from 60% to 70% of average residential consumption during the winter heating season.This bill would require the commission to make efforts to minimize bill volatility for residential customers, explicitly authorizing the commission to do this by modifying the length of baseline seasons or defining additional baseline seasons.This bill contains other related provisions and other existing laws. SB 732 Stern D	10/2/2017- S. CHAPTERED 10/2/2017- Approved by the Governor. Chaptered by Secretary of State. Chapter 434, Statutes of 2017.	<p>(1)The Planning and Zoning Law requires each city, county, and city and county to prepare and adopt a general plan that contains certain mandatory elements, including a land use element and an open-space element. Existing law requires the land use element to, among other things, designate the proposed general distribution and general location and extent of the uses of the land for agricultural use. Existing law requires the open-space element to include a plan for the comprehensive and long-range preservation and conservation of open-space land within the city or county that prepares it. This bill would authorize a city and county to develop an agricultural land component of the city or county's open-space element, or a separate agricultural land element. The bill would require a city or county to comply with specified requirements when preparing that component or element, including identifying and mapping, where applicable, using specified data, agricultural lands that are within the city's or county's jurisdiction; establishing a comprehensive set of goals, policies, and objectives to support the long-term protection of agricultural land; identifying and designating priority land for conservation; and identifying and establishing a set of feasible implementation measures designed to promote those goals, policies, and objectives. The bill would authorize the Department of Conservation, to the extent funds are available, to award grants to a city or county to implement these provisions. The bill would, at least 45 days before adopting or amending the open-space element or the agricultural land element, require a city or county to submit to the department a draft of the agricultural land component or amendment, or agricultural land element or amendment, prepared pursuant to these provisions, and any maps used in creating that component or amendment. The bill would authorize the department to review any drafts submitted, and to provide recommendations to the city or county, as provided. The bill would require the department to give priority consideration for grants, bond proceeds, and other local assistance provided by the department to a city or county that complies with specified requirements. The bill would authorize a city or county with an existing agricultural land component of their open-space element or an existing separate agricultural land element that substantially complies with the requirements set out in this bill, and complies with certain procedures, to receive priority consideration as described in the previous sentence. This bill contains other related provisions.</p>		Floor Analyses (text 9/8/2017) Support Oppose

SB 789 Bradford D California Environmental Quality Act: sports and entertainment project.	9/8/2017-A. NAT. RES. 9/12/2017-From committee with author's amendments. Read second time and amended. Re-referred to Com. on NAT. RES.	(1)The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA establishes administrative procedures for the review and certification of the EIR for a project and judicial review procedures for any action or proceeding brought to challenge the lead agency's decision to certify the EIR or to grant project approvals.This bill would establish specified administrative and judicial review procedures for the administrative and judicial review of the EIR and approvals granted for a project related to the development of a specified sports and entertainment project in the City of Inglewood. Because the lead agency would be required to use these alternative procedures for administrative review of the EIR if the project applicant so chooses, this bill would impose a state-mandated local program. The bill would exempt from the requirements of CEQA a guideway project intended for development with the specified sports and entertainment project. Because a lead agency would be required to determine the applicability of this exemption, this bill would impose a state-mandated local program. The bill would specify that certain impacts shall not be considered as having significant environmental impacts if certain conditions are met. This bill contains other related provisions and other existing laws. SCA 6 Wiener D Local transportation measures: special taxes: voter approval.	5/25/2017- S. APPR. SUSPENSE FILE 5/25/2017-May 25 hearing: Held in committee and under submission.	The California Constitution conditions the imposition of a special tax by a city, county, or special district upon the approval of 2/3 of the voters of the city, county, or special district voting on that tax, except that certain school entities may levy an ad valorem property tax for specified purposes with the approval of 55% of the voters within the jurisdiction of these entities. This measure would require that the imposition, extension, or increase by a local government of a special tax as may otherwise be authorized by law, whether a sales or transactions and use tax, parcel tax, or other tax for the purpose of providing funding for transportation purposes be submitted to the electorate by ordinance and approved by 55% of the voters voting on the proposition. The measure would authorize an ordinance submitted to the voters for approval under these provisions to provide, as otherwise authorized by law, for the issuance of bonds payable from the revenues from the special tax. The measure would require an ordinance submitted to the voters under these provisions to include an expenditure plan specifying the transportation programs and projects to be funded by the revenues from the special tax and a requirement for an annual independent audit to ensure that the revenues are expended only for authorized purposes. The measure would also make conforming and technical, nonsubstantive changes. This bill contains other related provisions and other existing laws.		Appropriations (text 5/1/2017) Support Oppose

SCA 12 Mendoza D Counties: governing body: county executive.	9/14/2017-A. DESK 9/14/2017-Read. Adopted. (Ayes 27. Noes 7. Page 2898.) Ordered to the Assembly. In Assembly. Read first time. Held at Desk.	(1)The California Constitution requires that a county charter provide for a governing body of 5 or more members, elected by district, at large, or at large with a requirement that they reside in a district, and provide for the compensation, terms, and removal of members of the governing body. Existing law also requires a general law county to have a board of supervisors consisting of 5 members, and requires, except as provided, each member of the board of supervisors to be elected by the district which the member represents.This measure would, commencing January 1, 2022, in a county that is found at a decennial United States census, beginning with the 2020 United States census, to have a population of more than 5,000,000, require, and deem any applicable law, including a county charter, to require, a governing body consisting of the greater of either 5 members or a sufficient number of members so as to ensure that each member represents a district containing a population equivalent to no more than 2 districts in the United States House of Representatives. The measure would require that the members of the governing body serve for a term of 4 years and limit election to the governing body to no more than 3 terms. The measure would also provide that, in such a county, the expenditures for the governing body and its staff may not exceed, for any subsequent fiscal year after the release of the census finding that the county has a population of more than 5,000,000, the amount that was allocated for the expenses of the governing body and its staff in the county’s adopted budget for the fiscal year in which that same census was conducted, unless adjusted as provided.This bill contains other related provisions and other existing laws. FEDERAL		
BILL/AUTHOR	DESCRIPTION	STATUS
<p>H.R. 3001</p> <p>U.S. Representative Alan Lowenthal (D-Long Beach)</p>	<p>ECONOMY IN MOTION: THE NATIONAL MULTIMODAL AND SUSTAINABLE FREIGHT INFRASTRUCTURE ACT</p> <p>Would establish a Freight Transportation Infrastructure Trust Fund and create freight specific formula and competitive grant program for multimodal projects. In 2015, Congress passed the bipartisan Fixing America’s Surface Transportation (FAST) Act, which for the first time outlined a national freight policy and set up both formula and competitive programs to invest in these systems. The FAST Act funded both of these programs through 2021, but because the Highway Trust Fund is not able to provide the amount of funding necessary to keep up with the nation’s infrastructure needs, it is important to identify and support sustainable funding sources that will be dedicated to specific uses that will improve infrastructure.</p>	<p>House - 06/23/2017</p> <p>Referred to the Subcommittee on Water Resources and Environment.</p>

<p>H.R. 3388</p> <p>U.S. Representative Robert e. Latta (R-Ohio)</p>	<p>SELF DRIVE Act Designating Each Car's Automation Level Act or the DECAL Act</p> <p>This bill requires the Department of Transportation (DOT) to: complete research to determine the most cost effective method and terminology for informing consumers about the capabilities and limitations of each highly automated vehicle or each vehicle that performs partial driving automation; and determine whether such information includes terminology as defined by SAE International in Recommended Practice Report J3016 (published September 2016) or alternative terminology. After completion of such research, DOT shall initiate a rulemaking proceeding to require manufacturers to inform consumers about such information.</p> <p>The bill defines: (1) a "highly automated vehicle" as a motor vehicle, other than a commercial motor vehicle, that is equipped with an automated driving system; and (2) an "automated driving system" as the hardware and software of a vehicle that are collectively capable of performing the entire dynamic driving task on a sustained basis, regardless of whether such system is limited to a specific operational design domain.</p>	<p>Senate - 09/07/2017 Received in the Senate and Read twice and referred to the Committee on Commerce, Science, and Transportation</p>

<p>S. 1885 U.S. Senator John Thune (R-South Dakota)</p>	<p>AV START Act The American Vision for Safer Transportation Through Advancement of Revolutionary Technologies (AV START) Act To support the development of highly automated vehicle safety technologies, and for other purposes. The legislation outlines provisions related to: safety oversight, federal state and local rules, using provisions from HR 3388, deployment, rulemaking, cyber security, data sharing and vehicle safety standards, consumer education and ADA considerations. Directs additional research and coordination with state and local governments on traffic safety and law enforcement. Creates requirements for manufacturers to ensure that all self-driving vehicles account for state and local traffic laws.</p>	<p>Senate - 10/04/2017 Committee on Commerce, Science, and Transportation. Ordered to be reported with an amendment in the nature of a substitute favorably</p>
