AB 8 Chu D Pupil health: mental health professionals.	6/12/2019- S. HEALTH 7/8/2019-In committee: Hearing postponed by committee.	(1)Existing law requires the governing board of a school district to give diligent care to the health and physical development of pupils and authorizes the governing board of a school district to employ properly certified persons for the work. Existing law requires a school of a school district or county office of education and a charter school to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community, or both, as provided. Existing law requires, subject to sufficient funds being provided, the State Department of Education, in consultation with the State Department of Health Care Services and appropriate stakeholders, to, on or before July 1, 2020, develop guidelines for the use of telehealth technology in public schools, including charter schools, to provide mental health and behavioral health services to pupils on school campuses. This bill would require, on or before December 31, 2024, a school of a school district or county office of education and a charter school to have at least one mental health professional, as defined, for every 600 pupils generally accessible to pupils on campus during school hours. The bill would require, on or before December 31, 2024, a school of a school district or county office of education and a charter school with fewer than 600 pupils to have at least one mental health professional generally accessible to pupils on campus during school hours, to employ at least one mental health professional to serve multiple schools, or to enter into a memorandum of understanding with a county agency or community-based organization for at least one mental health professional employed by the agency or		Education (text 5/16/2019) Support Association of California School Administrators California Association for Health, Physical Education, Recreation and Dance California Federation of Teachers California State PTA Mental Health America of California Oppose None

The bill, contingent upon funding for this purpose, would require the secretary to establish a grant-based reimbursement program to enable environmental justice and community groups to meaningfully participate in rulemaking and other regulatory processes at departments and entities within the agency. The bill would define environmental justice for these purposes. This bill would require the department to, on or before July 1, 2022, adopt regulations to protect public health and safety near oil and gas extraction facilities. The bill would require those regulations to include safety requirements and the establishment of a minimum setback distance between oil and gas activities and sensitive receptors such as schools, childcare facilities, playgrounds, residences, hospitals, and health clinics based on health, scientific, and other data, and would require the department to consider a setback distance of 2,500 feet at schools, playgrounds, and public facilities where children are present, and a range of other protective measures, including, but not limited to, enhanced monitoring and maintenance requirements. Because a violation of these regulations would be a crime, the bill would impose a state-mandated local program. The bill would require the department to comply with certain consultation and public participation requirements before adopting the regulations, as provided. (1)Existing law, as amended by the Safety for All Act of 2016, an initiative statute approved by voters as Proposition 63 at the November 8, 2016, statewide general election, requires the sale of ammunition to be conducted by or processed through a licensed ammunition vendor. Existing law exempts from that requirement the sale, delivery, or transfer of ammunition to specified individuals, including a sworn peace officer or sworn federal law enforcement officer who is authorized to carry a firearm in the course and scope of the officer’s duties, and a representative of a law enforcement agency, with written authorization from the head of the agency, purchasing ammunition for the exclusive use of the agency. Existing law also exempts from that requirement the sale, delivery, or transfer of ammunition to a person who is federally licensed as a firearms dealer or collector of firearms, as specified. A violation of this requirement is a misdemeanor. Proposition 63 allows its provisions to be amended by a vote of 55% of the Legislature so long as the amendments are consistent with, and further the intent of, the act. U., & C. 7/27/2020- From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on E., U. & C.	Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including telephone corporations. Existing law requires the commission to develop, implement, and administer the California Advanced Services Fund (CASF) program to encourage deployment of high-quality advanced communications services to all Californians that will promote economic growth, job creation, remote learning, telehealth, and the substantial social benefits of advanced information and communications technologies. Under existing law, the goal of the program is to approve funding by December 31, 2022, for infrastructure projects that will provide broadband access to no less than 98% of California households in each consortia region, as identified by the commission on or before January 1, 2017. Existing law requires the commission, in approving CASF infrastructure projects, to give preference to projects in areas where only dial-up internet service is available or where no internet service is available. Existing law authorizes the commission to impose a surcharge to collect \$330,000,000 for deposit into the CASF beginning January 1, 2018, and continuing through the 2022 calendar year. Existing law establishes 4 accounts, the Broadband Infrastructure Grant Account, the Rural and Urban Regional Broadband Consortia Grant Account, the Broadband Public Housing Account, and the Broadband Adoption Account within the CASF and specifies the amount of moneys to be deposited into each account. Existing law requires the commission to take specified actions in awarding grants from the Broadband Infrastructure Grant Account. Read second time, amended, and re-referred to Com. on TRANS.	Existing law authorizes a peace officer to order the removal and storage of a vehicle under various circumstances, including when the vehicle is parked in a manner obstructing traffic or blocking access to a fire hydrant. Existing law generally regulates the operation of bicycles, electric bicycles, and motorized scooters. Under existing law, a violation of the Vehicle Code is a crime. This bill would prohibit an unauthorized person from removing an unattended micromobility device from a highway to a storage facility, garage, or other place. The bill would authorize a person to relocate an illegally parked micromobility device a short distance in order to clear a highway, sidewalk, doorway, or public bicycle path or trail for vehicle or pedestrian traffic. The bill would allow a peace officer to relocate an illegally parked micromobility device to a properly parked location. If relocation is impracticable, the bill would allow a peace officer to remove a micromobility device in the same manner as a vehicle. IV, Sec. 8(b)(1) of the Constitution and Assembly Rule 96(b) failed. (Ayes 15. Noes 55.)	Existing law, as established in the case of Dynamex Operations W. Inc. v. Superior Court (2018) 4 Cal.5th 903 (Dynamex), creates a presumption that a worker who performs services for a hirer is an employee for purposes of claims for wages and benefits arising under wage orders issued by the Industrial Welfare Commission. Existing law requires a 3-part test, commonly known as the “ABC” test, to determine if workers are employees or independent contractors for purposes of specified wage orders. Existing law establishes that, for purposes of the Labor Code, the Unemployment Insurance Code, and the wage orders of the Industrial Welfare Commission, a person providing labor or services for remuneration is considered an employee rather than an independent contractor unless the hiring entity demonstrates that the person is free from the control and direction of the hiring entity in connection with the performance of the work, the person performs work that is outside the usual course of the hiring entity’s business, and the person is customarily

		engaged in an independently established trade, occupation, or business. This test is commonly known as the “ABC” test. Existing law charges the Labor Commissioner with the enforcement of labor laws, including worker classification. Existing law exempts specified occupations and business relationships from the application of Dynamex and these provisions. Existing law instead provides that these exempt relationships are governed by the test adopted in S. G. Borello & Sons, Inc. v. Department of Industrial Relations (1989) 48 Cal.3d (Borello). This bill would repeal those existing provisions and instead require a determination of whether a person is an employee or an independent contractor to be based on the specific multifactor test set forth in Borello, including whether the person to whom service is rendered has the right to control the manner and means of accomplishing the result desired, and other identified factors. The bill would make related, conforming changes.

AB 2013 Irwin D Property taxation: new construction: damaged or destroyed property.	7/29/2020- S. APPR. 7/30/2020- From committee: Do pass and re- refer to Com. on APPR. with recommendati on: To Consent Calendar. (Ayes 7. Noes 0.) (July 29). Re-referred to Com. on APPR.	The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, “full cash value” is defined as the assessor’s valuation of real property as shown on the 1975–76 tax bill under “full cash value” or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. Existing law defines “newly constructed” and “new construction” to mean any addition to real property since the last lien date and any alteration of land or of any improvement since the last lien date that constitutes a major rehabilitation thereof or that converts the property to a different use. Existing law, where real property has been damaged or destroyed by misfortune or calamity, excludes from the definition of “newly constructed” and “new construction” any timely reconstruction of the real property, or portion thereof, where the property after reconstruction is substantially equivalent to the property prior to damage or destruction. Existing law, pursuant to the authorization of the California Constitution, authorizes the transfer of the base year value of property that is substantially damaged or destroyed by a disaster, as declared by the Governor, to comparable replacement property within the same county that is acquired or newly constructed within 5 years after the disaster, as provided. This bill would authorize the owner of property substantially damaged or destroyed by a disaster, as declared by the Governor, to apply the base year value of that property to replacement property reconstructed on the same site of the damaged or destroyed property within 5 years after the disaster if		Governance And Finance (text 5/11/2020) Support California Apartment Association California Assessors’ Association California Chamber of Commerce Howard Jarvis Taxpayers Association Oppose None

If the full cash value of the reconstructed property exceeds 120% of the full cash value of the original property, the bill would require that the base year value of the reconstructed property be the sum of the full cash value that exceeds 120% of the full cash value of the original property plus the adjusted base year value of the original property. Motion to reconsider made by Assembly Member Aguiar-Curry.	(1)The California Constitution prohibits the ad valorem tax rate on real property from exceeding 1% of the full cash value of the property, subject to certain exceptions. This measure would create an additional exception to the 1% limit that would authorize a city, county, city and county, or special district to levy an ad valorem tax to service bonded indebtedness incurred to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure, affordable housing, or permanent supportive housing, or the acquisition or lease of real property for those purposes, if the proposition proposing that tax is approved by 55% of the voters of the city, county, or city and county, as applicable, and the proposition includes specified accountability requirements. The measure would specify that these provisions apply to any city, county, city and county, or special district measure imposing an ad valorem tax to pay the interest and redemption charges on bonded indebtedness for these purposes that is submitted at the same election as this measure. The California Constitution grants many rights to persons, including the right to speak and write freely, as specified, and to be free from cruel and unusual punishment. Existing statutory law requires that a person providing labor or services for remuneration shall be considered an employee rather than an independent contractor, for specified purposes, unless the hiring entity demonstrates that the person is free from the control and direction of the hiring entity in connection with the performance of the work, both under the contract for the performance of the work and in fact, the person performs work that is outside the usual course of the hiring entity’s business, and the person is customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the work performed. This measure, “The Right to Earn a Living Act,” would require determinations of whether a person is an employee or an independent contractor to be made using a specified multifactor test that differs from the test described above. Reconsideratio n granted.	Existing law, as established in the case of Dynamex Operations W. Inc. v. Superior Court (2018) 4 Cal.5th 903 (Dynamex), creates a presumption that a worker who performs services for a hirer is an employee for purposes of claims for wages and benefits arising under wage orders issued by the Industrial Welfare Commission. Existing law requires a 3-part test, commonly known as the “ABC” test, to determine if workers are employees or independent contractors for purposes of specified wage orders. This bill would repeal these statutory provisions. The bill would, instead, establish a new test that, for purposes of specific provisions of the Labor Code governing the relationship of employer and employees, a person providing labor or services for remuneration is considered an employee rather than an independent contractor, unless the hiring entity demonstrates that the person is (1) free from the control and direction of the hiring entity in connection with the performance of the work, both under the contract for the performance of the work and in fact, determined by a preponderance of factors, with no single factor of control being determinative, and either that (2) the person performs work that is outside the usual course of the hiring entity’s business, or the work performed is outside the place of		Committee On Labor, Public Employment And Retirement (text 4/29/2020) Support 4- Individuals Associated Builders and Contractors Northern California Chapter California Farm Bureau Federation Civil Justice Association of California El Dorado County Joint Chamber of Commerce Elk Grove Chamber of Commerce Folsom Chamber of Commerce Greater Sacramento Vietnamese American Chamber of Commerce Kern County Black Chamber of Commerce Rancho Cordova Chamber of Commerce

SB 862 Dodd D Planned power outage: public safety.	6/29/2020- A. U. & E. 6/29/2020- Referred to Com. on U. & E.	Existing law, the California Emergency Services Act, authorizes the Governor to proclaim a state of emergency, and local officials and local governments to proclaim a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist, and authorizes the Governor or the appropriate local government to exercise certain powers in response to that emergency. Existing law defines the terms “state of emergency” and “local emergency” to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include a deenergization event, as defined, within a sudden and severe energy shortage constituting a state of emergency and a local emergency. August 3 hearing postponed by committee.	Under existing law, upon the proclamation of a state of emergency, as defined, by the President of the United States or the Governor, or upon the declaration of a local emergency, as defined, by the executive officer of any county, city, or city and county, and for 30 days following the proclamation or declaration of emergency, it is a misdemeanor for a person, contractor, business, or other entity to sell or offer to sell certain goods or services for a price 10% greater than the price charged by that person immediately prior to the proclamation or declaration of emergency. Existing law makes a greater price increase lawful under these provisions if the person can prove that the increase in price was directly attributable to additional costs imposed on it by the supplier of the goods, or directly attributable to additional costs for the labor or materials used to provide the services, during the state of emergency or local emergency, and the price is no more than 10% greater than the total of the cost to the seller plus the markup customarily applied by the seller. Existing law authorizes the local legislative body, local official, Governor, or Legislature, to extend the duration of this prohibition for additional 30 day periods, if deemed necessary to protect the lives, property, or welfare of the citizens. This bill would expand that crime to also include selling or offering to sell those goods or services for a price 10% greater than the price charged		Public Safety (text 4/29/2020) Support None Oppose None

The bill would also make it a crime for a person, contractor, business, or other entity who did not charge a price for the goods or services immediately prior to the proclamation or declaration of emergency to charge a price that is more than 50% greater than either the seller's existing costs, as specified, and the amount that the seller paid for the goods or, if the seller did not purchase the goods, the seller's costs in selling or providing the goods or services. The bill would authorize the Governor or the Legislature to extend the duration of these prohibitions for periods greater than 30 days. This bill would, until January 1, 2026, make those crimes punishable as a misdemeanor or a felony if the violation involves charging prices on one or more goods in one or more transactions where the aggregate amount charged exceeds the amount permitted by at least \$10,000. SCA 3 Hill D Property taxation: change in ownership: inheritance exclusion.	5/21/2019-S. INACTIVE FILE 5/21/2019-Ordered to inactive file on request of Senator Hill.	The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, “full cash value” is defined as the assessor’s valuation of real property as shown on the 1975–76 tax bill under “full cash value” or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. The California Constitution specifies various transfers that are not deemed to be a “purchase” or “change in ownership” of a property for these purposes, including the purchase or transfer of a principal residence from parents to their children, or, under certain circumstances, from grandparents to their grandchildren, and the purchase or transfer of the first \$1,000,000 of the full cash value of all other real property transferred from parents or grandparents to their children or grandchildren. BILL/AUTHOR	DESCRIPTION	STATUS
<p>Senate Bill 2302 U.S. Senator John Barrasso (R-WY)</p>	<p>America’s Transportation Infrastructure Act of 2019</p> <p>This bill reauthorizes, for a period of five years, the highway title and programs included in the surface transportation authorization bill. The ATIA is largely a bill that builds on the FAST Act – while making very few changes to existing formula funding programs. The bill would provide \$287 billion over five years (\$259 billion for formula programs), which represents an increase of 27% over the FAST Act authorized funding levels. The legislation authorizes over \$6 billion in new competitive grants for shovel ready bridge investments. The legislation provides \$5.5 billion for the Nationally Significant Freight and Highway Projects Program. The bill provides over \$4.9 billion over five years to protect roadways and bridges from natural disasters, such as extreme weather events. The legislation also authorizes \$125 million for a national research program and statewide pilot projects to test road usage fees and other alternatives to the existing 18.4 cent federal gas tax.</p>	<p>9/26/19: Board adopts a Work with Author position</p>
