| <a href="#">AB 5</a><br><a href="#">Fong R</a><br><br>Greenhouse Gas Reduction Fund: High-Speed Rail Authority: K-12 education: transfer. | 4/30/2021-A. 2 YEAR<br>4/30/2021- Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 1/11/2021)(May be acted upon Jan 2022) | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include in its regulation of those emissions the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund. Existing law continuously appropriates 25% of the annual proceeds of the fund to the High-Speed Rail Authority for certain purposes. This bill would suspend the appropriation to the High-Speed Rail Authority for the 2023-24 and 2024-25 fiscal years and would require the transfer of those amounts from moneys collected by the state board to the General Fund. The bill would specify that the transferred amounts shall be available, upon appropriation, to augment funding for K-12 education and to support full-time in-person instruction for all students. |          |                       |

|  | be acted upon<br>Jan 2022)   | climate change authorities to engage in certain activities to address climate change. The bill would require the regional climate change authorities to annually submit to the council a report on their activities.  |          |                       |
| <a href="#">AB 15</a><br><a href="#">Chiu D</a><br><br>COVID-19 relief: tenancy: Tenant Stabilization Act of 2021. | 9/10/2021-A. 2 YEAR<br>9/10/2021- Failed Deadline pursuant to Rule 61(a)(15). (Last location was H. & C.D. on 1/11/2021)(May be acted upon Jan 2022) | (1)Existing law, the COVID-19 Tenant Relief Act of 2020, establishes certain procedural requirements and limitations on evictions for nonpayment of rent due to COVID-19 rental debt, as defined. The act, among other things, prohibits a tenant that delivers a declaration, under penalty of perjury, of COVID-19-related financial distress from being deemed in default with regard to the COVID-19 rental debt, as specified. Existing law defines COVID-19 rental debt as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and January 31, 2021. Existing law repeals the act on February 1, 2025. This bill would extend the definition of “COVID-19 rental debt” as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and December 31, 2021. The bill would also extend the repeal date of the act to January 1, 2026. The bill would make other conforming changes to align with these extended dates. By extending the repeal date of the act, the bill would expand the crime of perjury and create a state-mandated local program. This bill contains other related provisions and other existing laws. |          |                       |

| COVID-19 Tenant, Small Landlord, and Affordable Housing Provider Stabilization Act of 2021. | pursuant to Rule 61(a)(2). (Last location was H. & C.D. on 1/11/2021)(May be acted upon Jan 2022) | financial distress from being deemed in default with regard to the COVID-19 rental debt, as specified. Existing law defines COVID-19 rental debt as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and January 31, 2021. Existing law repeals the act on February 1, 2025. This bill would establish the Tenant, Small Landlord, and Affordable Housing Provider Stabilization Program. The bill would authorize the Director of Housing and Community Development to direct an existing office or program within the Department of Housing and Community Development to implement the program. The bill would establish in the State Treasury the COVID-19 Tenant, Small Landlord, and Affordable Housing Provider Stabilization Fund, and, upon appropriation by the Legislature, distribute all moneys in the fund to the department to carry out the purposes of the program. The bill would require the program be implemented only to the extent that funding is made available through the Budget Act. The bill would specify that it is the intent of the Legislature to prioritize the use of available federal funds before using General Fund moneys for the program. |          |  |

| <a href="#">AB 52</a><br><a href="#">Frazier</a> D<br><br>California Global Warming Solutions Act of 2006: scoping plan updates: wildfires. | 4/30/2021-A. 2<br>YEAR<br>4/30/2021-<br>Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 1/11/2021)(May be acted upon Jan 2022) | The California Global Warming Solutions Act of 2006 (act) designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the state board, in each scoping plan update prepared by the state board after January 1, 2022, to include, consistent with the act, recommendations for achieving the maximum technologically feasible and cost-effective reductions of emissions of greenhouse gases and black carbon from wildfires. The bill would also express the intent of the Legislature to appropriate an amount from the Greenhouse Gas Reduction Fund for wildfire mitigation and prevention. This bill contains other existing laws. |          |                       |

GOV. on 1/11/2021)(May be acted upon Jan 2022) | The Mitigation Fee Act authorizes a local agency to establish, increase, or impose a variety of fees, dedications, reservations, or other exactions for services, and in connection with the approval of a development project, as defined. Existing law prohibits a local agency from imposing fees for specified purposes, including fees for water or sewer connections, capacity charges, zoning variances or changes, use permits, and building inspections or permits, among others, that exceed the estimated reasonable cost of providing the service for which the fee is charged, unless voter approval is obtained. Existing law requires fees or service charges that create revenues in excess of actual cost to be used to reduce the fee or service charge. Existing law requires a local agency, before levying or increasing a fee or service charge, to hold at least one open and public meeting and requires that notice of the time and place of the meeting be mailed at least 14 days prior to the meeting to any interested party who files a written request with the local agency for mailed notice of the meeting on new or increased fees or service charges. Existing law additionally requires the local agency to make available to the public, at least 10 days prior to the meeting, the data indicating the amount of cost, or estimated cost, required to provide the service for which the fee or service charge is levied and the revenue sources anticipated to provide the service, as specified. Existing law also authorizes the local agency to provide notice via |          |                       |

(Last location was U. & E. on 1/11/2021)(May be acted upon Jan 2022) | Under existing law, the Public Utilities Commission (PUC) has regulatory authority over public utilities, including electrical corporations, while local publicly owned electric utilities, as defined, are under the direction of their governing boards. Existing law establishes as policy of the state that eligible renewable energy resources and zero-carbon resources supply 100% of retail sales of electricity to California end-use customers and 100% of electricity procured to serve all state agencies by December 31, 2045. This bill would require the PUC, Energy Commission, and state board, in consultation with all balancing authorities, to additionally develop a strategy, by January 1, 2024, that achieves (1) a target of 5 gigawatthours of operational long-term backup electricity, as specified, by December 31, 2030, and (2) a target of at least an additional 5 gigawatthours of operational long-term backup electricity in each subsequent year through 2045. The bill would require the commission, by January 1, 2024, to submit the strategy developed in a report to the Legislature, and by January 1 of each 4th year thereafter, through January 1, 2044, would require the commission to submit a report to the Legislature detailing the progress made toward achieving the targets of the long-term backup electricity supply strategy. This bill contains other existing laws. |          |  |

(Last<br>location was<br>TRANS. on<br>1/11/2021)(May<br>be acted upon<br>Jan 2022) | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include in its regulation of emissions of greenhouse gases the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation by the Legislature. This bill would extend the requirement that 20% of funding be made available to support early commercial deployment of existing zero- and near-zero-emission heavy-duty truck technology until December 31, 2026. The bill would further require at least 20% of that funding support early commercial deployment of existing near-zero-emission heavy-duty truck technology. The bill |          |  |

| <a href="#">AB 117</a><br><a href="#">Boerner</a><br><a href="#">Horvath</a> D<br><br>Air Quality Improvement Program: electric bicycles. | 8/27/2021-S. 2 YEAR<br>8/27/2021- Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE on 8/16/2021)(May be acted upon Jan 2022) | Existing law establishes the Air Quality Improvement Program that is administered by the State Air Resources Board for the purposes of funding projects related to, among other things, the reduction of criteria air pollutants and improvement of air quality. Pursuant to its existing statutory authority, the state board has established the Clean Vehicle Rebate Project, as a part of the Air Quality Improvement Program, to promote the production and use of zero-emission vehicles by providing rebates for the purchase of new zero-emission vehicles. Existing law specifies the types of projects eligible to receive funding under the program. This bill would specify projects providing incentives for purchasing electric bicycles, as defined, as projects eligible for funding under the program. The bill would require the state board, no later than July 1, 2022, to establish an Electric Bicycle Incentives Project to provide incentives, in the form of vouchers, to income-qualified individuals for the purchase of electric bicycles, as provided. |          | <b>Environmental Quality (text 5/24/2021) Support</b><br>1 Individual<br>Active San Gabriel Valley<br>Asian Pacific Islander Forward Movement<br>Better World Group; the<br>Bicycle Kitchen/la Bici-cocina<br>Bike Bakersfield<br>Bike East Bay<br>Bike Santa Cruz County<br>Education Fund<br>Bike SLO County<br>Bikerowave Co-op, Los Angeles<br>BikeSD<br>Bikeventura<br>Breathe California<br>CA Coalition for Clean Air<br>CalBike<br>California Electric Transportation Coalition (CaETC)<br>California Interfaith Power and |

| nonprofit organizations: immunity from civil liability. | location was JUD. on 3/18/2021)(May be acted upon Jan 2021) | concurrent resolution of the Legislature. The Governor proclaimed a state of emergency March 4, 2020, related to the COVID-19 pandemic.Existing law generally provides that everyone is responsible, not only for the result of their willful acts, but also for an injury occasioned to another by that person’s want of ordinary care or skill in the management of their property or person, except as specified. This bill would exempt a small business or nonprofit organization with 100 or fewer employees from liability for an injury or illness to a consumer, as defined, due to coronavirus (COVID-19) based on a claim that the consumer contracted COVID-19 while at that small business or nonprofit organization, or due to the actions of that small business or nonprofit organization. The bill would require the small business or nonprofit organization, for this exemption to apply, to have implemented and substantially complied with all applicable state and local health laws, regulations, and protocols. Under the bill, this exemption would not apply if the injury or illness resulted from a grossly negligent act or omission, willful or wanton misconduct, or unlawful discrimination by the business or nonprofit organization or an employee of the business or nonprofit organization. The bill would apply these provisions only until the termination of the state of emergency related to the COVID-19 pandemic, regardless of when the claim is filed. The bill would repeal these provisions on January 1, 2023. The bill would include related legislative findings. |          |                       |

(Last location was INACTIVE FILE on 9/7/2021)(May be acted upon Jan 2022) | (1)Existing law, the Sustainable Groundwater Management Act (SGMA), requires numerous groundwater basins throughout the state designated by the Department of Water Resources as medium- or high-priority basins to each be managed under a separate groundwater sustainability plan or coordinated groundwater sustainability plans by specified dates. SGMA requires, with some exceptions, that local agencies designated as groundwater sustainability agencies prepare, administer, and enforce the groundwater sustainability plans with the goal of sustainably managing these groundwater basins to avoid undesirable results such as overdrafting groundwater, subsidence, and seawater intrusion, among others. To achieve the sustainability goal, SGMA authorizes a groundwater sustainability agency to, among other measures, control groundwater extractions by regulating, limiting, or suspending extractions from groundwater wells, establish a program of voluntary fallowing of agricultural lands, or validate an existing fallowing program. This bill would establish the Multibenefit Land Repurposing Program, for purposes of assisting groundwater sustainability agencies in critically overdrafted basins achieve their groundwater sustainability goal by providing grants to public and |          | <b>Natural Resources And Water (text 6/21/2021)<br/>Support</b><br>American Farmland Trust<br>Association of California Water Agencies<br>Audubon California<br>California Climate and Agriculture Network<br>California Waterfowl Association<br>Ceres<br>Clean Water Action<br>Community Alliance of Family Farmers<br>East Kaweah Groundwater Sustainability Agency<br>Environmental Defense Fund<br>Grassland Water District<br>Leadership Counsel for Justice & Accountability |

|  |  | private entities for projects and programs that reduce groundwater use by converting irrigated agricultural land to new uses that both reduce groundwater demand or use and provide some other measurable benefits to the environment or broader community. The bill would require the Department of Conservation to establish and administer the grant program and, in consultation with specified state agencies, develop guidelines to implement the grant program, as provided. The bill would require grant recipients to comply with certain requirements, including consistency with approved groundwater sustainability plans or alternative plans and general plans, and inclusion of a 50% match from nonstate sources. The bill would authorize up to 10% of funds appropriated for the purposes of the grant program to be expended for planning and monitoring necessary for the successful design, selection, and implementation of eligible projects and programs. The bill would require, on or before January 1, 2026, and 5 years thereafter, the department to submit a report to the relevant policy and budget committees of the Legislature that evaluates the performance of the grant program in relation to its goals and includes recommendations to improve the grant program. The bill would repeal these provisions on January 1, 2032. |---|--|---|----------|---|
| Emergency Small Business Eviction Relief Act. | pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/3/2021)(May be acted upon Jan 2022) | requires the tenant be served a 3 days' notice in writing to cure the default, as specified. Existing law provides that an unlawful detainer action is subject to the COVID-19 Tenant Relief Act of 2020, which provides tenants with specified temporary protections from eviction, if the default in the payment of rent is based upon COVID-19 rental debt, as defined. This bill, the COVID-19 Emergency Small Business Eviction Relief Act, would, until July 1, 2025, require a landlord, who receives a statement signed by a commercial tenant, as defined, and supported by documentary evidence that evidences that the tenant requests emergency rent relief because the business of the commercial tenant has experienced a decrease in average monthly gross revenue of at least 50%, which is reasonably attributable to public health regulations adopted to address the COVID-19 pandemic, during the qualifying time period, as defined, as compared with the 12 months immediately preceding the qualifying time period, to conduct a good faith negotiation to form a plan to allow the commercial tenant a reasonable opportunity to repay COVID-19 lease debt while minimizing the hardship to the landlord. The act would provide that failure by a landlord to comply with that requirement constitutes an affirmative defense in an unlawful detainer action. |          | City of Santa Monica<br>Public Health Advocates<br><b>Oppose</b><br>AIR<br>Bay Area Council<br>Building Owners and Managers Association of California<br>California Asian Pacific Chamber of Commerce<br>California Association of Realtors<br>California Bankers Association<br>California Builders Alliance<br>California Building Industry Association<br>California Business Properties Association<br>California Business Roundtable<br>California Chamber of Commerce<br>California Credit Union League<br>California Downtown Association<br>California Land Title Association<br>California Mortgage Bankers Association<br>California Retailers Association<br>Chico Builders Association<br>International Council of Shopping Centers |

S. on 2/18/2021)(May be acted upon Jan 2022) | Existing law, as amended by the Californians Against Sexual Exploitation Act, an initiative measure enacted by the approval of Proposition 35 at the November 6, 2012, statewide general election (CASE Act), proscribes the crime of human trafficking, a felony. The CASE Act makes a person who causes, induces, or persuades, or attempts to cause, induce, or persuade, a person who is a minor at the time of commission of the offense to engage in a commercial sex act with the intent to effect or maintain a violation of specified other offenses, including child pornography and extortion, guilty of human trafficking, a felony. Existing law makes that crime punishable by imprisonment in the state prison for 5, 8, or 12 years and a fine of not more than \$500,000, or, if the offense involves force, fear, fraud, deceit, coercion, violence, duress, menace, or threat of unlawful injury to the victim or another person, 15 years to life and a fine of not more than \$500,000. The Legislature may amend the CASE Act by a statute passed in each house by a majority vote. This bill would expand the scope of that crime by making a person who causes, induces, or persuades, or attempts to cause, induce, or persuade, an adult, whom the person reasonably believes to be a minor at the time |          |  |

|   |   | of commission of the offense, to engage in a commercial sex act with the intent to effect or maintain a violation of specified other offenses, including child pornography and extortion, guilty of human trafficking and subject to the penalties described above. By changing the definition of a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.  |          |  |
| <a href="#">AB 561</a><br><a href="#">Ting D</a><br>Help Homeowners Add New Housing Program: accessory dwelling unit financing. | 9/10/2021-S. 2 YEAR<br>9/10/2021- Failed Deadline pursuant to Rule 61(a)(15). (Last location was INACTIVE FILE on 9/1/2021)(May be acted upon Jan 2022) | Existing law provides for the creation by local ordinance, or by ministerial approval if a local agency has not adopted an ordinance, of accessory dwelling units in areas zoned to allow single-family or multifamily dwelling residential use in accordance with specified standards and conditions. This bill would require the Treasurer's office, by April 1, 2022, to provide a report to the Legislature regarding the creation of the Help Homeowners Add New Housing Program with the purpose of assisting homeowners, as defined, in qualifying for loans to construct additional housing units on their property, including accessory dwelling units and junior accessory dwelling units. The bill would, with regard to the development of recommendations for the program, require the Treasurer to consult with the California Housing Financing Agency and the Department of Housing and Community Development, and would also authorize the Treasurer to consult with various other entities, including federal mortgage agencies, private lenders, community development financial institutions, community-based organizations, and local housing trust funds. The bill would require the report to examine the feasibility of, among other things, providing at least 80% of program |          | <b>Housing (text 4/6/2021) Support</b><br>9 individuals<br>Bay Area Council<br>California Apartment Association<br>California Building Industry Association<br>California YIMBY<br>Casita Coalition<br>Council of Infill Builders<br>Eden Housing<br>Fieldstead and Company<br>Habitat for Humanity California<br>Hello Housing<br>Hollywood Chamber of Commerce<br>Housing Action Coalition<br>LISC San Diego<br>MidPen Housing Corporation |

| <a href="#">AB 621</a><br><a href="#">Rivas, Robert</a> D<br><br>California Environmental Quality Act: streamlined environmental review: standard of review: hospitals. | 4/30/2021-A. 2 YEAR<br>4/30/2021- Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 3/25/2021)(May be acted upon Jan 2022) | The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that the lead agency proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA establishes a procedure by which a person may seek judicial review of the decision of the lead agency made pursuant to CEQA. Under existing law, a lead agency’s decision to adopt a negative declaration or mitigated negative declaration is reviewed by the courts under the fair argument standard while the lead agency’s decision to certify an EIR is reviewed under the substantial evidence standard. This bill would authorize the Governor to certify a new hospital project or hospital expansion or modernization project as an environmental leadership hospital project if the project meets certain requirements. The bill would require the project applicant to certify compliance |          |                       |

|  |  | with certain labor standards in regards to the implementation of the project. The bill would require the lead agency to concurrently prepare the record of proceedings for a project certified by the Governor, as applicable. By requiring the concurrent preparation of the record of proceedings, this bill would impose a state-mandated local program. The bill would specify that the review of a lead agency's decision to adopt or certify an environmental review document, as defined, for a certified project is the substantial evidence standard. The bill would provide that, if the lead agency fails to adopt or certify an environmental review document on or before June 1, 2028, for a certified project, the provisions of the bill do not apply to that project. The provisions of the bill would be repealed by their own terms on January 1, 2029. This bill contains other related provisions and other existing laws. |          |                       |

| Open Meeting Act:<br>teleconferencing. | pursuant to Rule 61(a)(2). (Last location was G.O. on 2/25/2021)(May be acted upon Jan 2022) | Act, among other things, requires a state body that elects to conduct a meeting or proceeding by teleconference to make the portion of the meeting that is required to be open to the public audible to the public at the location specified in the notice of the meeting. The Bagley-Keene Act requires a state body that elects to conduct a meeting or proceeding by teleconference to post agendas at all teleconference locations, identify each teleconference location in the notice and agenda of the meeting or proceeding, and requires each teleconference location to be accessible to the public. That law authorizes any meeting of a state body that is an advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body to hold an open meeting by teleconference if the meeting complies with the requirements of the act, except as provided. Existing law requires that when a member of a multimember state advisory body participates remotely the body provide a means by which the public may remotely hear audio of the meeting or remotely observe the meeting. Existing law requires a multimember state advisory body to end or adjourn a meeting if it discovers that a required means of remote access has failed during the meeting, and, if the meeting is to adjourn and reconvene on the same day, that law requires the body to communicate, among other things, how a member of the public may hear audio of the meeting or observe the meeting. This bill would require a state body that elects to conduct a meeting or proceeding by teleconference to make the portion that is required to be open to the public both audibly and visually observable. The bill would require a state body that elects to conduct a meeting or proceeding by teleconference to post an agenda |          |                       |

|  |  | at the designated primary physical meeting location in the notice of the meeting where members of the public may physically attend the meeting and participate. The bill would extend the above requirements of meetings of multimember advisory bodies that are held by teleconference to meetings of all multimember state bodies. The bill would require a multimember state body to provide a means by which the public may both audibly and visually remotely observe a meeting if a member of that body participates remotely. The bill would further require any body that is to adjourn and reconvene a meeting on the same day to communicate how a member of the public may both audibly and visually observe the meeting. The bill would also make nonsubstantive changes to those provisions. This bill contains other existing laws.                 |          |   |

(Last location was TRANS. on 2/25/2021)(May be acted upon Jan 2022) | (1)Existing law generally designates the State Air Resources Board as the state agency with the primary responsibility for the control of vehicular air pollution and air pollution control and air quality management districts with the primary responsibility for the control of air pollution from all sources other than vehicular sources. Existing law makes a violation of a rule or regulation of the state board a misdemeanor. This bill would require the state board to regulate a mobile fueling on-demand tank vehicle, as defined, as a mobile source, and, contingent upon an appropriation by the Legislature for this purpose, to adopt regulations on or before a specified date to control emissions attributable to mobile fueling on-demand tank vehicles and to certify equipment for those vehicles, as provided. The bill would authorize the state board to allow the use of onboard refueling vapor recovery (ORVR) systems to achieve or maintain the standards and procedures adopted in those regulations for the control of gasoline vapors resulting from the motor vehicle fueling operations of a mobile fueling on-demand tank vehicle. As part of those regulations, the bill would require the state board, in consultation with air pollution control and air quality management districts, to adopt regulations to govern the motor vehicle fueling operations of a mobile fueling on-demand tank vehicle to ensure the protection of public health and safety and the environment. The bill would authorize a district to enter into a memorandum of understanding to enforce the regulations applicable to the motor vehicle fueling operations of a mobile fueling on-demand tank |          |                       |

| <a href="#">AB 995</a><br><a href="#">Gonzalez,</a><br><a href="#">Lorena D</a><br><br>Paid sick days:<br>accrual and use. | 6/4/2021-A. 2<br>YEAR<br>6/4/2021-Failed<br>Deadline<br>pursuant to Rule<br>61(a)(8). (Last<br>location was<br>INACTIVE<br>FILE on<br>6/3/2021)(May<br>be acted upon<br>Jan 2022) | (1)Existing law, with certain exceptions, entitles an employee to paid sick days for certain purposes if the employee works in California for the same employer for 30 or more days within a year from the commencement of employment. Existing law requires the leave to be accrued at a rate of no less than one hour for every 30 hours worked, and to be available for use beginning on the 90th day of employment. This bill would modify the employer's alternate sick leave accrual method to require that an employee have no less than 40 hours of accrued sick leave or paid time off by the 200th calendar day of employment or each calendar year, or in each 12-month period. The bill would modify that satisfaction provision to authorize an employer to satisfy accrual requirements by providing not less than 40 hours or 5 days of paid sick leave that is available to the employee to use by the completion of the employee's 200th calendar day of employment. The bill would also provide that an employer is under no obligation to allow an employee's total accrual of paid sick leave to exceed 80 hours or 10 days, as specified. The bill would raise the employer's authorized limitation on the employee's use of carryover sick leave to 40 hours or 5 days. | <a href="#">AB 1047</a><br><a href="#">Daly D</a><br><br>Road Repair and Accountability Act of 2017: reporting internet website. | 5/25/2021-A. 2 YEAR<br>5/25/2021- Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/28/2021)(May be acted upon Jan 2022) | Existing law establishes in state government the Transportation Agency, which includes various departments and state entities, including the California Transportation Commission. The Road Repair and Accountability Act of 2017, commonly known as SB 1, establishes a comprehensive transportation funding program by increasing fuel taxes and imposing certain vehicle fees. The act allocates revenues from those sources to various transportation programs, including, among others, to the Road Maintenance and Rehabilitation Program, which the act created to address deferred maintenance on the state highway system and the local street and road system. This bill would require the Transportation Agency to improve the capability of the SB 1 internet website hosted by the agency to provide a comprehensive one-stop reporting interface available to the public. The bill would require the interface to provide timely fiscal information compiled from data provided by each administering agency regarding the development and implementation status of each transportation program or project funded, at least in part, by revenues from SB 1. |          | <b>Transportation (text 2/18/2021)</b><br><b>Support</b><br>American Automobile Association of Northern California, Nevada & Utah<br>Associated General Contractors-California Chapters<br>Automobile Club of Southern California<br>California Asphalt Pavement Association<br>California Construction and Industrial Materials Association<br>Northern California Carpenters Regional Council<br>Transportation California<br><b>Oppose</b><br>None |

(Last location was APPR. SUSPENSE FILE on 5/12/2021)(May be acted upon Jan 2022) | The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. The act requires the state board to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the statewide greenhouse gas emissions limit, as defined, no later than December 31, 2030. The act requires the state board to adopt rules and regulations in an open public process to achieve the maximum technologically feasible and cost-effective greenhouse gas emission reductions. The state board is authorized to include market-based compliance mechanisms to comply with the regulations. The implementing regulations adopted by the state board provide for the direct allocation of greenhouse gas allowances to electrical corporations pursuant to a market-based compliance mechanism. Beginning with the fiscal year commencing July 1, 2022, and ending with the fiscal year ending June 30, 2027, except as provided, this bill would require the PUC to annually allocate 5% of the revenues received by the electrical corporations from that allocation of greenhouse gas allowances to the Environmental Justice Community Resilience Hubs Program, which would require each electrical corporation to award those allocated revenues to a single third-party administrator, selected by the commission, that will award competitive grants to owners of critical community institutions, meeting eligibility criteria established by the PUC, for building upgrade projects that demonstrate community engagement in all phases, demonstrate multistakeholder partnerships, reflect the geographic diversity of the state, and are installed at critical |          | <b>Natural Resources (text 4/21/2021) Support</b><br>1 Individual<br>350 Butte County<br>350 Silicon Valley<br>50 Acterra Action for a Healthy Planet<br>Acterra<br>ActiveSVG<br>Asian Pacific Environmental Network<br>Bay Area Regional Health Inequities Initiative<br>California Alliance of Nurses for Healthy Environments<br>California Coastkeeper Alliance<br>California Environmental Justice Alliance<br>California League of Conservation Voters<br>California ReLeaf<br>California Solar & Storage Association<br>California Walks<br>Carbon Cycle Institute<br>Catholic Charities of the Diocese |

| inspections and investigations: advance notice. | location was L. & E. on 3/11/2021)(May be acted upon Jan 2022) | employment and place of employment to be safe, and requiring the protection of the life, safety, and health of every employee in such employment or place of employment, including to inspect and investigate employments and places of employment, as prescribed. The Occupational Safety and Health Administration (OSHA), except as provided, prohibits a person or employer from being given advance warning of an inspection or investigation by any authorized representative of the division. OSHA authorizes the Chief of the Division of Occupational Safety and Health or an authorized representative to permit advance notice of an inspection or investigation as prescribed by the Director of Industrial Relations. OSHA prohibits the authorization of advance notice when the investigation or inspection is to be made as a result of an employee complaint, unless there is imminent danger to the health or safety of an employee or employees. OSHA makes it a crime, punishable as prescribed, for any person to give unauthorized advance notice of any inspection to be conducted. This bill would revise those advance warning provisions to prohibit any representative of the division from giving advance notice of an inspection or investigation to an employer or other person unless authorized under OSHA. The bill would authorize the chief or their authorized representatives to permit advance notice of an inspection or investigation when advance notice is necessary to ensure availability of essential personnel or access to the site, equipment, or process, as prescribed by the director. The bill would delete the prohibition on the authorization of advance notice when the investigation or inspection is to be made as a result of an employee complaint. |  |  | expand the crime to apply to unauthorized advance notice of an investigation to be conducted, thereby imposing a state-mandated local program. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.   |          |  |
| <a href="#">AB 1179 Carrillo D</a><br>Employer provided benefit: backup childcare. | 5/25/2021-A. 2 YEAR<br>5/25/2021- Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/5/2021)(May be acted upon Jan 2022) | Existing law, the Healthy Workplaces, Healthy Families Act of 2014, requires employers to provide an employee, who works in California for 30 or more days within a year from the commencement of employment, with paid sick days for prescribed purposes, to be accrued at a rate of no less than one hour for every 30 hours worked. Existing law authorizes an employer to limit an employee's use of paid sick days to 24 hours or 3 days in each year of employment. This bill would require an employer to provide an employee, on or after January 1, 2022, who works in California for the same employer for 30 or more days within a year from the commencement of employment, with up to 60 hours of paid backup childcare benefits, to be accrued and used as provided. The bill would define "backup childcare" as childcare provided by a qualified backup childcare provider to the employee's child when the employee's regular childcare provider cannot be utilized, and "paid backup childcare" as an employee benefit consisting of the employer paying for a qualified backup childcare provider to provide backup childcare for an employee's child that is compensated at the state minimum wage |          | <b>Labor And Employment (text 2/18/2021) Support</b><br>Alliance for Children's Rights<br>California Faculty Association<br>Numerous individuals<br>Vote Mama Foundation<br><b>Oppose</b><br>Associated General Contractors<br>Association of California School Administrators<br>Auto Care Association<br>California Association of Health Services at Home (CAHSAH)<br>California Beer and Beverage Distributors<br>California Building Industry Association<br>California Chamber of Commerce |

This bill would require, as of January 1, 2025, that the state board consist of 14 voting members, 11 of whom shall be elected by district voters and 3 of whom shall be appointed by the Governor, the Senate pro Tempore, and the Speaker of the Assembly. The bill would provide that each elected state board member shall serve a 4-year term commencing on January 1 of the calendar year following a statewide election, with the first state board election occurring in 2024, and that no elected state board member shall serve more than a total of 3 terms. The bill would provide that the office of an elected state board member shall be a nonpartisan office, subject to the provisions specified in the Elections Code for nominations and elections. The bill would require the state board, on or before January 1, 2023, and within one year of each federal decennial census, to establish and adopt 11 districts within the state, as provided, and develop a map |          |  |

|   |  | shelter in the jurisdiction for at least 3 consecutive days and has been unable to gain entry into all temporary shelters they sought for specified reasons. The bill would require the city or county, as applicable, to provide a rent subsidy, as specified, if it is unable to provide temporary shelter. The bill would authorize a person who is homeless to enforce the bill’s provisions by bringing a civil action. The bill would require a court to award specified remedies and penalties upon finding a violation of the bill’s provisions, including by requiring the city or county, as applicable, to provide the person who is homeless with temporary shelter, mental health treatment, resources for job placement, and job training until the person obtains permanent housing. This bill contains other related provisions and other existing laws.                                    |          |  |
| <a href="#">AB 1384</a><br><a href="#">Gabriel D</a><br>Resiliency Through Adaptation, Economic Vitality, and Equity Act of 2022. | 9/10/2021-S. 2 YEAR<br>9/10/2021- Failed Deadline pursuant to Rule 61(a)(15). (Last location was INACTIVE FILE on 9/10/2021)(May be acted upon Jan 2022) | Existing law requires the Natural Resources Agency to release a draft of the state’s climate adaptation strategy, known as the Safeguarding California Plan, by January 1, 2017, and every 3 years thereafter, to update the plan by July 1, 2017, and every 3 years thereafter, and to coordinate with other state agencies to identify vulnerabilities to climate change by sectors and priority actions needed to reduce the risks in those sectors. Existing law requires, to address the vulnerabilities identified in the plan, state agencies to maximize specified objectives. This bill would instead require the agency to release the draft plan by January 1, 2024, and every 3 years thereafter, and to update the plan by July 1, 2024, and every 3 years thereafter. The bill would require the agency to also coordinate with the Office of Planning and Research and identify, among other |          | <b>Environmental Quality (text 2/19/2021) Support</b><br>350 Silicon Valley<br>California Sate Parks Foundation<br>Center for Environmental Health<br>Climate Reality Project, San Fernando Valley<br>Community Nature Connection<br>Elders Climate Action, NorCal<br>and SoCal Chapters<br>Friends of the Los Angeles River<br>Greenbelt Alliance |

|  |  | things, vulnerabilities to climate change for vulnerable communities, an operational definition of “climate resilience” for each sector and for vulnerable communities, special protections of vulnerable communities and industries that are disproportionately impacted by climate change, opportunities to improve policy and budget coordination across jurisdictions, and timetables and specific metrics to measure and evaluate the state’s progress in implementing the plan. The bill would require each lead agency or group of agencies to be informed, at a minimum, by specified documents and climate science research in identifying the vulnerabilities to climate change. The bill would require state agencies to also maximize the objective of prioritizing equity by ensuring public expenditures that address climate change adaptation prioritize protecting vulnerable communities, rectifying intersectional and systemic inequities, and enhancing low-income and vulnerable communities’ abilities to weather the impacts of climate change. The bill would authorize the Treasurer, and the financing authorities that the Treasurer chairs, to assist state agencies by leveraging public and private capital investment to help with loans and other incentives to attain the goals established pursuant to these provisions. |          | Land Trust of Santa Cruz County<br>Los Angeles Neighborhood Land Trust<br>Midpeninsula Regional Open Space District<br>National Stewardship Action Council<br>Pacoima Beautiful<br>San Fernando Valley Chapter of Climate Reality Project<br>SoCal 350 Climate Action<br>The River Project<br><b>Oppose</b><br>None |

|               | location was INACTIVE FILE on 9/10/2021)(May be acted upon Jan 2022) | greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill, the California Climate Crisis Act, would declare the policy of the state both to achieve net zero greenhouse gas emissions as soon as possible, but no later than 2045, and achieve and maintain net negative greenhouse gas emissions thereafter, and to ensure that by 2045, statewide anthropogenic greenhouse gas emissions are reduced to at least 90% below the 1990 levels. The bill would require the state board to work with relevant state agencies to ensure that updates to the scoping plan identify and recommend measures to achieve these policy goals and to identify a variety of policies and strategies that support carbon dioxide removal solutions, carbon capture and storage technologies, and nature-based climate solutions in California, as specified. The bill would require the state board to work with relevant agencies to establish criteria for the use of carbon dioxide removal technologies and carbon capture and storage technologies for purposes of achieving these policy goals. The bill would require the state board to identify interim 5-year greenhouse gas emission reduction goals that begin on January 1, 2025, and submit an annual report, as specified. The bill would impose other requirements on state agencies, as specified. |          | California Interfaith Power and Light<br>California League of Conservation Voters<br>California ReLeaf<br>Clean Air Task Force<br>Clean Water Action<br>Climate Action Campaign<br>E2<br>Environmental Defense Fund, Incorporated<br>Environmental Justice League<br>Friends Committee on Legislation of California<br>Greenbelt Alliance<br>Natural Resources Defense Council (NRDC)<br>Nature Conservancy; The NextGen California<br>Sacramento Area Congregations Together<br>San Diego Green Building Council<br>San Diego Green New Deal Alliance<br>San Francisco Bay Physicians for Social Responsibility |

| <a href="#">AB 1400</a><br><a href="#">Kalra D</a><br><br>Guaranteed Health Care for All. | 1/6/2022-<br>A. HEALTH<br>1/6/2022-<br>Referred to<br>Com. on<br>HEALTH. | Existing federal law, the federal Patient Protection and Affordable Care Act (PPACA), requires each state to establish an American Health Benefit Exchange to facilitate the purchase of qualified health benefit plans by qualified individuals and qualified small employers. PPACA defines a “qualified health plan” as a plan that, among other requirements, provides an essential health benefits package. Existing state law creates the California Health Benefit Exchange, also known as Covered California, to facilitate the enrollment of qualified individuals and qualified small employers in qualified health plans as required under PPACA.This bill, the California Guaranteed Health Care for All Act, would create the California Guaranteed Health Care for All program, or CalCare, to provide comprehensive universal single-payer health care coverage and a health care cost control system for the benefit of all residents of the state. The bill, among other things, would provide that CalCare cover a wide range of medical benefits and other services and would incorporate the health care benefits and standards of other existing federal and state provisions, including the federal Children’s Health Insurance Program, Medi-Cal, ancillary health care or social services covered by regional centers for persons with developmental disabilities, Knox-Keene, and the federal Medicare program. The bill would require the board to seek all necessary waivers, approvals, and agreements to allow various existing federal health care payments to be paid to CalCare, which would then assume responsibility for all |          |                       |

| <a href="#">AB 1401</a><br><a href="#">Friedman D</a><br><br>Residential and commercial development: remodeling, renovations, and additions: parking requirements. | 8/27/2021-S. 2 YEAR<br>8/27/2021- Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE on 8/16/2021)(May be acted upon Jan 2022) | The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for its physical development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a land use element and a conservation element. Existing law also permits variances to be granted from the parking requirements of a zoning ordinance for nonresidential development if the variance will be an incentive to the development and the variance will facilitate access to the development by patrons of public transit facilities. This bill would prohibit a public agency in a county with a population of 600,000 or more from imposing a minimum automobile parking requirement, or enforcing a minimum automobile parking requirement, on residential, commercial, or other development if the development is located on a parcel that is within 1/2 mile, as specified, of public transit, as defined. The bill would prohibit a public agency in a city with of 75,000 or more located in a county with a population of less than 600,000 from imposing a minimum automobile parking requirement, or enforcing a minimum automobile parking requirement, on residential, commercial, or other development if the project is located within 1/4 mile, as specified, of public transit, as defined. The bill would create authorizations in this regard for a city or a county to which these prohibitions do not apply. The bill, when a project provides parking voluntarily, would authorize a public agency to impose specified requirements on the voluntary parking. |          | <b>Housing (text 6/21/2021) Support</b><br>350 Bay Area Action<br>350 Humboldt<br>AARP<br>Abundant Housing LA<br>Active San Gabriel Valley<br>Alameda-Contra Costa Transit District<br>American Planning Association, California Chapter<br>Asian Business Association<br>Bay Area Council<br>California Apartment Association<br>California Building Industry Association<br>California Downtown Association<br>California Interfaith Power and Light<br>California Restaurant Association<br>California Walks<br>California YIMBY<br>Circulate San Diego<br>City Council Member Alysa |

| Local planning:<br>housing:<br>commercial zones. | 9/10/2021-<br>Failed Deadline<br>pursuant to Rule<br>61(a)(15). (Last<br>location was H.<br>& C.D. on<br>8/23/2021)(May<br>be acted upon<br>Jan 2022) | development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a housing element. Existing law requires that the housing element include, among other things, an inventory of land suitable and available for residential development. If the inventory of sites does not identify adequate sites to accommodate the need for groups of all households pursuant to specified law, existing law requires the local government to rezone sites within specified time periods and that this rezoning accommodate 100% of the need for housing for very low and low-income households on sites that will be zoned to permit owner-occupied and rental multifamily residential use by right for specified developments. This bill, the Neighborhood Homes Act, would deem a housing development project, as defined, an allowable use on a neighborhood lot, which is defined as a parcel within an office or retail commercial zone that is not adjacent to an industrial use. The bill would require the density for a housing development under these provisions to meet or exceed the density deemed appropriate to accommodate housing for lower income households according to the type of local jurisdiction, including a density of at least 20 units per acre for a suburban jurisdiction. The bill would require the housing development to meet all other local requirements for a neighborhood lot, other than those that prohibit residential use, or allow residential use at a lower density than that required by the bill. The bill would provide that a housing development under these provisions is subject to the local zoning, parking, design, and other ordinances, local code requirements, and procedures applicable to the processing and permitting of a housing development in a zone that |          | AARP<br>Abundant Housing LA<br>Alameda County Democratic<br>Central Committee<br>Alameda County Democratic<br>Party<br>American Planning Association,<br>California Chapter<br>Build Affordable Faster CA<br>California Apartment Association<br>California Association of Realtors<br>California State Association of<br>Electrical Workers<br>California State Pipe Trades<br>Council<br>County of Monterey<br>East Bay for Everyone<br>Facebook, Inc.<br>Los Angeles Business Council,<br>Planning and Conservation<br>League<br>Schneider Electric<br>State Building and Construction<br>Trades Council of California<br>State Building and Construction<br>Trades Council of California<br>TechEquity Collaborative |

| <a href="#">SB 17</a><br><a href="#">Pan D</a><br>Office of Racial Equity. | 8/27/2021-A. 2<br>YEAR<br>8/27/2021-<br>Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. on 6/30/2021)(May be acted upon Jan 2022) | Existing law establishes an Office of Health Equity in the State Department of Public Health for purposes of aligning state resources, decisionmaking, and programs to accomplish certain goals related to health equity and protecting vulnerable communities. Existing law requires the office to develop department-wide plans to close the gaps in health status and access to care among the state's diverse racial and ethnic communities, women, persons with disabilities, and the lesbian, gay, bisexual, transgender, queer, and questioning communities, as specified. Existing law requires the office to work with the Health in All Policies Task Force to assist state agencies and departments in developing policies, systems, programs, and environmental change strategies that have population health impacts by, among other things, prioritizing building cross-sectoral partnerships within and across departments and agencies to change policies and practices to advance health equity. This bill, until January 1, 2029, would establish in state government an Office of Racial Equity, an independent public entity not affiliated with an agency or department, governed by a Racial Equity Advisory and Accountability Council. The bill would authorize the council to hire an executive director to organize, administer, and manage the operations of the office. The bill would task the office with coordinating, analyzing, developing, evaluating, and recommending strategies for advancing racial equity across state agencies, departments, and the office of the Governor. The bill would require the office, in consultation with state agencies, departments, and public stakeholders, as appropriate, to develop a statewide Racial Equity Framework that includes a strategic plan with policy and | Support  | <b>Accountability And Administrative Review (text 5/20/2021) Support</b><br>Active San Gabriel Valley Advancement Project California Alliance of Californians for Community Empowerment (ACCE) Action<br>Alliance San Diego<br>American Association of University Women, California<br>Asian Pacific Policy & Planning Council<br>Asian Resources, Inc.<br>Azul<br>Brown Girl Surf<br>Ca Council of Community Behavioral Health Agencies<br>California Access Coalition<br>California Association of Public Hospitals and Health Systems<br>California Black Women's Health Project<br>California Climate & Agriculture Network (CALCAN)<br>California Coalition for Youth |

| <a href="#">SB 18 Skinner D</a><br>Hydrogen: green hydrogen: emissions of greenhouse gases. | 8/27/2021-A. 2 YEAR<br>8/27/2021- Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE on 8/19/2021)(May be acted upon Jan 2022) | (1)The California Global Warming Solutions Act of 2006 designates the State Air Resources Board (state board) as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the state board, by December 31, 2022, as a part of the scoping plan and the state’s goal for carbon neutrality, to identify the role of hydrogen, and particularly green hydrogen, in helping California achieve the goals of the act and the state’s other climate goals. The bill would require the state board, in consultation with the State Energy Resources Conservation and Development Commission (Energy Commission) and Public Utilities Commission (PUC), to prepare an evaluation posted to the state board’s internet website by June 1, 2023, that includes specified information relative to the deployment, development, and use of hydrogen. The bill would require the state board, in making these evaluations, to consult with the California Workforce Development Board and labor and workforce organizations. This bill contains other related provisions and other existing laws. |          | <b>Natural Resources (text 6/30/2021) Support</b><br>AquaHydrex<br>California Environmental Justice League<br>Green Hydrogen Coalition<br>HydrogenPro AS<br>Natural Resources Defense Council (NRDC)<br>Sempra Energy<br><b>Oppose</b><br>Climate Health Now |

| Clean Energy Standard Program. | location was E. U., & C. on 3/11/2021)(May be acted upon Jan 2022) | defined, so that the total kilowatthours of those products sold to their retail end-use customers achieves 25% of retail sales by December 31, 2016, 33% by December 31, 2020, 44% by December 31, 2024, 52% by December 31, 2027, and 60% by December 31, 2030. The program requires the PUC to establish appropriate 3-year compliance periods for all subsequent years that require retail sellers to procure not less than 60% of retail sales of electricity products from eligible renewable energy resources. The program additionally requires each local publicly owned electric utility, as defined, to procure a minimum quantity of electricity products from eligible renewable energy resources to achieve the procurement requirements established by the program. The program requires the State Energy Resources Conservation and Development Commission (Energy Commission) to establish appropriate multiyear compliance periods for all subsequent years that require the local publicly owned electric utility to procure not less than 60% of retail sales of electricity products from eligible renewable energy resources. This bill would revise that policy to establish a goal that 100% of electrical load be supplied by eligible clean energy resources, as defined. The bill would establish the California 24/7 Clean Energy Standard Program, which would require that 85% of retail load, as defined, annually and at least 60% of retail load within certain subperiods by December 31, 2030, and 90% of retail load annually and at least 75% of retail load within certain subperiods by December 31, 2035, be supplied by eligible clean energy resources, as defined. The bill would require the Energy Commission, in consultation with the PUC and California balancing authorities, to establish compliance periods and subperiods |          |                       |

|               | 1/8/2021)(May be acted upon Jan 2022) | nonvehicular wildlife crossing, which the bill would define as a structure that allows animals to cross human-made barriers safely, if at least 25% of the funding to construct the crossing derives from a state source. The bill would require the board to consult with the Department of Transportation or other appropriate entities on the design of lettering and placement of any sign that displays the name of a nonvehicular wildlife crossing. The bill would authorize the board to adopt criteria to implement these provisions. This bill would establish the Clean California Local Grant Program of 2021, to be administered by the department, to provide funding, upon appropriation by the Legislature, to allocate grants to local and public agencies, among other entities, for purposes of beautifying and cleaning up local streets and roads, tribal lands, parks, pathways, transit centers, and other public spaces. The bill would require the department to develop guidelines, including project selection criteria and program evaluation metrics, that include, but are not limited to, a process for allocating no less than 50% of the program funds to projects that benefit underserved communities, to be defined by the department, and requirements for local matching of funds of no more than 50% of the total project cost. The bill would require the guidelines to also include specified project types eligible for funding, a limitation of \$5,000,000 maximum per grant award, and a prohibition on grants that fund projects that displace persons experiencing homelessness. The bill would authorize the department to allow, and develop guidelines for, advance payments to public agency grant applicants if certain conditions are met. This bill contains other related provisions and other existing laws. |          |                       |

|               |          | <p>copies to its field offices and to law enforcement agencies for general distribution, without charge. This bill would delete the requirements relating to the publication and distribution of the complete text of the Vehicle Code and would make various technical and conforming changes. Existing law requires the department to issue a driver's license to an applicant when the department determines that the applicant is lawfully entitled to a license. Existing law requires the application for an original driver's license or renewal of a driver's license to contain specified information, including a legible thumbprint or fingerprint. Existing law requires every original application for a driver's license and identification to be signed and verified by the applicant. This bill would require the department to verify that the applicant's thumbprint or fingerprint is on file before issuing a driver's license or an identification card. This bill would also require that an original application for a driver's license or identification card be signed under penalty of perjury. By expanding the crime of perjury in this manner, this bill would impose a state-mandated local program. This bill would suspend that prohibition until January 1, 2023. (2) Existing law requires an insurer that issues specified private passenger liability insurance policies and coverages to submit reports to the Department of Motor Vehicles of all motor vehicle liability policies or coverages issued, changed, or terminated, as specified. Existing law requires these reports to be submitted electronically. This bill would, on or before January 1, 2023, additionally require an insurer that issues commercial and fleet insurance policies to submit these reports electronically. (3) Existing federal law requires a motor carrier, as defined, to file an application</p> |          |                       |

|               |          | <p>form with the Federal Motor Carrier Safety Administration to obtain a United States Department of Transportation number before beginning operations and every 24 months thereafter, as specified. Existing federal law, among other provisions, establishes identification requirements applicable to rented carriers for which the rental agreement or lease is 30 or fewer calendar days, as prescribed. Existing law requires, except as specified, a motor carrier, motor carrier of property, and for-hire motor carrier of property to obtain a carrier identification number from the Department of the California Highway Patrol and requires the carrier identification number to be displayed on both sides of each vehicle or on both sides of at least one motor vehicle in each combination of specified vehicles. Existing law requires information provided in connection with an application for a carrier identification to be true and accurate, and to be updated at the request of the department and within 15 days of a change of address or cessation of regulated activity. Existing law requires a vehicle or combination of vehicles operating under a rental agreement with a term of 30 or fewer calendar days to meet specified identification requirements that are consistent with the federal identification requirements. A violation of the provisions relating to motor carrier identification numbers is punishable as an infraction. This bill, with respect to motor carriers, would limit the carrier identification number requirement to those whose principal place of business is in this state, who operate from a terminal in this state, or who are required to be licensed to transport hazardous materials, as specified. The bill would revise the requirement to update motor carrier information to also include updating the</p> |          |                       |

| exemption:<br>museums. | 61(a)(15). (Last location was APPR. SUSPENSE FILE on 5/17/2021)(May be acted upon Jan 2022) | for the actual operation of the exempt activity, and does not exceed an amount of property reasonably necessary to the accomplishment of the exempt purpose. Under existing property tax law, property used exclusively for the charitable purposes of museums owned and operated by a religious, hospital, scientific, or charitable fund, foundation, limited liability company, or corporation that meets these criteria is deemed to be within the welfare exemption. Existing property tax law requires a person claiming the welfare exemption to file that claim with the assessor and obtain an organizational clearance certificate from the State Board of Equalization, as provided. This bill would define the term “museum” for these purposes. The bill would provide that property used exclusively for the charitable purposes of museums includes property that a museum makes available for special events, including private rental events for its individual or corporate members, that provide access to the museum’s exhibitions, collections, or other educational offerings as part of the events, or that the museum makes available to other nonprofit or government organizations for charitable or governmental purposes, regardless of whether the museum charges any fee or receives charitable contributions in connection with those special events. The bill would further provide that these special event uses shall be considered related to the primary charitable purposes of museums and reasonably necessary or incidental to those purposes. By adding to the duties of assessors in administering the welfare exemption, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. |          | Museums<br>California Association of Nonprofits<br>California Indian Museum & Cultural Center<br>Charles M. (Last location was TRANS. on 3/15/2021)(May be acted upon Jan 2022) | Existing law requires certain transportation planning agencies to prepare and adopt a regional transportation plan directed at achieving a coordinated and balanced regional transportation system. Certain of these agencies are designated under federal law as metropolitan planning organizations. Existing law requires that each regional transportation plan include a sustainable communities strategy developed to achieve greenhouse gas emission reduction targets for the automobile and light truck sector for 2020 and 2035 established by the State Air Resources Board. This bill would require that the sustainable communities strategy be developed to additionally achieve greenhouse gas emission reduction targets for the automobile and light truck sector for 2045 and 2050 and vehicle miles traveled reduction targets for 2035, 2045, and 2050 established by the board. The bill would make various conforming changes to integrate those additional targets into regional transportation plans. This bill contains other related provisions and other existing laws. |          | <b>Environmental Quality (text 1/27/2021)</b><br><b>Support</b><br>350 Bay Area<br>ActiveSVG<br>American Lung Association of California<br>Center for Climate Change and Health<br>Central California Asthma Collaborative<br>ClimatePlan<br>Coalition for Clean Air<br>Environmental Health Coalition<br>Leadership Counsel for Justice & Accountability<br>Safe Routes to School National Partnership<br><b>Oppose</b><br>Associated General Contractors<br>The California Chapters, |

(Last<br>location was P.<br>& C.P. on<br>6/3/2021)(May<br>be acted upon<br>Jan 2022) | Existing law prohibits a person or entity from providing the operation of a voice recognition feature within this state without prominently informing, during the initial setup or installation of a connected television, either the user or the person designated by the user to perform the initial setup or installation of the connected television. Existing law further prohibits any actual recordings of spoken word collected through the operation of a voice recognition feature by the manufacturer of a connected television, or a third party contracting with a manufacturer of a connected television, from being sold or used for any advertising purpose. Existing law prohibits a person or entity from compelling a manufacturer or other entity providing the operation of a voice recognition feature to build specific features for the purpose of allowing an investigative or law enforcement officer to monitor communications through that feature. Existing law prohibits a waiver of these prohibitions and authorizes their enforcement by injunction or civil penalty in a court of competent jurisdiction by the Attorney General or a district attorney. This bill would require a manufacturer of a new motor vehicle that is equipped with one or more in-vehicle cameras to disclose that fact, as specified. The bill would prohibit a person or entity from providing for the sale or lease of a new motor vehicle with one or more in-vehicle cameras in this state without prominently informing the user or the person designated by the user to purchase the vehicle, |          | <b>Judiciary (text 2/9/2021)</b><br><b>Support</b><br>Consumer Attorneys of California<br>Consumer Federation of<br>California<br>Consumer Watchdog<br>Consumers for Auto Reliability<br>and Safety<br>Oakland Privacy<br><b>Oppose</b><br>California New Car Dealers<br>Association |

| unemployment insurance claimants: assistance.          | location was L., P.E. & R. on 3/18/2021)(May be acted upon Jan 2022) | periodically review policies and practices used to determine eligibility for and the amount of benefits in the unemployment insurance program, and to report to the Legislature, as specified. Under existing law, unemployment compensation benefits are paid from the Unemployment Fund, and the expenses for administering these provisions are paid from the Unemployment Administration Fund, which is continuously appropriated for these purposes. This bill would require the department to implement a formal policy no later than October 1, 2021, that establishes a process for tracking and periodically analyzing call information data to determine the reasons why unemployment insurance claimants call the department for assistance. The bill would require the department, every 6 months thereafter, to analyze the data it has collected in order to improve its call center. The bill would require the department, in conducting its analysis, to identify and resolve weaknesses or problems with the way it provides assistance to claimants. The bill would require the department to take additional actions, including to develop a recession plan to prepare for future economic downturns by January 1, 2022, to update that recession plan at least once every 3 years thereafter, and to report this information to the Legislature, as specified. Because this bill would authorize the expenditure of funds from the Unemployment Administration Fund for new purposes, the bill would make an appropriation. This bill contains other related provisions. |          |   |

|               |          | <p>law until 2050. Existing law requires the State Air Resources Board to appoint a Regional Targets Advisory Committee, consisting of representatives of various entities, to recommend factors and methodologies to be used for setting greenhouse gas emission reduction targets for the regions required to prepare a sustainable communities strategy or alternative planning strategy as part of their regional transportation plan. This bill would require the State Air Resources Board, on or before June 30, 2023, and in coordination with the California Transportation Commission and the Department of Housing and Community Development, to issue new guidelines on sustainable communities strategies and require these guidelines to be updated thereafter at least every 4 years. The bill would delete the provisions related to the Regional Targets Advisory Committee and instead require the State Air Resources Board to appoint, on or before January 31, 2022, the State-Regional Collaborative for Climate, Equity, and Resilience, consisting of representatives of various entities. The bill would require the State-Regional Collaborative for Climate, Equity, and Resilience to develop a quantitative tool for metropolitan planning organizations to use to evaluate a transportation plan's consistency with long-range greenhouse gas emission reduction targets and recommend guidelines for metropolitan planning organizations to use when crafting long-range strategies that integrate state goals related to climate resilience and social equity. The bill would also require the State-Regional Collaborative for Climate, Equity, and Resilience to identify best practice implementation actions and generate point-based climate impact scores for each implementation action. The bill</p> |          |                       |

| <a href="#">SB 527</a><br><a href="#">Melendez</a> R<br><br>Greenhouse Gas Reduction Fund: high-speed rail: Salton Sea restoration. | 4/30/2021-S. 2 YEAR<br>4/30/2021- Failed Deadline pursuant to Rule 61(a)(2). (Last location was E.Q. on 2/25/2021)(May be acted upon Jan 2022) | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include in its regulation of those emissions the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund. Existing law continuously appropriates 25% of the annual proceeds of the fund to the High-Speed Rail Authority for certain components of a specified high-speed rail project. This bill would eliminate the continuous appropriation of 25% of the annual proceeds of Greenhouse Gas Reduction Fund to the High-Speed Rail Authority on June 30, 2022. The bill, beginning with the 2022–23 fiscal year, would annually transfer 25% of the annual proceeds of the Greenhouse Gas Reduction Fund to the Salton Sea Restoration Fund. This bill contains other existing laws. |          |   |

| <a href="#">SB 563</a><br><a href="#">Allen D</a><br>Second<br>Neighborhood<br>Infill Finance and<br>Transit<br>Improvements<br>Act: housing<br>developments:<br>homelessness<br>prevention<br>programs:<br>enhanced<br>infrastructure<br>financing plan<br>review and<br>amendment<br>process. | 5/25/2021-S. 2<br>YEAR<br>5/25/2021-<br>Failed Deadline<br>pursuant to Rule<br>61(a)(5). (Last<br>location was<br>APPR.<br>SUSPENSE<br>FILE on<br>5/17/2021)(May<br>be acted upon<br>Jan 2022) | Existing law, the Second Neighborhood Infill Finance and Transit Improvements Act, or NIFTI-2, authorizes a city or county to adopt a resolution to allocate its tax revenues to an enhanced infrastructure financing district, including revenues derived from local sales and use taxes imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or transactions and use taxes imposed in accordance with the Transactions and Use Tax Law, if certain conditions are or will be met. Among those conditions, existing law includes requirements that the area financed with those funds is within 1/2 mile of a major transit stop, as specified, and that the boundaries of the enhanced infrastructure financing district are coterminous with the city or county that established the district. Existing law also requires the infrastructure financing plan to require specified minimum percentages of the funds to be used to develop affordable housing, as specified, and to give first priority to income-qualified households displaced from the district, as specified, and secondary priority to households with a member or members employed within 2 miles of the district. Existing law authorizes the remaining funds to be used for certain affordable housing, mixed-use, transit, or greenhouse gas emission reduction related projects or programs. This bill would revise NIFTI-2 to, among other things, remove the requirements that the area financed be within 1/2 mile of a major transit stop and that the boundaries of the district be coterminous with the city or county. The bill would require specified minimum percentages of the funds be used for homelessness prevention programs or development of affordable housing that is within 1/2 mile of a major transit stop, as specified. | <a href="#">SB 580</a><br><a href="#">Hueso D</a><br>Department of Transportation: highways and roads: recycled plastics study and specifications. | 6/4/2021-S. 2 YEAR<br>6/4/2021-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 5/26/2021)(May be acted upon Jan 2022) | The California Integrated Waste Management Act of 1989 requires the Director of Transportation, upon consultation with the Department of Resources Recycling and Recovery, to review and modify all bid specifications relating to the purchase of paving materials and base, subbase, and pervious backfill materials using certain recycled materials. Existing law requires the specifications to be based on standards developed by the Department of Transportation for recycled paving materials and for recycled base, subbase, and pervious backfill materials. Existing law requires a local agency that has jurisdiction over a street or highway to either adopt these standards developed by the Department of Transportation or to discuss at a public hearing why the standards are not being adopted. Existing law requires the State Procurement Officer, when purchasing materials to be used in paving or paving subbase for use by the Department of Transportation and any other state agency that provides road construction and repair services, to contract for those items that use recycled material in those materials, unless the Director of Transportation determines that the use of the materials is not cost effective. This bill would authorize the department to conduct a study to assess the feasibility, cost effectiveness, and life-cycle environmental benefits and detrimental impacts of including recycled plastics in asphalt used as a paving material in the construction, maintenance, or rehabilitation of a highway or road. If the department conducts the study, the bill would require the Ocean Protection Council to review the study design and findings to determine how including recycled plastics in asphalt for use as a paving material will impact the ocean's health and would require the |          | <b>Transportation (text 2/18/2021)</b><br><b>Support</b><br>American Chemistry Council<br>Cal Green Alt, LLC<br>Dow Chemical Company and Its Affiliate, Dow Agrosiences; the Macrebur Limited<br>Macrebur Southern California Plastics Industry Association<br>Progressive Club Bonita Vista High School<br><b>Oppose</b><br>California Asphalt Pavement Association<br>California Coastkeeper Alliance<br>Center for Oceanic Awareness, Research, and Education<br>Elders Climate Action, NorCal and SoCal Chapters<br>Heal the Bay<br>Northern California Recycling Association<br>Plastic Oceans International<br>Plastic Pollution Coalition, A Project of Earth Island Institute<br>Save Our Shores<br>Seventh Generation Advisors |

|   |  | department to assess, as part of the study, any life-cycle environmental benefits or detrimental impacts identified by the council. If the department determines that this use of recycled plastics is feasible and that recycled plastics can be included in asphalt in a manner that is cost effective and provides life-cycle environmental benefits, the bill would authorize the department to establish specifications for including recycled plastics in asphalt used as a paving material in the construction, maintenance, and rehabilitation of a highway or road. The bill would require the department to prepare and submit, on or before January 1 of each year, commencing January 1, 2023, an analysis to the Assembly Committee on Transportation and the Senate Committee on Transportation on its progress studying recycled plastics and its progress toward establishing specifications for including recycled plastics in asphalt, as described above. The bill would require a local agency that has jurisdiction over a street or highway to either adopt the specifications established by the Department of Transportation or discuss at a public hearing why the specifications are not being adopted. By increasing the duties of local agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. |          | The 5 Gyres Institute<br>UPSTREAM<br>Wishtooyo Chumash Foundation<br>Zero Waste USA   |

|--|---|--|----------|---|
| Mitigation, Safe Restoration, and Just Resilience Act of 2021. | 61(a)(8). (Last location was INACTIVE FILE on 6/3/2021)(May be acted upon Jan 2022) | level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions, and to update the plan not less than every 5 years. Under the act, a violation of a rule, regulation, order, emission limitation, emission reduction measure, or other measure adopted by the state board under the act is a crime. This bill would require the state board to ensure that statewide greenhouse gas emissions are reduced to at least 40% and up to 80% below the 1990 level by 2030. By expanding the scope of a crime, this bill would imposed a state-mandated local program. The bill would adopt a state policy to lead a global effort to restore oceanic and atmospheric concentrations of greenhouse gas emissions to preindustrial levels as soon as possible to secure a safe climate for all, and to restore community health and reverse the impacts from the damage and injustice climate change is causing to the people, the economy, and the environment of California. The bill would require the Secretary of the Natural Resources Agency, in coordination with the Secretary for Environmental Protection and the State Air Resources Board, and concurrent with the scoping plan, to develop a climate restoration plan that specifies carbon removal targets, before 2035, as necessary to facilitate achievement of those goals. This bill contains other related provisions and other existing laws. |          | 350 Humboldt<br>350 Sacramento<br>350 Silicon Valley<br>350 Ventura County Climate Hub<br>Alliance of Nurses for Healthy Environments<br>Better World Group; the California Alliance of Nurses for Healthy Environments<br>California League of Conservation Voters<br>Center for Climate Change and Health<br>Citizens Climate Lobby Ventura<br>Cleanearth4kids.org<br>Climate Action Campaign<br>Climate Center; the Climate First: Replacing Oil & Gas (CFROG)<br>Climate Health Now<br>Climate Reality Project, Los Angeles Chapter<br>Community Environmental Council<br>Environmental Working Group<br>Fossil Free California<br>Friends Committee on Legislation |

THIRD READING<br>1/4/2022-Read second time.<br>Ordered to third reading. | Existing law generally provides for the establishment, review, and termination of conservatorships. Existing law specifies the persons who may be appointed as a conservator and requires the court to review a conservatorship 6 months after the initial appointment of the conservator, one year after the appointment of the conservator, and annually thereafter. Existing law sets forth the powers and duties of a conservator for the care, custody, and control of a conservatee. This bill would require a conservator, within 30 days of appointment and within 30 days before a hearing to determine the continuation or termination of an existing conservatorship, to submit a care plan to specified persons regarding the care, custody, and control of the conservatee. The bill would require the Judicial Council to develop a form for the care plan, which would be required to include specified information, including descriptions of the conservatee's living arrangement and level of care and any plans to modify those within the next 12 months. The bill would impose sanctions for a conservator's failure to timely submit a care plan, including requiring the court to impose a civil penalty in any amount up to \$5,000, to be deposited into an unspecified fund, unless the court finds good cause to not impose a penalty. The bill would require the most recent care plan to be included within the court investigator's report, and would further require the court to review the most recent care plan in determining the continuation or termination of the conservatorship. |          | <b>Judiciary (text 4/5/2021)</b><br><b>Support</b><br>None<br><b>Oppose</b><br>None |

| <a href="#">SB 719</a><br><a href="#">Min D</a><br><br>Surplus land: exempt surplus land: eligible military base land. | 7/14/2021-A. 2 YEAR<br>7/14/2021- Failed Deadline pursuant to Rule 61(a)(11). (Last location was L. GOV. on 6/10/2021)(May be acted upon Jan 2022) | Existing law prescribes requirements for the disposal of surplus land by a local agency. Existing law defines terms for these purposes, including, among others, “surplus land” to mean land owned in fee simple by any local agency for which the local agency’s governing body takes formal action in a regular public meeting declaring that the land is surplus and is not necessary for the agency’s use. Existing law defines “exempt surplus land” to mean, among other things, surplus land that a local agency is exchanging for another property necessary for the agency’s use and surplus land that a local agency is transferring to another local, state, or federal agency for the agency’s use. This bill would deem certain land comprising of the Tustin Marine Corps Air Station to be exempt surplus land if specified requirements are met. In this regard, the bill would require at least 20% of the residential units that are permitted after January 1, 2022, to be restricted to persons and families of low or moderate income, and at least 15% of those units to be restricted to lower income |          | <b>Governance And Finance (text 3/10/2021) Support</b><br>Anton DevCo<br>Brookfield Residential<br>Building Industry Association of Southern California, Orange County Chapter<br>California Building Industry Association<br>Families Forward<br>HomeAid Orange County<br>Lincoln Property Company<br>Meta Housing Corporation<br>Orange County Business Council |

| <p><b>Senate Bill 2164</b><br/><br/>Rep. Julia Brownley (D-Ventura County)</p>                                 | <p><b>THE GREEN BUS ACT OF 2019</b><br/>The bill would increase funding for the federal zero-emission bus grant programs. The bill would also give preference to agencies that have an approved plan to move their bus fleets to all zero emission buses. Lastly, the bill would require that all federal funding be restricted to only zero-emission buses by 2029.</p>  | <p>House -<br/>Referred to the Subcommittee on Highways and Transit</p> |
| <p><b>H.R. 4101/S. 2404</b><br/><br/>Representative Karen Bass (CA-37) and U.S. Senator Kirsten Gillibrand</p> | <p><b>BUILD LOCAL, HIRE LOCAL ACT</b><br/>This bill would allow for geographic based hiring to take place on federally funded projects, among other provisions related to U.S. Employment Plan use, and transparency and accountability provisions related to Buy America. The legislation, if approved in its current form, would require the use of Local Hire on all federally funded infrastructure projects, not just projects funded through U.S. Department of Transportation. The bill includes an increase in the required set-aside for SBE and DBE participation for federally funded contracts. The bill also develops new best value procurement standards that give preference to bids that use the U.S. Employment Plan.</p> | <p>9/26/19: Board adopts a Support position</p>                         |
