PURPOSE OF CONTRACT

1.1 PARTIES TO THE AGREEMENT

This Agreement is entered into by and between the Southern California Rapid Transit District, (hereinafter referred to as the District), and the Transit Police Officers Association, (hereinafter referred to as the Association).

1.2 RESPONSIBILITIES OF THE AGREEMENT

The obligation that rests with the District to provide, and upon the employees of the District to render, honest and efficient service is recognized. A spirit of cooperation between the employees and the District is essential to efficient operation and both parties should so conduct themselves as to promote this spirit. The responsibility for success rests equally with the District and the employees. In this spirit, the District and the Union are desirous of effectuating an Agreement which will:

Provide for rates of pay, rules and working conditions of employees of the Transit Police Department represented by the Association;

Provide for the fair treatment of said employees;

Provide for the amicable adjustment of disputes which may arise out of the application or interpretation of this Agreement;

Provide for such other arrangements as may be deemed advisable by the parties to this Agreement in order to safeguard their respective interests, and establish and maintain harmonious relationships;

The parties recognize that this Agreement constitutes a Collective Bargaining Agreement between the parties and that the terms "Collective Bargaining Agreement" and "Contract" are synonymous and interchangeable. Except where the context makes the contrary appear clear, the term "Agreement" shall be deemed to include and refer to the term "Contract" and the term "Contract" shall be deemed to include and refer to the term "Agreement."

ARTICLE 2

CONTINUITY OF SERVICE TO THE PUBLIC

2.1 COMPLIANCE OF SERVICE WITH THE LAW

It is recognized that the parties are engaged in rendering public service and that they will comply with all applicable valid rules, regulations and laws of the governmental authorities; therefore, the parties contract that nothing contained in the Agreement shall be construed to conflict or be inconsistent or incompatible with such rules, regulations or laws. To the extent that any of the terms or provisions of this Agreement shall be in conflict, inconsistent or incompatible with any such rules, regulations, or laws presently in effect or to be enacted during the terms of this Agreement, they shall be void and invalid, but all other terms and conditions of this Agreement shall remain in full force and effect. Such invalid terms and provisions will be reconsidered and renegotiated by the parties within thirty days of the effective date of any such rules, regulations or laws.

2.2 STRIKES

During the term of this Agreement, neither the Association nor its members shall call or engage in any strike.

2.3 LOCKOUTS

During the term of this Agreement, the District shall not cause or permit any lockout of any of its employees.

ARTICLE 3

DISTRICT RIGHTS

3.1 INFRACTIONS OF RULES AND REGULATIONS

The Association recognizes that willful infractions of the District's Rules and Regulations will constitute cause for disciplinary action.

3.2 MANAGEMENT RIGHTS

It is understood and agreed that any of the rights, powers, or authority the District had prior to the signing of this Agreement are retained by the District except those specifically abridged, granted, or modified by this Agreement.

The management of the District and the direction of the working forces, including, but not limited to, the right to hire, suspend, or discharge for just cause, assign or transfer employees, adopt new or changed methods of performing the work, prescribe reasonable general work rules, and to contract out work, is vested exclusively in the District, and the District retains all rights that it legally had, subject to the restrictions of law or a specific provision of this Agreement.

ARTICLE 4

ASSOCIATION RIGHTS

4.1 RECOGNITION

The District recognizes the Association as the exclusive representative for the purpose of collective bargaining, with respect to rates of pay, wages, hours of employment, working conditions, for all permanent and probationary full-time sworn peace officer personnel of the Transit Police Department excluding Chief, Captains and Lieutenants.

4.2 "EMPLOYEE" DEFINED

The parties agree that the term "employee," wherever used herein, whether singular or plural, means and applies only to those employees of the District included within said bargaining unit.

4.3 DISCRIMINATION

The District and the Association agree that no employee shall be discriminated against on account of Association membership, non-membership, race, religion, national origin, or sex, or for any other unlawful reason whatsoever.

The District and the Association further agree that vacancies in the Transit Police Department shall be filled from the ranks of Unit employees whenever practicable. This in no way restricts the District from hiring outside the Department when there are insufficient qualified Transit Police Officers for consideration.

4.4 RELEASE TIME

The District recognizes that it is of benefit both to the District and the Association to permit the negotiating team for the Association leave from duty with full pay during scheduled working hours to participate in negotiating sessions with District representatives. Any employee participating in the meet and confer process during nonscheduled work

hours shall not be entitled to receive any pay or benefits from the District for such time spent in the negotiating session(s). A maximum of five paid and on duty employees, of which no more than two of the employees may be Sergeants, may be on the negotiating team at any one time. The limitation of five employees may be waived upon mutual consent.

The District recognizes the need for Association Members to travel out of town in order to attend seminars and meetings pertaining to Association business, and agrees to allow a total of 20 days each year which may be used by the Association members for this purpose.

This release time shall be without loss of pay, benefits or seniority, and without any other adverse employment related consequences for affected employees.

Scheduling permitted, the District shall make every effort to allow other Association members time off (without pay) to attend such seminars and meetings. Use of vacation and/or compensatory time may be permitted with the concurrence of the appropriate supervisor.

4.5

ACCESS

The District agrees to grant a designated Official Representative of the Association the access and right to discuss any grievance or problem arising under the terms of this agreement with the aggrieved employee or employees party to the grievance or dispute during working hours, provided advanced authorization has been obtained from the immediate supervisor of an employee who is on duty.

The concerned designated representative may leave his/her work during working hours with the permission of his/her immediate supervisor for the purpose of performing the following duties:

- A. To present a grievance for adjustment to the aggrieved employee's supervisor or watch commander when so requested by an employee represented by the Association.

B. To investigate any such grievance so that it can be properly presented to the employee's immediate supervisor or further processed.

If the duties performed by an on duty designated representative as described above, are performed where the concerned employee is incapacitated and cannot report to work, at his or her residence or a hospital, there will be no loss of pay for the designated representative for up to two hours per case. The time so spent must be scheduled in advance with the supervisor on the on-duty designated representative.

While engaged in Association business the Association Representative shall be considered off-duty and shall not use District equipment, except upon prior approval of the Watch Commander.

It is understood and agreed by the parties that each will cooperate with the other in reducing to a minimum the actual on-duty time spent by designated representatives in investigating, presenting or adjusting grievances or disputes.

The Associations may use District facilities for these purposes when such facilities are available and when permission for such use has been obtained from the proper authority.

No reprisals whatsoever shall be invoked against any employee for processing a grievance or participating in any way in the grievance procedure, unless said grievance is determined to be frivolous by an arbitrator.

The Association shall provide the District with the names of six employees who are designated to act as representatives. Said names may be updated from time to time to coincide with the elections of Association Officers. Nothing in this Agreement shall preclude a grievant from access to an outside professional representative in the processing or presentation of a grievance or problem arising under the terms of this Agreement.

EMPLOYEES BILL OF RIGHTS

8.1 PUBLIC SAFETY OFFICERS BILL OF RIGHTS

It is agreed that the procedural protections of the Public Safety Officers Bill of Rights be extended to all Unit employees and is incorporated into this agreement.

8.2 GOVERNMENT CODE CHAPTER 9.7 PUBLIC SAFETY OFFICERS:

3300. Short title:

This chapter is known and may be cited as the Public Safety Officers Procedural Bill of Rights Act.

3301. Definition; legislative findings and declaration:

For purposes of this chapter, the term public safety officer means all peace officers, as defined in Section 830.1 and subdivisions (a) and (b) of section 830.2 of the Penal Code, including peace officers who are employees of a charter city or county. The term public safety officer also means all persons employed by the State of California and designated by law as peace officer.

The Legislature hereby finds and declares that the rights and protections provided to peace officers under this chapter constitute a matter of statewide concern. The Legislature further finds and declares that effective law enforcement depends upon the maintenance of stable employee/employer relations, between public safety employees and their employers. In order to assure that such stable relations are continued throughout the state and to further assure that effective services are provided to all people of the state, it is necessary that this chapter be applicable to all public safety officers, as defined in this section, wherever situated within the State of California.

3302. Political activity; membership on school board:

- (a) Except as otherwise provided by law, or whenever on duty or in uniform, no public safety officer shall be prohibited from engaging, or be coerced or required to engage, in political activity.
- (b) No public safety officer shall be prohibited from seeking election to, or serving as a member of, the governing board of a school district.

3303. Investigations and interrogations; conduct; conditions; representation; reassignment:

When any public safety officer is under investigation subjected to interrogation by his commanding officer, or any other member of the employing public safety department which could leave to punitive action, such interrogation shall be conducted under the following conditions. For the purpose of this chapter, punitive action is defined as any action which may lead to dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of punishment.

- (a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the public safety officer is on duty, or during the normal waking hours for the public safety officer, unless the seriousness of the investigation requires otherwise. If such interrogation does occur during off duty time of the public safety officer being interrogated, the public safety officer shall be compensated for such off duty time in accordance with regular department procedures, and the public safety officer shall not be released from employment for any work missed.
- (b) The public safety officer under investigation shall be informed prior to such interrogation of the rank, name and command of the officer in charge of the interrogation, the interrogating officers, and all other persons to be present during the interrogation. All questions directed to the public safety officer under

interrogation shall be asked by and through no more than two interrogators at one time.

- (c) The public safety officer under investigation shall be informed of the nature of the investigation prior to any interrogation.
- (d) The interrogating session shall be for a reasonable period taking into consideration gravity and complexity of the issue being investigated. The person under interrogation shall be allowed to attend to his own personal physical necessities.
- (e) The public safety officer under interrogation shall not be subjected to offensive language or threatened with punitive action, except that an officer refusing to respond to questions or submit to interrogations shall be informed that failure to answer questions directly related to the investigation or interrogation may result in punitive action. No promise of reward shall be made as an inducement to answering any question. The employer shall not cause the public safety officer under interrogation to be subjected to visits by the press or news media without his express consent nor shall his home address or photograph be given to the press or news media without his express consent.
- (f) The complete interrogation of a public safety officer may be recorded. If a tape recording is made of the interrogation, the public safety officer shall have access to the tape if any further proceedings are contemplated or prior to any further interrogation at a subsequent time. The public safety officer shall be entitled to a transcribed copy of any notes made by a stenographer or to any reports or complaints made by investigators or other persons, except those which are deemed by the investigating agency to be confidential. No notes or reports which are deemed to be confidential may be entered in the officer's personnel file. The public safety officer being interrogated shall have the right to bring his own recording device and record any and all aspects of the interrogation.

- (g) If prior to or during the interrogation of a public safety officer it is deemed that he may be charged with a criminal offense, he shall be immediately informed of his constitutional rights.
- (h) Upon the filing of a formal written statement of charges, or whenever an interrogation focuses on matters which are likely to result in punitive action against any public safety officer, that officer, at his request, shall have the right to be represented by a representative of his choice who may be present at all times during such interrogation. The representative shall not be required to disclose, nor be subject to any punitive action for refusing to disclose, any information received from the officer under investigation for non-criminal matters.

This section shall not apply to any interrogation of a public safety officer in the normal course of duty, counseling, instruction, or informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or any other public safety officer, nor shall this section apply to an investigation concerned solely and directly with alleged criminal activities.

- (i) No public safety officer shall be loaned or temporarily reassigned to a location or duty assignment if a sworn member of his department would not normally be sent to that location or would not normally be given that duty assignment under similar circumstances.

3304. Lawful exercise of rights; insubordination; administrative appeal:

- (a) No public safety officer shall be subjected to punitive action, or denied promotion, or be threatened with any such treatment, because of the lawful exercise of the rights granted under this chapter, or the exercise of any rights under any existing administrative grievance procedure.

Nothing in this section shall preclude a head of an agency from ordering a public safety officer to cooperate with other agencies involved in criminal investigations. If an officer fails to comply with such an order, the agency may officially charge him with insubordination.

- (b) No punitive action, nor denial of promotion on grounds other than merit, shall be undertaken by any public agency without providing the public safety officer with an opportunity for administrative appeal.

3305. Comments adverse to interest; entry in personnel file or in other record; opportunity to read and sign instrument; refusal to sign:

No public safety officer shall have any comment adverse to his interest entered in his personnel file, or any other file used for any personnel purposes by his employer, without the public safety officer having first read and signed the instrument containing the adverse comment indicating he is aware of such comment, except that such entry may be made if after reading such instrument the public safety officer refuses to sign it. Should a public safety officer refuse to sign, that fact shall be noted on the document, and signed or initialed by such officer.

3306. Response to adverse comment entered in personnel file; time:

A public safety officer shall have 30 days within which to file a written response to any adverse comment entered in his personnel file. Such written response shall be attached to, and shall accompany, the adverse comment.

3307. Polygraph examination; right to refuse; effect:

No public safety officer shall be compelled to submit to a polygraph examination against his will. No disciplinary action or other recrimination shall be taken against a public safety officer refusing to submit to a polygraph

examination, nor shall any comment be entered anywhere in the investigator's notes or anywhere else that the public safety officer refused to take a polygraph examination, nor shall any testimony or evidence be admissible at a subsequent hearing, trial, or proceeding, judicial or administrative, to the effect that the public safety officer refused to take a polygraph examination.

3308. Financial disclosure; right to refuse; exceptions:

No public safety officer shall be required or requested for purposes of job assignment or other personnel action to disclose any item of his property, income, assets, source of income, debts or personal or domestic expenditures (including those of any member of his family or household) unless such information is obtained or required under state law or proper legal procedure, tends to indicate a conflict of interest with respect to the performance of his official duties, or is necessary for the employing agency to ascertain the desirability of assigning the public safety officer to a specialized unit in which there is a strong possibility that bribes or other improper inducements may be offered.

3309. Search of locker or storage space; consent; search warrant:

No public safety officer shall have his locker, or other space for storage that may be assigned to him searched except in his presence, or with his consent, or unless a valid search warrant has been obtained or where he has been notified that a search will be conducted. This section shall apply only to lockers or other space for storage that are owned or leased by the employing agency.

3309.5. Local public safety officers; applicability of chapter; jurisdiction; remedies:

- (a) It shall be unlawful for any public safety department to deny or refuse to any local public safety officer the rights and protections guaranteed to them by this chapter.
- (b) The superior court shall have initial jurisdiction over any proceeding brought by any local public safety officer against any local public safety department for alleged violations of this section.
- (c) In any case where the superior court finds that a local public safety department has violated any of the provisions of this chapter, the court shall render appropriate injunctive or other extraordinary relief to remedy the violation and to prevent future violations of a like or similar nature, including, but not limited to, the granting of a temporary restraining order, preliminary, or permanent injunction prohibiting the local public safety department from taking any punitive action against the local public safety officer.
- (d) This section shall apply only to local public safety officers who are peace officers as defined in Section 830.1 of the Penal Code, and shall not apply to public safety officers who are peace officers as defined in subdivisions (a) and (b) of Section 830.2 of the Penal Code.

3310. Procedures of public agency providing same rights or protections; application of chapter:

Any public agency which has adopted, through action of its governing body or its official designee, any procedure which at a minimum provides to peace officers the same rights or protections as provided pursuant to this chapter shall not be subject to this chapter with regard to such a procedure.

3311. Mutual aid agreements; effect of chapter upon:

Nothing in this chapter shall in any way be construed to limit the use of any public safety agency or any public safety officer in the fulfilling of mutual aid agreement with other jurisdictions or agencies, nor shall this chapter be construed in any way to limit any jurisdictional or interagency cooperation under any circumstances where such activity is deemed necessary or desirable by the jurisdictions or the agencies involved.

In the event that any provisions of the Agreement should be found invalid, unconstitutional, unlawful or unenforceable, the District and Transit Police Officers Association agree to renegotiate the provision, such renegotiation to commence within 30 days of such finding.

ARTICLE 21

LEAVES OF ABSENCE

21.1 PERSONAL LEAVE

A. SHORT TERM LEAVE

An employee covered by this agreement may, upon written permission from the Department, be granted a leave of absence of up to and including 15 working days, provided that the employee gives 48 hours advance notice prior to the commencement of the leave. Employees granted such a leave may use any accrued vacation time or floating holidays for compensation during such leave. Such personal leave may be used for the following reasons:

1. Illness in the immediate family which shall be defined for the purposes of applying this section of Article 21 as employee's spouse, dependent child or stepchild, parent or stepparent, if the employee's presence is required. Leaves granted for any reason stated in this paragraph will be considered a Leave of Absence as provided for by 21.1(E) Family Care Leave and will be included in the four months of Leave of Absence authorized under the Family Rights Act of 1991.
2. Personal emergencies where the employees must be away from work for a short period of time to resolve urgent personal business.
3. Inability to report for work because of natural causes, such as severe weather, earthquake, flood, fires, road conditions, which prevent the employee from reporting to work.

Such absences may be unpaid if the employee has no accrued time off available.

B. LONG TERM PERSONAL LEAVE

Leaves of absence of 16 consecutive calendar days or more may be requested by completing leave of absence Form RTD 3833, which must be approved by the employee's Department Head, the Director of Human Resources, the appropriate Executive Staff member, and the General Manager. The approval shall not be withheld for capricious or discriminatory reasons.

C. BENEFITS DURING PERSONAL LEAVE

Employees on Personal Leave of Absence of up to 90 days will continue to receive and accrue all their benefits. The employee on Leave of Absence more than 16 days shall be billed for normal life, dental and medical insurance premiums and any other employee benefits requiring payroll deductions during a period in which no gross pay is earned. Unpaid contributions will be collected upon returning to work, by taking double deduction until the unpaid balance is paid in full, providing that such double deductions do not constitute a hardship on the employee. In the event of such "hard-ship", arrangements will be made with the employee for the repayment schedule. In the event of a leave of absence in excess of 90 days, the employee who does not have paid time off accrued will be required to pay one-half the cost of medical, life, dental and long term disability insurance.

D. LEAVE OF ABSENCE BECAUSE OF ILLNESS OR INJURY

Employees covered by this Agreement who are disabled from their present position due to illness, injury, pregnancy or child birth are eligible for an extended leave of absence because of illness or injury for up to 12 months within any 18 month period from the last day worked without loss of seniority.

Upon requesting a medical leave of absence due to illness or injury an employee must submit documentation from his/her physician which certifies the disability and provides an expected return to work date, unless the absence is due to an emergency. In cases of emergency, the statement from the treating physician must be received within seven calendar days from the first day of absence.

Employees who are off work and are not expected to return to work for an extended period (30 calendar days or more) of time shall be placed on Indefinite Leave.

During the medical leave, the employee must submit, on a monthly basis, written documentation from his/her treating physician substantiating that the employee is physically unable to perform his/her regular duties. The monthly physician's statement must provide an expected return to work date.

While on leave of absence, the District will continue to provide the District paid portion of life insurance coverage and will maintain the employee in the medical, dental and vision insurance programs. Employees will be billed for their normal payroll deductions for pension contributions, supplemental life, accidental death and dismemberment insurance and dependent's medical, dental and vision coverage after they return to work.

The District or the Association may, within 30 days prior to the expiration of the one year leave, request further extension in meritorious cases where recovery appears probable and where such recommendation is made by the employee's physician and where an agreement is reached by the District's physician and the employee's physician recommending the extension of the leave. If there is disagreement as to the propriety of the extension, the parties may appoint a third physician to adjudicate the disagreement with the majority decision prevailing. Such costs incidental to obtaining and arriving at a decision from the third physician will be shared equally by the District and the Association.

E. FAMILY CARE LEAVE

Family Care Leave will be granted in accordance with District policy and in conformity with the Family Rights Act of 1991 and its attendant regulations.

F. BEREAVEMENT LEAVE

A Bereavement Leave of Absence of up to three consecutive working days shall be granted employees as a result of death in the immediate family without any reduction in pay.

An employee who has a death in the immediate family and who actually travels out of state to attend the funeral or memorial service will be allowed two additional days of bereavement leave for the purpose of travel, provided the funeral or memorial service is held at the time of the death of the relative. The travel days must be in conjunction with the date of the funeral or memorial service. Employees must present proof of travel and attendance at the funeral or memorial service.

The immediate family is considered to be the employee's parents (including stepparents or foster parents), grandparents, sisters, brothers, spouse and children; as well as his/her spouse's parents (including stepparents or foster parents), grandparents, sisters, and brothers; and grandchildren of the employee or the employee's spouse.

Employees may use accrued floating holidays and/or vacation in conjunction with bereavement leave with the approval of their supervisor.

G. MILITARY LEAVE

If an employee is drafted or voluntarily enlists in the Armed Forces of the United States or State National Guard, he/she will be placed on military leave with no loss of service credit. Employees with one or more years of District service at the time of entrance into regular military service are entitled to receive their usual compensation for their first 30 calendar days of military leave. Upon separation from military service, the employee must present the District with a copy of his/her separation papers (DD 214) and report for work within 90 days of the date of separation to be eligible for reinstatement to his/her former position. This applies only to the initial tour of active military service. Voluntary reenlistment lasting longer than one year will automatically terminate the employee's eligibility for reinstatement to the previously held job.

District employees who are members of a reserve component of the U.S. Armed Forces, State National Guard, or the Naval Militia, and who have at least one year of District or recognized military service* are entitled to a leave of absence under California Military and Veteran's Code, with pay for up to 22 working days each fiscal year while away on ordered Active Duty for Training at summer camps or cruises. Employees who are required to be on military leave must furnish the District Human Resources Department with a signed copy of the military orders, along with a Leave of Absence form, RTD 3833. Failure to submit proper documentation, including orders and Leave of Absence form, will result in salary payment being denied.

Employees are to notify their supervisors as far as possible in advance of anticipated military leave and, where possible, are to schedule such leave in accordance with the workload of their department.

Military leave with pay will not be granted for Inactive Duty for Training (weekend drills, appointments for physical exams, etc.). The District will allow employees to informally adjust their schedules, by trading days off with other employees to allow attendance at Inactive Duty for Training activities subject to management's approval.

*NOTE:

Recognized military service is full time service during a period in which the United States is at war, or a period when the Government has declared a state military emergency.

ARTICLE 22

SICK LEAVE

22.1 ACCRUAL

Employees earn 6.7 hours of paid sick leave after each two month period of service from their date of hire up to the fourth anniversary of employment.

Beginning on the fourth anniversary of employment and continuing up to the seventh anniversary of employment, employees earn 10.7 hours of paid sick leave after each two month period of service.

Beginning on the seventh anniversary of employment and continuing thereafter, employees earn 20 hours of paid sick leave after each two month period of service.

22.2 STATE DISABILITY INSURANCE

Sick leave may be offset by State Disability Insurance (SDI) or Workers' Compensation, where applicable.

When sick leave is paid in conjunction with SDI benefits or Workers' Compensation, the employee's monthly salary is converted to an hourly rate and he/she is paid the difference between the outside benefit and his/her days' normal pay. Only that portion of sick time actually paid to the employee is charged against accrued sick leave.

22.3 DOCTOR'S RELEASE

An employee may be required, at his/her supervisor's discretion, to bring a doctor's release upon returning to work when he/she is absent because of illness or injury. An employee will be required to submit a doctor's release if he/she has been hospitalized for any reason or if he/she is absent for three successive working days. This release should indicate the nature of the illness or problem for which he/she has been treated. Failure to present this doctor's release as requested may result in the employee being withheld from service without pay, sick pay, or other compensation until the release is presented.

If an employee becomes ill for more than three days during employee's scheduled vacation time such employee may submit a doctor's verification of the illness in order to utilize sick leave benefits instead of vacation time. The vacation missed will then be rescheduled at a later time.

HOLIDAYS

23.1 HOLIDAYS EARNED

All employees covered by this Agreement are entitled to 13 holidays each year, paid at eight hours of straight time rate of pay. They are:

New Year's Day
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Christmas Day
Employee's Birthday
Employee's Employment Anniversary
Five Floating Holidays*

*Earned as of June 1st of each year. One of the floating holidays is in lieu of Martin Luther King, Jr.'s Birthday.

23.2 FIXED HOLIDAYS

Of the 13 holidays earned each year, six are considered fixed, that is, they are official national holidays. These fixed holidays are to be taken on the designated official day unless required to work. If required to work on a holiday, an employee will receive 2½ times the straight time pay for such work. If a holiday falls on a regularly scheduled day off, the employee will be given a regular work day off in lieu of the holiday. If a holiday falls during vacation or bereavement leave, the employee will be given a regular work day off in lieu of the holiday. If a holiday falls on a Sunday, it will usually be recognized by giving the following Monday off. New Year's Day, Independence Day and Christmas Day will be recognized on Sunday, if these holidays fall on a Sunday. If a fixed holiday occurs while the employee is absent due to sickness or on a leave of absence, he/she will not be paid for that holiday. The employee must work eight full hours before and after a holiday to receive pay for it.

Employees who work voluntary overtime on a holiday shall receive 1½ times the straight time pay for work performed beyond their regular shift.

23.3

MOVABLE

The remaining seven holidays are considered movable. They are the employee's employment anniversary, birthday, and the five floating holidays. Employees may accumulate and carryover from year to year a maximum of three movable holidays a year. Movable holidays must be approved in advance by the Department Head or his or her designee. If District Management is unable to authorize an employee to utilize the movable holidays, any movable holidays remaining at year end in excess of the three which may be carried forward shall be paid off.

All holidays are guaranteed, which means that the employees earn holidays when they are on vacation, or during other approved paid leave(s) other than sick, and indefinite leave.

ARTICLE 24

VACATIONS

24.1 ANNUAL ACCRUAL:

Based on June 1st of each year, an employee will earn paid vacation as follows:

<u>AMOUNT OF SERVICE</u>		<u>AMOUNT OF VACATION</u>	
1	Year's Service	2	Weeks
5	" "	3	"
10	" "	4	"
15	" "	5	"
26	" "	6	"

24.2 PRO RATED

If an employee's hire date is other than June 1st, the employee's vacation is pro-rated at one-twelfth of two weeks for every month of service rendered since the previous June 1st.

24.3 VACATION CARRYOVER

Vacation should be taken prior to June 1st of the year following the date earned.

Employees earning two weeks vacation each year must take one week of vacation each year. They may either carry over one week of vacation each year or may request to be paid for the unused week of vacation.

Employees earning more than two weeks vacation each year must take two weeks vacation each year. Employees may request to be paid for any unused vacation or may carry over unused vacation. However, the total amount of vacation which may be carried over is limited to three weeks of vacation each year.

24.4 ABSENCES

Any employee, who by reason of illness, injury or leave of absence, is absent from his/her duties for 100 working days or less during the year's service, will be entitled to a full vacation.

An employee absent from his/her duties for more than 100 working days during the year will be entitled to only one-twelfth of his/her normal vacation for each month, or major fraction thereof, he/she worked.

An employee absent because of injury sustained while on duty will not be subject to this provision.

24.5

BIDDING

The sole factor for determining vacation benefits will be Departmental seniority in each job classification.

Bidding for vacation benefits will be conducted once a year.

Seniority privileges will prevail until April 1st of each year. Personnel who do not submit their vacation requests by April 1st will not be permitted to exercise seniority privileges.

Personnel may split their vacation into increments or take all of their vacation at one time. An increment is one day or a group of continuous days. If an employee chooses to split his/her vacation into increments, seniority privileges only apply to first choice increment. They would then have to wait until other members in the same job classification exercised their seniority choices. Once that is completed, the senior person could then exercise his/her seniority in choosing the second choice increment from among the remaining available vacation dates. This process would continue until all desired increments are used.

EXAMPLE: The highest seniority employee in a job classification is entitled to two weeks vacation and wishes to split it into increments of one week. The employee wants to use one week in June and one week in July. The employee could only use his/her seniority right for one of these choices. All other employees would then exercise their seniority rights to pick their vacations. Once this was accomplished, the highest seniority person could use his/her seniority right for his/her next increment. If the originally desired week has been picked by another person and it is unavailable for vacation approval, this employee would have to pick another increment date.

This example demonstrates that seniority does not apply to all increments of vacation entitlement, unless the increment reflected all vacation taken at one continuous time.

EXAMPLE: If the highest seniority person is entitled to two weeks vacation and wishes to take it all together at one time, his/her seniority privilege would entitle him/her to do so.

24.6

MODIFICATION:

Subject to approval of the appropriate supervisor, employees will be permitted to modify vacation dates in instances of proven emergencies only.

All grievances or disputes shall be considered finally settled and not subject to arbitration, unless a written demand for arbitration has been served as provided in this Article.

The parties may call any employee as a witness in any proceedings before the arbitrator and if the employee is on duty, the District agrees to release such employee so that he/she may appear as a witness. If an employee witness is called by either party, the party calling such employee will reimburse such employee for the time lost.

The arbitration shall be limited to issues specifically set forth in the written grievance which remains unsettled after the procedures set forth above have been exhausted and nothing in this Agreement shall be construed to empower the arbitrator to change any provision of this Agreement.

All arbitrators are requested to expedite their decisions as the parties normally expect a decision to issue within 20 days after the conclusion of the hearing.

The time limits referred to in this Article exclude Saturdays, Sundays and Holidays.

ARTICLE 31

LIFE INSURANCE

31.1 AMOUNT OF COVERAGE

Employees covered by this Agreement will continue to participate in the Non-Contract Group Insurance Plan and that plan is incorporated in this Agreement by reference. The plan covering these employees provides a minimum of \$25,000.00 of group life insurance paid for by the District. This may be convertible upon retirement to no less than \$12,500.00. The retired employee will pay the full cost of this insurance.

Should the amount of life insurance offered to the District's Non-Contract employees be increased, the employees covered by this Agreement will also receive the increased amount of life insurance. However, the amount of life insurance offered will not be less than \$25,000.

31.2 ACCIDENTAL DEATH AND DISMEMBERMENT

In addition, each employee will be covered by an Accidental Death and Dismemberment insurance policy in the amount of \$50,000.00 which will be paid for by the District.

31.3 PUBLIC SAFETY OFFICER BENEFIT ACT

New employees shall receive a brochure, during the Human Resources Department's orientation of new employees, informing them of the Public Safety Officer Benefit Act which provides a monetary benefit to the survivors of a peace officer killed on-duty.

The District agrees to take the administrative action necessary to assure this benefit is applied for in a timely manner.

ARTICLE 32

HEALTH INSURANCE

32.1 NATURE OR COVERAGE

Employees and dependents will be covered by the Non-Contract Health, Dental and Vision care program.

Effective January 1993 the District shall contribute \$404 per month per employee to the Non-Contract Health, Dental and Vision Care program. The employee contributions are as follows:

Single: \$15 per month
Couple: \$40 per month
Family: \$60 per month

Effective January 1, 1994 the District shall contribute a maximum of \$420 per month, per employee to the Non-Contract Health, Dental and Vision Care program. If the average cost of the insurance is more than \$420 per month, per employee, the employee contributions will be increased to cover the difference.

Effective January 1, 1995 the District shall contribute a maximum of \$460 per month, per employee to the Non-Contract Health, Dental and Vision Care program. If the average cost of the insurance is more than \$460 per month, per employee, the employee contributions will be increased to cover the difference.

Employee contributions to the Non-Contract Health, Dental and Vision Care program will be deducted from the employee's paycheck on a pre-tax basis.

Employees presenting evidence of medical coverage other than that provided by the District, may elect to not be covered by the District's Health, Dental and Vision Care program. Employees must either elect coverage in all three (Health, Dental and Vision Care) or none of the three. Employees electing no coverage will receive the same "rebate" as that given to Non-Contract employees.

ARTICLE 33

RETIREMENT AND INJURED ON DUTY PAY

33.1 RETIREMENT PLAN

The District and Association agree to meet in good faith to discuss the different retirement plan options.

Until such time as the District and the Association agree to implement a new retirement plan, as provided below, employees covered by this Agreement will continue to be enrolled in the Southern California Rapid Transit District Non-Contract Retirement Income Plan, will continue to receive all benefits as are accorded Non-Contract employees, and will not make any contributions to the District Retirement Income Plan.

A committee consisting of one representative of the Transit Police Officers Association, one representative of the District's Human Resources Department and one representative of the District's Employee Relations Department will be formed to work with a Consultant and Actuary, hired by the District, to consider retirement plan options for those employees covered by this Agreement. The committee will:

- *assist the Consultant in developing goals and objectives for a retirement plan;
- *review and provide input into the retirement plan design;
- *review the cost of the plan as designed; and,
- *suggest alternatives to obtain a program containing the elements desired for the price desired.

The Consultant and Actuary shall complete their work for the parties as expeditiously as possible and in no case later than August 1, 1993.

Actuarial cost methods and assumptions to be used by the Consultant and Actuary will be determined by the District to fully fund the plan and will be the basis for determining the annual employee contributions, if any.

For each year that a new retirement plan is operative during the term of this contract, the District will contribute to the new retirement plan no more than 5.27% of the gross salary for each employee covered by this Agreement, but will not contribute to both the new plan and the current Non-Contract Plan on behalf of employees covered by this Agreement. Any costs over and above the District's contributions will be paid by the employees.

Both the District and the Association retain the right to reject any new plan developed and retain the current Non-Contract Plan. However, provided there is no added cost to the District and the new plan is in accordance with acceptable accounting, actuarial and pension standards, the District will not unreasonably reject a new plan. If by February 1, 1994, the District and Association have not agreed to implement a new retirement plan option, the District will be under no further obligation to consider any changes to the retirement benefits of employees covered by this Agreement.

None of the provisions of this section shall be subject to the grievance/arbitration process contained in Articles 29 and 30.

33.2 INJURED ON DUTY PAY

In the event a Transit Police Officer is physically injured in the line of duty, while involved in an interrogation, apprehension, arrest, assault, engaged in preventive patrol while in a vehicle or similar activity, such injury resulting in loss of time, the District shall compensate the employee for 100% of time lost from work for the first six months of disability and 80% of the time lost for the following six months. Payment will be limited to a maximum of one year after the date of any one incident. During this period of absence, the basis of payment will be as shown above less Workers' Compensation benefits. Medical verification must be provided, and the proper reports must be filed in conjunction with the injury, pursuant to the Rules of Practice and Procedure for the W.C.A.B.

33.3 LONG TERM DISABILITY

At the conclusion of the six month period, the employee will be covered by the Long Term Disability Insurance policy provided by the District. However,

any employee receiving Injured on Duty Pay as specified in 33.2 above will not be covered by the Long Term Disability Insurance policy provided by the District until he/she is no longer receiving Injured on Duty Pay.

33.4

INDUSTRIAL INJURIES

It is further understood that industrial injuries that can be occasioned by an employee of the District such as falling on stairs, slipping on pavement, and similar injuries that do not occur during the line of duty, incidents described in Section 33.2 above will not be compensated in accordance with this Article, but instead will be covered only by Workers' Compensation.

ARTICLE 34

OJT PREMIUM

34.1 FIELD TRAINING OFFICER

Unit members classified as Transit Police Officers who are designated as a Field Training Officer (FTO) of record to train a new recruit, shall receive a premium of 5% above the abuse rate while engaged in such training.

34.2 LIMITATIONS

This shall be in addition to any other compensation provided under any other provision of this Agreement. This premium does not include those personnel who on occasion may be required to work with a recruit due to the absence of the FTO of record.

ARTICLE 35

MAILING OF PAYCHECKS

35.1 DISTRICT'S RESPONSIBILITY

Each Unit employee shall have the right, at no cost to the employee, and at the discretion of the employee to have his or her paycheck mailed to his or her private residence or mailing address.

35.2 DIRECT DEPOSIT PROGRAM

Upon request, Association members may elect to participate in the "direct deposit" of pay checks into their respective bank accounts.

The District is not obligated to provide for direct deposits and may either change or discontinue the program without prior notice to either the Association or its members.

In no event shall the District, its representatives or agents, be liable for consequential damages which may be incurred due to delays in deposit or failure to deposit or discontinuance or modification of the program.

In the event of a delay in deposit or failure to deposit, the affected employee will be issued a pay check within seven days of the employee's notification to the District of the delay or failure to deposit.

ARTICLE 36

TRAINING

36.1 DETERMINATION OF TRAINING

The SCRTD shall insure that its Transit Police Officers are adequately trained to perform their duties as determined by the Transit Police Chief in accordance with P.O.S.T. standards as they apply to the Transit Police Department.

ARTICLE 37

TERM OF AGREEMENT

37.1 TERMINATION

Except as otherwise provided herein, this Agreement shall be made effective as to wages and all other items to be effective December 17, 1992 and shall remain in full force and effect to and including October 29, 1995, and shall continue in full force and effect thereafter, unless notice in writing of termination has been served by either party upon the other not later than 90 days prior to October 29, 1995. If neither party serves such notice of termination, this Agreement, after October 29, 1995, may be terminated by either party by serving notice upon the other not later than 90 days prior to the time it is proposed to make such termination.

37.2 REQUEST TO MODIFY

Any requests to modify or change this Agreement, or any portion thereof, shall be made in writing and shall be served on the other party not later than 90 days prior to October 29, 1995, and in the event the Agreement is in effect after such date by reason of the provisions of Section (a) hereof, not later than 90 days prior to the time it is proposed to make such change or modification.

ARTICLE 38

COMPENSATION

38.1 The Salary Schedule for Transit Police Officers and Sergeants incorporated in this Agreement as Appendix A reflects the salary schedule in effect with the signing of this Agreement.

Effective October 30, 1993 each step of the salary schedule shall be increased by 3.5%.

Effective October 30, 1994 each step of the salary schedule shall be increased by 3.5%.

ARTICLE 39

PROBATIONARY PERIOD

39.1 LENGTH

Except for Transit Police Officer Trainees, Employees newly hired into a Unit position or promoted into a Unit position shall serve a twelve month probationary period. Either the new hire or promotional probationary period can be extended with the concurrence of the Association and the District.

The probationary period for Transit Police Officer Trainees will begin at the completion of police academy training or as of their start date if police academy training is not required.

Periodic performance reviews will be conducted with employees on either a new hire or promotional probationary period. New hire probationary period evaluations are not subject to the grievance procedure.

Employees who do not successfully complete a new hire probationary period will be terminated without the right of appeal through the grievance procedure.

Employees who do not successfully complete a new hire probationary period will be terminated without the right of appeal through the grievance procedure.

Any employee who is unsuccessful in completing a promotional probationary period will have the opportunity to discuss the deficiencies in his/her job performance with the supervisor and Association representative. If it is determined by management that the employee is not meeting the performance standards of his/her position, he/she will be removed from the position.

An employee who is promoted to a position which is within the Transit Police Department, but is outside the jurisdiction of this Agreement, may return to the position previously held under the following conditions:

1. During the promotional probationary period, management determines the employee is not meeting the performance standards of the position.

2. This does not apply to employees who have completed the promotional probationary period nor to employees who are terminated for misconduct.

This provision only applies to an employee who has met the Association's requirement to maintain his/her membership in said organization.

39.2

FALSIFICATION OF RECORDS

It is understood that evidence of falsification of application for employment shall subject the employee to removal from service, if such evidence is discovered within twelve months of date of employment. After twelve months of service the falsification must be of substantial current significance in order to subject the employee to discipline or discharge.
