- 3) The Authority may establish Customer Centers as bilingual locations to be determined by management. In a bilingual location all employees who are successful on the verbal proficiency test for the approved language shall be paid a seventy-five cents (75¢) per hour bilingual differential. Management will determine the Customer Centers to be designated bilingual locations.

In situations where an employee is required by management to work at another location other than the assigned bilingual location, he/she shall retain the seventy-five cents (75¢) per hour bilingual differential. The bilingual differential will not apply when employees: (1) change classification in exercise of seniority choice to take assignments, or after displacements in a non-bilingual location; (2) are assigned to fill vacancies or new positions under the provisions of Article 15 at a non-bilingual location.

assigned position for a period of twelve (12) months from the completion of their training period.

d) **DIRECT DEPOSIT**

TCU represented employees will be afforded the opportunity to participate in the Direct Deposit Program.

ARTICLE 4

RATING POSITIONS

- a) The Authority will meet with the Union to establish the wage rates for new positions which are within the scope of this Agreement. The wages for new positions shall be in conformity with the wages for positions of a similar kind within the scope of this Agreement. If the parties are unable to meet and reach an agreement within twenty-days (20), from the date the Authority notifies the Union of such proposals, the Authority may then implement the new classification and rate, the Union retains the right to grieve any base rate the Authority then establishes or violation of 4 d) below or any other provision of this Agreement.
- b) Positions (not employees) shall be rated for pay purposes and the transfer of rates of pay from one (1) position to another shall not be permitted.
- c) Employees temporarily or permanently assigned to higher rated positions shall receive the higher rate while occupying such positions. - d) Established positions shall not be discontinued and new ones created under different titles covering relatively the same kind of work for the purpose of reducing the rates of pay or evading the application of these rules. The Authority shall not transfer work and/or duties from one position to another position that has a different title or work location except by agreement between the Authority and the Union. This does not preclude the transfer of work within the same office, nor the temporary assignment of other duties to any position.

ARTICLE 5

ARTICLE 11

SENIORITY

- a) Except as provided in (e) below, seniority with the Authority begins at the time the employee's pay starts on the seniority roster where service is first performed. Such seniority when established shall thereafter govern such employee bidding or displacing on that particular roster.

- b) When two (2) or more employees enter upon their duties at the same hour, on the same day, on the same roster, they shall be listed on the roster in the order (hour and date) that they passed the physical examination required of new employees of the Authority.

- c)
 - 1) An employee bidding from his/her original roster to a new roster, shall retain his/her name and seniority date of his/her original roster, and shall establish a new seniority date on the new roster, effective as of the date of assignment.

 - 2) In the event such employees are affected by an account force reduction or the exercise of seniority rights in the new seniority roster they must exhaust their rights in the new seniority roster before being permitted to displace a junior employee in their original seniority roster, except they will not be required to displace on a position on the new seniority roster which pays a lesser rate than a position to which their seniority entitles them and for which they are qualified on their original seniority roster.

 - 3) An employee bidding a new seniority roster will, after the expiration of six (6) months, be permitted to bid for a position or vacancy bulletined (under the provisions of Article 15 (d) in his/her original seniority roster using his/her original seniority roster seniority date).

 - 4) Employees will not accumulate seniority on more than two (2) seniority rosters, the original seniority roster and the roster to which last transferred (the new/current roster). In the event of one (1) or more additional transfers, any seniority previously established on a seniority roster other than the employees original roster will be forfeited upon completion of such transfer except when the employee elects to retain seniority status on previous roster to which transferred, in which event he/she will forfeit seniority on the original

roster and the roster on which he/she elects to retain seniority will then become his/her original roster. Such elections must be filed in writing with Authority officer bulletining positions on roster employee elects as his/her original roster, copy to Local Chairman and Authority officer bulletining positions on roster where seniority is forfeited.

- 5) Employees returning to original seniority roster, unless furloughed from his/her current roster, will forfeit seniority on current roster.
- 6) An employee furloughed from current roster will be permitted to return to his/her original roster without forfeiture of seniority on current roster; however, if called back to work under Article 15 (g) on his/her current roster, he/she will report within time prescribed or forfeit his/her seniority on current roster.
- 7) An employee furloughed from current roster will be allowed to displace the junior employee on another roster, provided they hold a seniority date secured under a TCU covered position taking same seniority date of employee being displaced, standing immediately ahead of displaced employee. Furloughed employees will be permitted to displace on a roster in line with the following formula:

To determine the number of furloughed employees that may displace on any roster, the formula shall be:

- (a) Immediately prior to a furlough, the number of employees in the Authority covered by the Agreement will be determined by roster and that number shall be reduced to the percentage total of the whole.

Hypothetical Example:

As of January 31, 1982, the Authority/TCU workforce was composed of 500 employees and the breakdown of Rosters 1 and 2 is as follows:

Roster #1

60 employees out of
500 = 12%
of workforce

Roster #2

40 employees out of
500 = 8%
of workforce

On February 1, 1982, the Authority's financial situation was such that twenty-five (25) employees were laid-off and each roster would be effected in the following manner:

Roster #1

Only twelve percent (12%) of twenty-five (25) employees would be allowed to displace onto this roster.

Twelve percent (12%) of twenty-five (25) employees equals three (3) employees permitted to displace on Roster #1.

Roster #2

Only eight (8) percent of twenty-five (25) employees would be allowed to displace onto this roster.

Eight (8) percent of twenty-five (25) employees equals two (2) employees permitted to displace on Roster #2.

- (b) When a reduction is made, the furloughed employees may displace on another roster up to the percentage of that roster in relation to the whole.
 - (c) Furloughed employees will be recalled to positions in their seniority roster order. If occupying a position on a roster due to having been furloughed, he/she shall forfeit seniority and vacate the position secured as a result of making a displacement in furlough status.
 - (d) An employee that has been bumped to a third roster or was placed out of service must accept a position on the home or current roster, if a vacancy occurs on either roster, or forfeit that roster seniority. If the employee voluntarily returns to the home roster, he/she forfeits seniority on the other rosters. If the employee is forced to accept a position on the home roster, he/she is allowed to maintain seniority twelve (12) months on the second roster from the date he/she was bumped from the second roster.
- d) Employees voluntarily leaving the service will, if they reenter the service, be considered as new employees.
- e) It is understood that the Authority will hereafter require any employee desiring to qualify as a Customer Service Agent to become qualified at all Authority operated Customer Centers, the Reduced Fare Office, the Lost &

Found Office and the Stockroom before he/she is considered to have completed his/her qualifications and thereby establish a seniority date on Roster No. 1.

- f) See Article 20 for employees who accept Non-Bargaining Unit positions or positions in another craft.

- g) In the event of a furlough, and there are employees in PAD positions who have less seniority than an employee on the roster identified for furlough, the PAD position will be reposted and filled in accordance with Article 15.

ARTICLE 12

SENIORITY ROSTERS

- a) Seniority rosters will show name and seniority date of each employee entitled to hold seniority on these rosters regardless of whether the employee is presently covered by the rules of this Agreement or occupying an official or excepted position. Rosters will be revised annually and posted during the month of January in places accessible to the employees affected. Upon presentation of proof of error by an employee or his/her representative, such error will be promptly corrected.

ARTICLE 13

TRANSFERRING

- a) Employees transferred with their positions from one seniority roster to another shall retain their positions and seniority. See Article 11 - Seniority.

- b) When Departments or organizations within a Department are reorganized, changed, modified or reduced causing a seniority roster to be extended or reduced, the Union and the Employee Relations Department shall meet to determine the appropriate roster, implementation plan and protection for the affected employees.

ARTICLE 14

PROMOTIONS, ASSIGNMENTS AND DISPLACEMENTS

- a) Promotions, assignments and displacements under these rules shall be based on seniority, fitness and ability; fitness and ability being sufficient, seniority shall prevail.
- b) Sufficient is intended to more clearly establish the right of the senior employee to a new position or vacancy, or make displacement where two (2) or more employees have adequate fitness and ability.
- c) All employees will exercise roster seniority for selecting vacations, bidding or displacing purposes and Authority seniority, insofar as length of vacation and other benefits are concerned.
- d) When Management elects to train an employee as an extra Customer Service Agent or extra Service Director the senior employee under the provisions of this Agreement with sufficient fitness and ability who has a written request on file shall be trained. Employees breaking in as an extra Customer Service Agent or extra Service Director outside their assigned hours or on their rest days shall be compensated at eighty-five percent (85%) of the established rate of the position on which he/she is breaking in. It is understood and agreed that such break in pay shall be paid at the pro rata rate.
- e) An employee who wishes to bid back into a position from which the employee has been gone for a period of more than twelve (12) months must satisfy the minimum qualifications for the position which are in effect at the time of return and will be required to pass a job-related skills test if the job has substantially changed since the employee last held the position.
- f) A representative of the Human Resources Department, upon request from a TCU member, will meet at a mutually agreed time, to discuss the areas of strengths and weaknesses identified as a result of the member's participation in the Authority's selection process.

- g) The Authority has available in-house training programs and benefits to all of its employees for the purpose of improving their skills and increasing their promotional opportunities. These training programs and benefits are made available to all employees, including TCU members, through the Employee Development Section of the Human Resources Department. TCU members are encouraged to take advantage of these training programs and benefits.**

ARTICLE 15

FILLING OF POSITIONS

- a) All new positions and known vacancies exceeding thirty (30) days that are to be filled (except temporary vacancies not exceeding thirty (30) days duration, as covered by Article 7), shall be promptly filled, as described below. The Authority will post vacancies of employees on leave of absence as temporary for one hundred eighty (180) days or less. After one hundred eighty (180) days of absence the vacancies will be posted as permanent.
- b) Except when changes in rates result from negotiations for adjustments of a general character, the changing of the rate of a position shall require it to be treated as a new position and filled as described below, unless otherwise agreed between the parties signatory to this Agreement.
- c) An employee may make a total of three (3) moves during a twelve-month period. A fourth move will be permitted if it is to a higher rated position.
- d) It is understood that an employee may turn down a specific vacancy, up to and including the time and date the employee is advised he/she is awarded the position, without jeopardizing consideration for a similar position in the future.
- e) Each department has the option to select any of the three (3) methods listed below in section f) to fill vacant positions. Each department may change the method of filling vacant positions two (2) times per year. Thirty (30) days prior to the effective date of the change, the department will notify the Union and each employee on leave of absence on the affected roster of such change.

f) METHODS OF FILLING POSITIONS BY ROSTER SENIORITY

1) PRE-BIDS

This is the process whereby employees have on file written notice to be considered for specific vacancies, and only those employees that have written notification on file will be considered for the vacancies.

- (a) Employees wishing to be considered for future vacancies on their active roster must submit that intention in writing to the appropriate Department Head. Employees must submit a bid notice for each position for which they would like to be considered.
- (b) The bid notices will be maintained in a special file and when a vacancy occurs only those employees with a bid notice on file will be considered for that position.

2) CANVASSING

This is the process whereby the department fills vacancies by verbally contacting employees in seniority order to notify them of the available vacancy.

3) POSTING

This is the process whereby the department bulletins vacant positions for Roster Seniority choice using the general guidelines described in Section g) below.

If vacant positions are not filled after using the methods listed in Section f), Section g) will apply.

g) METHOD OF FILLING POSITIONS AUTHORITY-WIDE

- 1) The ultimate vacancy will then be bulletined in accordance with a) below. At the same time, notice will be posted on the bulletin board in the department or roster involved, showing names and seniority dates of employees accepting the positions. If a vacant position has been posted according to this Article and results in the hiring of a new employee from outside the Authority and he/she vacates the position within the first thirty (30) days, that vacancy shall be exempted from reposting, and another new employee shall be hired. However, if this second new employee vacates the position within the first thirty (30) days, the position shall be reposted.

- (a) When the procedure described in f) above has been completed, the ultimate vacancy will be bulletined for seniority choice. The bulletin will show:

General Description of Duties

Location of Position
Title of Position
Hours of Service
Rest Days
Rate of Pay
Time & Date of Closing Bids
Job Identification Number

- (b) Bulletins will be posted in places accessible to all employees affected, and will be open for bid for a period of four (4) consecutive days. Bids will first be accepted from employees on the roster holding seniority on the roster where vacancy occurs; second, from employees on other seniority rosters, as outlined in Article 12.
 - (c) Bids for such positions will be filed with the designated Department Head within four (4) days from date of issuance of bulletin.
 - (d) The award of the position to the successful bidder will be made within four (4) days, excluding Saturdays and Sundays, after the closing day of receiving bids, and the name and seniority date of the successful applicant will be posted for a period of four (4) days where the position was bulletined.
- 2) The successful bidder will be placed on the job as soon as qualified relief is available and, in any event, within ten (10) calendar days after date of award bulletin or acceptance of the position. An employee not placed in the position within the ten (10) days mentioned above, will thereafter receive the higher of the two rates and in addition will be paid fifteen dollars (\$15) each work day of the position occupied until placed in the new position. This restriction shall not apply within the Customer Relations Department.
- 3) In the event the successful bidder is moving within the same classification where there is no salary increase involved, the bid made only for the purpose of changing position, job location, days off, or hours of assignment, and the employee is not placed on the position awarded within ten (10) days from the date of award, the successful bidder shall be paid fifteen dollars (\$15) per work day as a penalty for each work day withheld from the position after the expiration of the ten-day period. This penalty shall not be applicable on days which the employee is unavailable for work due to sickness, leave of absence, vacation, or a holiday.

- 4) In the event no bids are received from senior employees for bulletined positions, the Authority shall assign the senior qualified furloughed employee within the scope of the roster where this vacancy exists or where the new position has been created, and such employee will, thereafter, be considered the employee regularly assigned to such position.
- h) Shake-ups for Customer Information Agents under the Customer Relations Department will be conducted in the following manner:
- 1) Shake-ups will be held in the months of April and October of each year. The dates of these shake-ups may be changed by mutual agreement with the representatives of the Union and the Authority. No more than nine (9) employees will be permitted to bid out of the Information Department between shake-ups. Roster seniority shall prevail in determining which employee shall be permitted to leave the Department.
 - 2) Schedules of shifts will be posted one week in advance of shake-ups and employees on sick leave or leave of absence will not be notified of the shake-ups unless the established dates for holding the shake-ups have been changed.
 - 3) Assignments will be divided into two categories:
 - (a) Regular assignments that have scheduled hours and scheduled days off.
 - (b) Extra full-time assignments (including vacation relief positions) that do not have scheduled hours or scheduled days. In this connection, it is the intent of the Authority to have a number of extra full-time assignments to make sick, vacation, and emergency reliefs in the Information Section. On the Friday preceding the Sunday of each week, these positions will be assigned, on the basis of seniority and qualifications, to cover open regular assignments. The junior available qualified employee may be reassigned to cover vacancies that occur during the work week. The extra full-time assignments (including vacation relief positions) when vacated, if to be filled, will continue to be bulletined under (3).
 - 4) During the interval between shake-ups, weekly bidding will be permitted. All known vacancies of thirty (30) days or more in duration will be put up for bid by 11:00 A.M. each Tuesday and

closed on Thursday, to be effective the following Sunday. Any employee may bid an open shift in the weekly bid except only one bid will be allowed between each shake-up into a position for which the bidder is not qualified. When an employee's position is abolished, a shake-up will be held on all jobs held by employees junior in seniority to the employees whose position is abolished.

- 5) If an employee returns to work from a leave of absence and a shake-up has been held during the employee's leave of absence, the employee will be given an assignment (shift and days off) which the employee indicates he/she would have bid and the employee's seniority would have allowed. However, if such an assignment cannot be given due to staffing levels, the employee will be permitted to displace any junior employee, and the employee displaced shall have the same right.
 - 6) When employees bid a new assignment through the weekly bidding process, the vacancy thus created will go up for bid in the following weekly bidding process, except at regular shake-ups.
 - 7) If other rules of the Agreement are in conflict with the conditions outlined in this Section (h), this Section (h) shall govern.
- i) Shake-ups for General Services employees under the General Services Sections will be conducted in the following manner:
- 1) Shake-ups will be held in the months of February and August of each year. The dates of these shake-ups may be changed by mutual agreement with the representatives of the Union and the Authority.
 - 2) Schedules of shifts will be posted one week in advance of shake-ups and employees on sick leave or leave of absence will not be notified of the shake-ups unless the established dates for holding the shake-ups have been changed.
 - 3) Assignments will be divided into two categories:
 - (a) Regular assignments that have scheduled hours and scheduled days off.
 - (b) Extra full-time assignments (including vacation relief positions) that do not have scheduled hours or scheduled days. In this connection, it is the intent of the Authority to have a number of extra full-time assignments to make sick, vacation, and

emergency reliefs in the General Services Department. On the Friday preceding the Sunday of each week, these positions will be assigned, on the basis of seniority and qualifications, to cover open regular assignments. The junior available qualified employee may be reassigned to cover vacancies that occur during the work week. The extra full-time assignments (including vacation relief positions) when vacated, if to be filled, will continue to be bulletined under f) 3).

- 4) If an employee returns to work from a leave of absence and a shake-up has been held during the employee's leave of absence, the employee will be given an assignment (shift and days off) which the employee indicates he/she would have bid and the employee's seniority would have allowed. However, if such an assignment cannot be given due to staffing levels, the employee will be permitted to displace any junior employee, and the employee displaced shall have the same right.
 - 5) If other rules of the Agreement are in conflict with the conditions outlined in this Section (i), this Section (i) shall govern.
- j) Employees hired subsequent to the date of this Agreement shall initially be required to remain in a position for ninety (90) days before being allowed to bid on another position, except for Mopper Waxer, Janitors, Custodians, or Stock Clerks moving to a position with the same title.
- k) Because of the difficulties in filling vacancies, until such time as these vacancies are filled in accordance with the terms of this contract, these vacancies may be filled from the On-Call Pool.
- 1) An On-Call Pool will be established by the Human Resources Department. An eligibility list will be established. On-Call employees will remain on the eligibility list for a period of one year from the date of the last assignment unless the On-Call employee is hired into a regular position with the LACMTA or requests to be removed from the eligibility list.
 - 2) The Authority will contact the Placement Coordinator of the TCU Advance Training School to recruit employees for the On-Call Pool, but recruitment is not limited to this source.
 - 3) On-Call employees will be paid the starting level rate for the classification being worked for each hour worked.

- 4) On-Call employees will not be used to absorb overtime work or to evade filling a vacancy or the establishment of a new position. Overtime will not be offered to On-Call employees until the overtime provisions of Article 7 have been exhausted.
- 5) On-Call employees may also be used to fill short vacancies in accordance with Article 7.
- 6) On-Call employees will be eligible to participate in Authority in-house training programs during off-duty hours.
- 7) After thirty (30) days worked, whether or not consecutive, from the date the On-Call employee entered service, the On-Call employees shall become members of the Union. However, the Union initiation fees will be waived until such time as the On-Call employee is placed in a regular permanent TCU position.
- 8) The Authority will provide the Union notification of employees entering the On-Call Pool and upon their reaching thirty (30) working days of employment. The Authority will provide the On-Call employee a copy of this Article and the name and telephone number of the designated TCU representative.
- 9) On-Call employees on the eligibility list described in 1) above may bid on jobs posted Authority-wide and will be given preference for regular positions over outside applicants provided they meet the minimum requirements of the position.
- 10) On-Call employees shall be subject to the Preamble and Articles 1, 2, 3, 5, 7, 8, 10, 15, 17, 27, and 42 of the collective bargaining agreement.
- 11) If Human Resources is unable to recruit qualified applicants for the On-Call Pool for particular positions, the Authority will notify the Union and meet to attempt to resolve the Authority's problem. The number of On-Call employees will be limited to fifteen (15) working at the Authority at any one time. However, either the Authority or the Union may request to meet and discuss expanding or reducing the number of On-Call employees used to adequately meet the Authority's needs or to discuss concerns about the application of this On-Call Pool procedure.

- l) When an employee is awarded a position pursuant to this article, his/her former position will be considered vacant and if the Authority determines to fill the vacancy the selection procedure shall commence within five (5) days. An employee awarded a position under the provisions of this article will be required to accept the assignment. The employee who vacated the position will not be considered for that vacancy, except in the event there are no other qualified applicants on the seniority roster.

ARTICLE 16

POSITIONS ABOLISHED, DISPLACEMENTS AND REDUCTION IN FORCE

- a) An employee whose position is abolished or is displaced, may displace a junior employee on the current roster or may displace on original roster as provided in Article 11(c)(2) or may bump/displace into a vacant position on the current roster if the vacancy has been posted Authority wide.

Employees must exercise such displacements in writing, which may not be changed, within thirty-six (36) hours from the date and time he/she is notified in writing of the displacement. Employees making displacements will be provided the roster of employees that includes locations, hours, rest days, and job titles to determine who they will displace. For the purpose of this agreement the thirty-six (36) hours will exclude Saturdays, Sundays and Holidays.

- b) When an employee is assigned to a temporary vacancy, such employee may, at the conclusion of such assignment, return to his/her permanent assignment if still existing, or displace on any position held by a junior employee that was filled under Article 15 while he/she occupied this temporary vacancy. If the permanent assignment no longer exists or has been taken by a senior employee in the exercise of seniority, such employee may displace any junior employee on his/her roster.
- c) An employee laid off on account of reduction in force, or through displacement, shall have his/her name carried on the seniority roster without the status of an employee for twelve months, and shall be given preference in the order of seniority, subject to qualifications, over other employees when the force is increased or vacancies occur. Employees desiring to avail themselves of the provisions of this Section must file their address (unless their correct address is on file) with the Human Resources Department at the time of reduction and advise promptly of any changes in address. Employees failing to advise promptly of change of address, or to return to service within fifteen (15) days after being notified to do so, or furnish satisfactory reasons for not doing so, will forfeit their accumulated seniority.

- d) If the employees covered by this Agreement are furloughed, their seniority will be affected as follows:
- 1) If recalled to a roster under the TCU Agreement where the employee holds no seniority, such employee's seniority on home roster(s) will be held in abeyance for up to twelve (12) months so long as the employee works on a position on the new roster.
 - 2) If while occupying a position as described in (1) above, an employee is recalled to a position on such employee's home roster(s) and refuses recall, such employee will forfeit seniority on the roster refused.
 - 3) If the employee is furloughed and does not perform any service under this Agreement, such employee's seniority will continue for twelve (12) months from date of furlough.
- e) When an employee is notified that he/she is being displaced by a senior employee and such displacement affects more than three (3) employees, the displacement will become effective on either the first day of the pay period or within ten (10) days of notification, whichever comes first.
- f) An employee who is assigned to a position under the provisions of Article 15, or makes a displacement, and fails, within sixty (60) days to demonstrate fitness and ability, shall vacate the position on which disqualified and may return to his/her former position if occupied by a junior employee or may, if fitness and ability, are sufficient displace the junior assigned employee on the roster. In the event such employee is unable to make the above displacement, he/she may return to the former roster and displace onto his/her former position if occupied by a junior employee, if not, may displace the junior employee on his/her former roster on a position for which such employee has sufficient fitness and ability.
- g) Five (5) working days advance notice will be given before abolishing positions or making force reductions, except such advance notice under emergency conditions such as flood, snowstorm, hurricane, earthquake, fire, or conditions beyond control of the Authority, will not be required. Notice of the job abolishment shall be posted and the employee and the Division Chairman notified.

- h) The Authority will make a reasonable effort to use disabled employees on vacancies on existing positions for which the disabled employee can be qualified to perform.

- i) Employees who become physically disqualified for service on the positions to which they are regularly assigned will, if approved by the parties hereto, be permitted to exercise displacement rights. Employees displaced by reason thereof shall have the same rights of displacement.

- j) When the duties of a position are changed materially, the employee holding title to the position may request a displacement. If the Authority and the Union mutually agree to grant the request, displacement shall be allowed in accordance with the pertinent provisions of this Article 16.

ARTICLE 17

SHORT VACANCIES

- a) Temporary vacancies known to be for more than thirty (30) days duration, if to be filled, will be filled in accordance with Article 15.

If the Authority or Union representative has reason to believe that any vacancy will be for thirty (30) days duration, the Department Head and the Union Local Chairman will promptly meet and if they jointly agree that the vacancy will be for thirty (30) days duration, and is to be filled, it shall be immediately filled in accordance with Article 15.

- b) Short Vacancies (including vacation vacancies) of less than thirty (30) days duration may be filled without applying the provisions of Article 15, at the option of the Department Head. If such vacancies are to be filled, they shall be filled in accordance with the provision of Article 7(e).

ARTICLE 18

ATTENDANCE

I. GENERAL

This Article outlines attendance standards for TCU employees and general responsibilities of employees.

All TCU employees are expected to be punctual and to maintain good attendance in accordance with this Article.

The Authority encourages positive health practices by its employees and will try to accommodate employee requests for health care appointments.

An employee may be dismissed for absenteeism in accordance with this Article.

II. PROCEDURE

Progressive discipline will be applied to correct employees' excessive absenteeism. All discipline shall be recorded in the employee's file.

A. Employee Responsibilities:

1. Maintain an attendance record in conformity with this Article.
2. Report to work on time.
3. Notify his/her immediate Manager/Supervisor prior to the start of the work shift if unable to report for work. The employee must state the reason for the absence and the expected duration.
4. Schedule medical appointments during non-work hours when possible, or at the beginning or end of the work day, to minimize disruption of the work schedule.
5. Notify Manager/Supervisor of his/her intention to return to work no later than 3:00 p.m. of the day prior to the day employee will return to work, or as specified in Article 19, Section i).

6. When requested by the Authority, an employee returning from sick leave who has been absent three (3) or more days may be required to furnish a doctor's release from the treating Physician before actually starting to work.
7. Request a conference with the immediate Manager/Supervisor to try to work out a mutually satisfactory solution to an on-going medical problem or condition. It is the employee's responsibility to bring such situations to the Supervisor's attention.
8. Falsification of sickness is grounds for discipline up to and including termination.

B. Guidelines:

1. Attendance, tardiness, and cut standards shall be enforced to maximize department efficiency and operation. Strict tardiness enforcement (down to the minute) is appropriate when the job demands are such that any deviation from the scheduled hours would interfere with effective performance on the job.
2. Employees whose absences are excessive shall be subject to progressive discipline including suspension and termination. Progressive discipline will be applied whenever an employee's absences are excessive. Employees who fail to notify the manager or designee as provided in Section II.A3 above, may be subject to disciplinary action.
3. Reasonable employee requests for one (1) day vacations and up to two (2) emergency floaters per year may be granted unless the Authority's needs cannot be met if such accommodation is made.
4. The following absences shall not be counted as attendance instances: Family Care and Medical Leave, Vacation, Holidays, Military Leave, Off with Permission, Court Appearance under Subpoena, Bereavement Leave, Jury Duty, Union Business, Occupational Injury/Illness, and Natural Disaster where employee is personally affected and therefore unable to report, Dentist or medical Doctor appointments with forty-eight (48) hours advance written notice for up to two (2) hours per work day limited to six (6) appointments per floating six (6) month period, first day of hospitalization of an immediate family

member of the employee, hospitalization of an employee and Disciplinary Suspension.

5. Time spent on any Leave of Absence or any time during an employee's separation from the Authority and his/her return-to-work, will not be included in the floating six (6) month review period. (Refer to Appendix A for examples.)
6. An employee with a serious, on-going illness or condition such as cancer or an employee who is pregnant should inform the supervisor and present the supervisor with medical verification of such illness or condition. The supervisor will meet with the employee to discuss arrangements for doctor's appointments and treatments to cause the least disruption to the work place and cause the least attendance problem for the employee.

III. The Manager or designee may exercise discretion in applying discipline when an employee is non-compliant with this Article if compelling or mitigating circumstances for the employee's excessive absenteeism exist.

IV. DEFINITIONS

Instance	An absence period of one (1) or more consecutive working days or a portion of a day of one (1) hour or more, or two (2) tardies, and/or cuts, or four (4) tardies of less than five (5) minutes.
Tardy	An absence of less than one (1) hour at the beginning of the work shift. It is counted as one-half ($\frac{1}{2}$) of an instance. An absence of less than five (5) minutes at the beginning of the work shift will be counted as one-quarter ($\frac{1}{4}$) of an instance.
Cut	An absence of less than one (1) hour at the end of the work shift. It is counted as one-half ($\frac{1}{2}$) of an instance.
Review Period	The six (6) month floating period of actual time worked counting backwards from the last day of the most recent instance of absence excluding time on Leave of Absence.

ARTICLE 19

ABSENCE

a) LEAVE OF ABSENCE

A Leave of Absence is defined as a period of thirty (30) consecutive calendar days or more during which the employee does not work due to medical reasons or any period of time during which an employee is granted unpaid time off for other than medical reasons.

b) PERSONAL LEAVE OF ABSENCE

Employees may be granted leaves of absence limited, except in case of physical disability, to 480 hours in any twelve (12) month period without loss of seniority. Retention of seniority during longer leaves of absence may be arranged for by agreement between the Authority and the Union.

c) FAMILY CARE AND MEDICAL LEAVE

Family Care and Medical Leave, hereinafter referred to as FCML, will be granted in conformance with the provisions of the MTA Family Care and Medical Leave Policy and in conformance with the applicable federal and state laws. To be eligible for FCML, the employee must have performed at least 1250 hours of work in the twelve (12) month period preceding the leave. All time spent on FCML will count toward the twelve (12) months of leave provided in this Article.

d) LEAVES FOR UNION OFFICIALS

Members of General or Local Committee, representing employees covered by this Agreement, will be granted leaves of absence without unnecessary delay, and without loss of seniority.

e) **MEDICAL LEAVE OF ABSENCE**

- 1) A medical leave of absence will be granted under the conditions set forth below:
 - (a) Submission of written medical documentation from the employee's physician substantiating that the employee is physically unable to perform his regular duties.
 - (b) While an employee is on medical leave, (s)he will keep the Human Resources Analyst in charge of the Indefinite Leave Desk informed of his/her current address and telephone number.
 - (c) Employees who will be or have been absent thirty (30) calendar days or more will be placed on a medical leave of absence. While an employee is on medical leave, (s)he must submit an updated Attending Physician's Statement to the Human Resources Analyst in the Human Resources Department within thirty (30) days of the last Attending Physician's Statement. Failure to submit an Attending Physician's statement in a timely manner each month may subject the employee to disciplinary action.
- 2) The Authority may require an employee on leave of absence due to physical disability to present a release from their treating physician and to submit to a physical examination by a Authority Physician to determine fitness to return to duty.

f) **SENIORITY WHILE ON LEAVE OF ABSENCE**

- 1) An employee with one (1) year of service or less shall not lose seniority due to leave of absence because of illness or injury unless said leave is in excess of six (6) months, except by mutual consent of the Authority and the Union.
- 2) An employee with more than one (1) year of service shall not lose seniority due to leave of absence because of illness or injury unless said leave is in excess of twelve (12) months, except by mutual consent of the Authority and the Union.
- 3) Time spent on a leave of absence for medical reasons which the employee requests to be taken as FCML will be granted in conformance with the provisions of the MTA Family Care and Medical

laws. All time spent on FCML will count towards the twelve (12) months maximum leave provided in Section f of this Article.

- 4) The Authority or the Union may, within thirty (30) days prior to expiration of the six (6) or twelve (12) month leave, as provided in Paragraphs f)1), and 2) above, or g) below, request a further extension in a meritorious case. The Authority will determine whether the case is meritorious by taking into consideration the employee's complete work record, complete attendance record, length of service, circumstances surrounding the present leave, and availability for full-time work. In a non-meritorious case where the recommendation is (a) made by the Authority's Physician or (b) if the employee's physician disagrees with the Authority's physician and a third physician concurs with the extension, the extension shall be granted. In the latter case, the third physician shall be selected by the Authority and the Union and the costs of such determination shall be shared equally by the Authority and the Union. In the event there is disagreement with the Authority's determination that a case is not meritorious, a grievance may be filed to the extent such determination is proven to be arbitrary and capricious. The parties agree that the Authority's determination in any case that is meritorious will be non-precedential for any future cases under this Agreement.
- 5) Employees must return to work prior to expiration of the leave or extension of the leave granted pursuant to Section f)4) of this Article. Employees who fail to return prior to expiration of the leave or leave extension are automatically no longer employees of the Authority; however, prior to terminating an employee a letter must be sent by certified mail to the employee's address of record requesting that the employee immediately contact his/her supervisor. If the employee can show that his/her medical or mental incapacity prevented him/her from responding prior to the expiration of the leave, the employee will not be automatically terminated; instead, the decision whether or not to extend the leave will be governed by the provision of f) 4) above.
- g) Notwithstanding the foregoing, the maximum leave allowable to any employee with one year of service or less will be six (6) months less all time spent on Leave of Absence in the preceding twelve (12) months. For any employee with more than one (1) year of service, the maximum leave allowable will be twelve (12) months less all time spent on Leave of Absence in the preceding sixteen (16) months.

h) Where an employee is on leave of absence as a result of an industrial injury, the Authority will apply this Article in a manner consistent with applicable law.

i) **INDEFINITE LEAVE**

- c) This section only applies if the employee elected option a) 1) above. Employee's dependent children will be given school transportation privileges after completion of employee's probationary period.

Employees eligible for retirement but electing to take cash severance benefits in lieu of retirement benefits under the Retirement Income Plan will, effective with those taking severance as of May 29, 1969, be considered in the same category as retired employees, in the application of this Article. Retired employees are only entitled to receive option a) 1) above.
- e) Lost passes must be immediately reported to employee's division or department. The Authority will levy a fifteen dollars (\$15.00) administrative fee (three dollars [\$3.00] for retirees) for the replacement of a lost or stolen pass belonging to the employee or dependent. Only one pass per person will be replaced each year; mutilated passes turned in will be replaced without charge or limit.
- f) Lost passes will be replaced after thirty (30) days following receipt of completed report on prescribed form.

HOLIDAYS

- a) Employees who work on the following legal holidays, namely, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day (provided when any of the above holidays fall on Sunday, the day observed by the State, Nation, or by Proclamation shall be considered the holiday) shall be paid an additional day at one and one-half (1/2) times the straight time hours.

In Departments with a seven (7) day a week schedule, if Christmas, New Year's, or Independence Day falls on a Sunday, the holiday will be observed on that Sunday.

For employees working on the third shift, holidays, other than floating holidays, will be observed on the night prior to such holiday.

- b) Employees shall be entitled to six (6) preference days or, "Floating Holidays."

Employees who have completed their probation shall receive six (6) floating holidays on June 1st of each year. New employees hired after June 1 will earn floating holidays at the successful completion of their probation, according to the following schedule:

After completing the fourth full month of employment, the employee will receive two (2) floating holidays. After every two (2) full months successfully completed thereafter, up to June 1, the employee will receive an additional floating holiday. These floating holidays may be used with forty-eight (48) hours advance notice and with the permission of management. However, employees hired in March will receive one (1) floating holiday at the completion of their probation and thereafter be eligible for the June 1 accrual.

- c) When a holiday as provided in Section a) occurs on an employee's rest day or on a day when the employee is not scheduled to work, such employee shall be paid an additional eight (8) hours holiday pay provided the employee has scheduled compensation credited to both the last scheduled or assigned work day before the holiday and the first scheduled or assigned work day after the holiday.
- d) If an employee does not have scheduled compensation credited to both the last scheduled or assigned work day before the holiday and the first scheduled or assigned work day after the holiday, the employee will not be

paid holiday pay, unless the employee works the holiday. An employee working the holiday will be paid in accordance with this Article, Section a).

Employees who are scheduled to work and who are late by less than one (1) hour on the day before or the day after the holiday but who otherwise complete their work assignment will be considered as having worked and will be paid the holiday time. Those employees who are late one (1) hour or more on the day before or the day after the holiday will not be considered to have completed their assignment and will not be paid the holiday time.

However, employees who are scheduled to work and are allowed by the Authority to lay off part of their work day before or after the holiday and who are excused at the convenience of management will still receive holiday pay.

- e) Payment for sick leave is not to be considered compensation in the application of this Article.
- f) When a holiday as provided for in Section a) occurs during the vacation of a vacationing employee, the employee may be granted one (1) additional vacation day with no reduction in pay. If the holiday falls on a scheduled rest day of vacationing employee, the employee shall be entitled to an additional vacation day or an additional day's pay.

- g) The personal preference days, or "Floating Holidays " referred to in Section b) above will be guaranteed days off and the employee will not work on those holidays. They may be used under the following guidelines:

When an employee is restored to service within ninety (90) days from the date of honorable discharge from the military service of the United States, the "years of continuous service" under this Article will include the time spent in military service.

- f) Any employee who, by reason of illness, injury, or leave of absence, is absent from duties for eighty-five (85) work days or less during the year's service,

A new employee who earned less than one half of the normal vacation and did not take such earned vacation prior to the start of the next vacation year may be paid for those accrued hours. Annual vacations will thereafter be granted as of June 1.

SUPPLEMENTAL UNEMPLOYMENT BENEFIT PLAN

The Southern California Rapid Transit Authority Law of 1964 provides, in part, in Section 30754:

"The Authority shall not acquire any existing transit system or part thereof whether by purchase, lease, or condemnation, or otherwise, or dispose of or lease any transit system or part thereof, or merge, consolidate or coordinate any transit system or part thereof, or substitute any type of equipment on any system or part thereof for the then existing equipment, or terminate any lease arrangement or management contract, or reduce or limit the lines or service of any existing system or of its system unless it shall first have made adequate provision for the Authority's employees who are or may be displaced, or whose wages, hours, place, or conditions of employment are or may be adversely affected."

- a) In order to protect the rights of individuals holding positions on various properties acquired by the Authority, the right of individuals to exercise their seniority in other classifications is recognized when such change of conditions displaces them from the position they were occupying at the time of such acquisition. Following the exercise of their seniority, in accordance with the rules of their agreement in order to continue employment with the Authority, the following provisions are made for those employees who are separated from employment with the Authority through the exercise of such seniority by senior employees:
 - 1) Employees with two (2) years or more of service with the Authority and its predecessor companies, whose services with the Authority have been terminated under the above circumstances, will be eligible for the benefits under the plan described below. Excluded from eligibility are all those whose services terminated for other causes, such as disciplinary reasons, work stoppage, picketing, or any concerted action in a labor dispute, employees absent on account of sick leave, or other leave of absence, any war or hostile act of a foreign power, sabotage, or any act of God. Any cancellation of a position for which there is no further requirement and is not due to the integration of companies, lines, or facilities mentioned above does not provide protection as herein specified.

- 2) After a loss of position, the employees must exercise seniority on positions for which qualified or on any position on which he/she may be required to qualify by the Authority when notified that such vacancy exists by the Authority.
- 3) When no position is available, the employee shall be eligible for such benefits for one (1) year from the date of separation from the Authority payroll when other conditions of eligibility are fulfilled.
- 4) The employee must keep the Authority advised of any change of address during the period of eligibility to be eligible to receive such benefits.
- 5) The employee was not eligible for and was not claiming any accident or sickness or other disability benefit (other than a survivor's allowance under Workers' Compensation laws), where publicly financed, or a pension or retirement benefit financed in whole or in part by the Authority.
- 6) The employee is not eligible for, nor did receive any unemployment benefit or similar protection allowance under any contract, plan or agreement with any other employer for the same displacement.
- 7) The employee has claimed the benefits provided under this plan from the Authority in accordance with this Agreement and has presented proper evidence each week of receipt of regular unemployment benefits from the State Unemployment Insurance Fund.
- 8) If applicant's State Unemployment Benefits are under protest or appeal, supplemental benefits will not be paid until the case is adjudicated.

b) Benefits

- 1) Up to a maximum of twenty-six (26) weeks within the period of eligibility, an eligible applicant for supplemental benefits will receive the lesser of:
 - (a) An amount which, when added to the applicant's State Benefit and other compensations (as defined under Section, "State Benefit and Other Compensation"), for such week, will equal sixty-five percent (65%) of his/her weekly straight time wages with the Authority computed as provided in Sub-section (b) of this Section, or

- (b) Twenty-five dollars (\$25.00) per week.
- 2) Applicant's weekly straight time Authority wage shall be computed by:
 - (a) Multiplying the regular base hourly rate for the position during the last thirty (30) days he/she worked for the Authority by forty (40), or
 - (b) Multiplying by twelve (12) and dividing by fifty-two (52) the regular monthly salary last held during the last thirty (30) days he/she worked for the Authority.
 - (c) Reducing the amount so obtained by the sum of all Federal and/or State contributions which would be required to be collected, deducted, or withheld by the Authority from a regular weekly wage of such amount paid to him/her for the last pay period commencing during such thirty (30) days.
 - (d) In event the eligible applicant under this plan shall have been absent by reasons beyond the Authority's control to such an extent as to reduce the Base Period Quarterly Earnings used to determine the amount of benefits under the State Unemployment Insurance Law below the amount for full-time employment, the benefit used for the purpose of applying this plan shall be the amount of pay the employee would have received had the employee worked full time.
 - (e) The minimum payable under this plan to those eligible to receive benefit shall be eight dollars (\$8.00) per week.

c) State Benefit and Other Compensation

For the purpose of this Agreement, "State Benefit and other Compensation" will mean the amount of State Unemployment Compensation actually received and any deduction made by reason of requirements of State Unemployment Compensation that said deductions be made because of compensation otherwise received.

d) Continuity of Benefit

The amount of twenty-six (26) weeks of benefits for which the severed employee under this plan is eligible must be completed within one (1) year from the date of separation from the Authority payroll, but does not need to

be continuous within the year following his/her separation, but does need, in each and every case, to have evidence submitted by the applicant of actual payment of State Unemployment Benefits for each week of such eligibility at the time supplemental benefit is claimed.

e) **Re-Employment Seniority**

Any employee suffering loss of position under circumstances for which he/she is eligible to claim the benefits herein provided, is entitled, at first opportunity, to exercise his/her seniority for re-employment within one (1) year from the last day worked for the Authority, in any classification within the Union's Agreement for which the employee is eligible, as provided in Section (b), when such vacancy in the Authority organization occurs prior to the exercise of such seniority by any person outside of the classification seniority roster concerned.

f) **Non-Employee Status**

No person receiving benefits under this plan shall for that reason be deemed an employee of the Authority during such period, and shall not thereby accrue any greater right to accrue, participate in, or receive benefits under any other employee benefit plan to which the Authority contributes than he/she would if he/she were not receiving such benefit.

g) **Option**

Employee may elect to accept two (2) weeks gross earning in the employee's regular position, plus accrued vacation privileges, and upon such election will waive all rights to any other provisions of the Supplemental Unemployment Benefit Plan.
