OCTOBER 15, 2015

SUBJECT: MONTHLY UPDATE ON TRANSIT POLICING PERFORMANCE

ACTION: RECEIVE AND FILE

RECOMMENDATION

RECEIVE AND FILE **monthly update on transit policing performance.**

ISSUE

On September 4, 2014, the board requested that staff provide a monthly update on transit policing performance to Systems Safety and Operations Committee. Specifically, the board requested monthly updates on criminal activity, fare enforcement, response time, deployment and perception of safety.

DISCUSSION

In October 2015, staff continues to be proactive in working with Operations, Los Angeles County Sheriff's Department, and Communications in addressing perception of safety, criminal activity, fare enforcement, response time, and deployment. Below are the key highlights:

Actions to Improve the Ridership Experience

- Staff is using a working group to address long-term concerns about blight and disorder at Pershing Square and Westlake/MacArthur Park. The working group is using a "Problem-Oriented Policing" strategy.

- High Visibility

  - Transit Security Officers (TSO) and Los Angeles County Sheriffs have been engaging and interacting with patrons and operators to achieve increased presence and increase the perception of safety on the Metro system.
    - TSO Bus Boarding Activity: The total number of TSO Bus Boardings for the month of August 2015 is 2,145. The total number of fare checks is 10,838.
    - LASD Bus Riding Team (BRT): The total number of BRT Bus Rides for the month of August 2015 is 1,090. The total number of fare checks is 40,580.

LASD Success Stories

- **08/04/2015 -** At approximately 12:48 AM, Transit Policing Division units responded to a report of a male passenger threatening a bus operator on Line 720, Route 21, with a cigarette lighter. The bus stopped at the intersection of Wilshire Blvd and Crenshaw

Avenue in the city of Los Angeles. TPD units arrived and detained the suspect, who had assaulted the bus driver. The driver positively identified the suspect as the male who threatened to set him on fire with a cigarette lighter. The suspect was placed under arrest for making criminal threats and assault with a deadly weapon. The driver was not injured nor any passengers aboard the bus. The bus was placed back in service at approximately 1:30 AM. Charges are pending against the suspect.

- **08/04/2015 -** At approximately 6:42 PM, LASD Transit Policing Division received a call of a male stabbed at the intersection of Venice Boulevard and Bagley Avenue in the city of Culver City. An argument had ensued between a male in his 30's and the female driver of the Metropolitan Transportation Authority Bus on Line #33. As the suspect was verbally abusing the female driver, another 30 year old male patron came to her aid by telling the suspect to stop arguing with her. The suspect and Good Samaritan exited the bus and a physical altercation ensued on the sidewalk. At this point, the suspect produced a knife and began slashing at the Samaritan. The Samaritan sustained a slash wound on his upper torso and right forearm. The suspect fled the area as witnesses called 911. The Samaritan got back onto the bus and was transported a block away where the driver summoned TPD units. An immediate search for the suspect began and the suspect was located. The suspect was placed under arrest by Culver City Police for assault with a deadly weapon as the crime had occurred on a city street. The Samaritan was transported to a local hospital for treatment of his injuries. No other injuries were reported and the bus was placed back into service. TPD Detectives will work with Culver City PD to help in the prosecution of this case.

- **08/25/2015 -** Transit North Bureau deputies were checking fares at the Fillmore Gold Line Station. A male, adult, did not have proof of fare payment and was initially uncooperative with the deputies. Further investigation found that the man had a loaded, .380 caliber handgun, concealed in his waist area. Deputies continued with their investigation and found that the suspect is a known gang member and a convicted felon who is not supposed to be in possession of a firearm of any kind. The suspect was arrested and booked on numerous changes.

Fare Enforcement:

- In August 2015, law enforcement performed 514,679 fare checks on the rails and Orange Line. In comparison, law enforcement performed 565,249 fare checks on the rails and Orange Line in July 2015, resulting in a decrease of 50,570 fare checks from July 2015 to August 2015

*Each month, Reserve totals will display totals from the previous month because totals are not submitted until the end of each month.

The LASD reserve units are attached to regular LASD units of assignments. The reserves are there to perform the same function as any deputy. In that way, the reserves augment the force at no increase in cost. Contract agencies benefit significantly by the presence of reserves since they are directly paying for the LASD contract and do not have to pay for the additional reserve force.
