May 17, 2012

Things are gearing up as the 405 Project moves closer to completion in 2013. Major [work](#) is beginning on the Wilshire Boulevard ramps to and from the 405, and [construction](#) also is starting on the Sepulveda Boulevard overpass in Sherman Oaks. For specific questions or a general update, residents can attend Metro's [community meeting](#) on Thursday, May 24.

The meeting will take place from 6 p.m. to 8 p.m. in Room C of the [Westwood Recreation Center](#), 1350 South Sepulveda Boulevard. Future community meetings will be held on July 26, September 27 and November 15, at locations yet to be determined.
