# Chapter 6 – Preparers of the Draft EIR

## 6.1 LEAD AGENCY

Metro Gold Line Foothill Extension Construction Authority  
406 E. Huntington, Suite 202  
Monrovia, CA 91016  
Contact Person: John Skoury, Project Manager  
Phone: (626) 305-7023  
Fax: (626) 471-9049

## 6.2 CONSULTANTS TO THE LEAD AGENCY

### 6.2.1 Parsons Brinckerhoff, Inc.

**Project Management, Air Quality, Energy, Climate Change, Engineering, Modeling, GIS, Water Quality, Station Planning**

Parsons Brinckerhoff, Inc.  
444 S. Flower St., Suite 800  
Los Angeles, CA 90071  
Phone: (213) 362-9470  
Fax: (213) 362-9480

Silvia Aldrete, EIT, Engineer II  
B.S. Civil Engineering. 9 years of experience in highway project engineering.

Michael Babin, Copy Editor/Document Specialist  
B.A., Theatre Arts, 19 years of technical editing experience

Theresa Dickerson, Senior Environmental Planner  
B.L.A. Landscape Architecture. 24 years experience in environmental analysis.

Dalmain Fenton, Senior Environmental Engineer  
B.A. Geology. Over 40 years experience in noise and air analysis.

Irena Finkelstein, AICP, Senior Environmental Manager  
M.A. English. 26 years experience in environmental impact assessment and public management.

Melissa Foreman, Transportation Planner  
M.S. Geographic Information Science. 8 years experience in transportation modeling.

John Gahbauer, Transportation Planner/Analyst  
M.P.P. Public Policy, M.B.A. Business Administration.  
2 years experience in transportation planning.

Ivan Gonzalez, Transportation Planning Intern  
M.U.R.P. 1 year experience in transportation planning.

Sharon Grader, Senior Graphic Designer  
A.A. Graphic Design, 29 years of graphic design experience

Lindsey Hilde, Transportation Planner  
M.A. Urban Planning. 1 year experience in transportation planning.

Mengzhao Hu, Senior Transportation Planner  
M.S. Urban Planning. 6 years experience in transportation modeling.

Larry Johanson  
M.S. Architecture and Urban Design. 38 Years of experience on architectural projects.

Rebecca Kalauskas, Planner  
M.A. Urban Planning. 3 years experience in transportation and environmental planning.

Melineh Khanbabian, Architect  
B. Arch. 2 years experience in transit planning and design.

Eugene Kim, Senior Planning Manager  
Ph.D. Urban Planning. 16 years experience in transportation planning and transit systems design and management.

Michael Lieu, Environmental Planner/GIS & Noise Analyst  
B.S. Applied Ecology. 10 years experience in project mapping and noise analyses

Alice Lovegrove, Project Manager, Lead Environmental Engineer  
M.S. Environmental and Waste Management. 22 years experience in air quality engineering.

Rodrigo Mayorga  
B.F.A. in Graphic Design. 20 years experience in Graphic Design and Marketing

David McBrayer, AICP, PTP, Principal Professional Associate, Transportation Planning  
B.A. Architecture. Over 50 years experience in urban transportation planning.

Dawn McKinsty  
B.S. Urban Planning. 26 years experience in travel forecasting and transportation planning.

Ivan Salvatierra, TE, Senior Engineer  
B.S. Civil Engineering. 6 years experience in traffic engineering and surveying.

Dorothy Skans, Document Production Specialist  
B.A. Communications. 42 years experience in document preparation

Edward Tadross, Lead Environmental Planner  
B.A. Earth Sciences. 14 years experience in environmental planning.

Peter Zimmerman, PE, Senior Supervising Engineer  
B.S. Civil Engineering. 40 years experience in rail transportation design and development.

### **6.2.2 ATS Consulting**

#### **Noise and Vibration**

Shannon McKenna, Associate  
B.S. General Engineering. 2 years experience in transportation noise and vibration analysis.

Hugh Saurenman, President  
Ph.D. Mechanical Engineering. Over 40 years experience in transportation noise and vibration analysis

Steven Wolf, Vice President  
M.S. Applied Mathematics. Over 30 years experience in transportation noise and vibration analysis

### **6.2.3 BonTerra Consulting**

#### **Biological**

Jonathan Aguayo, Biologist  
B.S. Environmental Science and Resource Management. 4 years of biological resources assessment and environmental planning.

Amber Oneal, Senior Project Manager, Biological Resources  
M.S. Biology. 15 years of biological resources assessment and environmental planning.

### **6.2.4 Consensus Inc.**

#### **Public Outreach**

Sara Costin  
B.A. Philosophy. 19 years experience in community engagement strategies and implementation.

Elisabeth Rosenson  
M.A. Strategic Public Relations. 14 years experience in public outreach and engagement.

### **6.2.5 Fehr and Peers**

#### **Traffic**

Jill Liu, EIT, PTP  
M.E. Civil Engineering; 6 years experience in Transportation Planning

John Muggridge, AICP, Senior Associate  
M.S. Engineering Transportation Planning and Engineering; 15 years experience in Transportation Planning and Engineering.

John Stutsman, AICP, Principal  
M.A. Planning, Urban and Regional Environment; M.S. Mechanical Engineering; 38 years experience

### **6.2.6 ICF International, Inc.**

#### **Overall Environmental Documentation, Acquisitions and Displacements, Community Facilities and Services, Cultural Resources, Executive Orders, Land Use and Planning, Safety and Security, Socio-Economic, Visual Impacts, GIS, Archaeology and Paleontology**

Mario Anaya, Environmental Planner  
B.A., Global Studies. 3 years of experience in CEQA/NEPA documentation.

Carson Anderson, Environmental Planner  
M.A., Architectural History and Historic Preservation Studies. 30 years of experience in cultural resources and CEQA/NEPA documentation.

Andrew Bursan, Architectural Historian  
M.A., City and Regional Planning. 7 years of experience in cultural resources and urban land planning.

Namrata Cariapa, GIS Specialist  
M.A., Geography and Geographical Information Systems. 13 years of experience in mapping and cartography for CEQA/NEPA documentation.

Peter Feldman, Environmental Planner  
B.A., Political Science. 2.5 years of experience in CEQA/NEPA documentation.

David Greenwood, Architectural Historian  
B.A., Architecture. 13 years of cultural resources experience and Sections 106 compliance.

Lee Lisecki, Project Director  
M.S., Transportation Planning. 27 years of experience in CEQA/NEPA documentation.

Tamseel Mir, Environmental Planner  
M.A., Urban Planning. 15 years of experience in CEQA/NEPA documentation.

Peter Moruzzi, Architectural Historian  
B.A., Economics. 17 years of experience in cultural resources and Section 106 compliance.

Richard Starzak, Senior Architectural Historian  
M.A., Architecture. 31 years of experience in cultural resources and Section 106 compliance.

Shilpa Trisal, Project Manager  
Master of Community Planning (MCP). 9 years of experience in CEQA/NEPA documentation.

### **6.2.7 Intueor Consulting, Inc.**

#### **Transportation**

Wahid Farhat, Transportation Engineer/Planner

M.S. Civil Engineering. 9 years experience in traffic engineering and transportation planning

Farid Naguib, Lead Transportation Engineer

M.S. Civil Engineering. 25 years experience in traffic engineering, traffic operations and transportation planning

Archie Tan, Transportation Engineer/Planner

B.S. Civil Engineering. 7 years experience in traffic engineering and transportation planning

### **6.2.8 Leighton Group, Inc.**

#### **Geologic Hazards, Hazardous Waste and Materials**

Djan Chandra, PE, GE, Senior Principal

M.S. Civil Engineering. 23 years experience in geotechnical engineering

Meredith Church, Project Geologist

M.S. Geology. 8 years experience in environmental consulting, including Phase I & II ESAs and site remediation
