The following project was sent by Caltrans District 7 Division of Environmental Planning to SHPO:

Historic Property Survey Report/ Historic Resource Evaluation Report/Archaeological Survey Report for the Interstate Route 710 corridor between Ocean Boulevard to State Route 60, County of Los Angeles, California,

SHPO received this documentation on May 2, 2012 - per SHPO EIRLOG #FHWA120307B .

The 30 day review period ended on (before or about) June 2, 2012.

Since 30 days for comment has now passed, Caltrans is hereby informing all concerned that we are proceeding forward per stipulation VIII.C.5.a of the 106 PA (to keep the project on schedule)

Additionally, Caltrans staff member Noah Stewart contacted SHPO staff member Kathleen Forrest on June 6, 2012 and discussed this project. We look forward to working closely with our SHPO partners of the FOE for this project.
