

Instructions for the Passenger Assistance Force

SCRTD 1984 .156 c.1

REFERENCE COPY

John A. Dyer
General Manager

July 10, 1984

Dear Olympic Operations Team Member:

The information contained in this booklet represents the culmination of over two years of effort in the development of a spectator transportation system for the 1984 Olympic Games. Plans have been developed using a wide variety of expertise as well as information from traffic management, government and law enforcement agencies and the Los Angeles Olympic Organizing Committee.

The RTD will play a vital role in the Olympic Games. A total of 550 buses will be placed into Special Olympic Service for the sixteen days of the Games, making the Olympic service the fourth largest bus system in the State of California.

The system centers around Exposition Park where we are expected to carry 40% of the spectator traffic. Special bus lanes and preferential treatment for our buses will enable us to meet this goal.

Please read these instructions carefully. Each Olympic route is contained in this book together with all the necessary instructions. Keep this book with you for easy reference during the Games as it will be of great value to you at your work location.

Your role in the Olympics is a significant one and you are counted on by all of us. Please accept my thanks in advance for your support.

Sincerely,

John A. Dyer

These dashsigns must be placed on the dashboard of all personal automobiles when parking at assigned report locations (operating divisions, auxiliary parking lots or District Olympic service locations).

Venue Captains will issue RTD OLYMPIC STAFF dashsigns for all District vehicles at assigned Olympic service locations.

Additionally, Venue Captains will issue special parking permits for both District vehicles and personal automobiles at the locations shown below:

- Pasadena City College - Access card to enter Bonnie Avenue parking lot;
- Century City - City of Los Angeles Parking Permit;
- Crenshaw Center - City of Los Angeles Parking Permit;
- Westwood Park and Recreation Lot - City of Los Angeles Parking Permit;

TRANSPORT PROCEDURES

COLISEUM, FIGUEROA SHUTTLE, GRAND AVE. SHUTTLE, CBD (FIRST & SPRING)

An employee shuttle bus service has been scheduled to transport Fare Exchange, Security Guards and other support personnel between Division 2 and the Coliseum, CBD staging area, as well as the service stops of the Figueroa Street and Grand Avenue shuttles. Work assignments indicate scheduled departure time of shuttle bus to assigned work location.

ALL OTHER SERVICE LOCATIONS

Transportation for Venue Captains, Assistant Venue Captains, Fare Exchange, Passenger Assistants and Security Guards will be provided by assigned District vehicle.

In some instances, individuals working as Passenger Assistants will drive directly to their work location. Therefore, all Passenger Assistants must carefully check their assignment sheet for specific transport information.

NOTE: All members of the District's Olympic Passenger Assistance Force will be issued a Gold seal imprinted with the number 16. This seal should be affixed to the back of the employee's/Annual Bus Pass and will allow free transportation on the District's Olympic bus service. Employee bus passes without the Gold seal will not be honored.

DRESS CODE

All members of the PAF should maintain a standard of dress which is appropriate; clothing should be neat, clean, pressed and in good repair. Lightweight summer clothing may be worn, however, shorts, tank tops, halter and midriff tops are not appropriate and may not be worn.

PAF members who normally wear uniforms, i.e., Traffic Loaders, Road Supervisors and Instructors, will be required to wear their uniform when on duty.

PERSONNEL IDENTIFICATION

During the sixteen days of the Olympics, Non-Contract personnel will be assigned to Olympic field operations at Venue, Terminal and Park/Ride locations. This complement of personnel will be known as the Passenger Assistance Force (PAF) and will be composed of Security Guards from private Security companies, Student Interns as well as numerous Non-Contract employees re-deployed from other departments within the District. The PAF will have high visibility to the public and it is essential that all members of the PAF display a uniform means of identification while working at the various service locations.

Passenger Assistance Force identification is as follows:

- (a) Arm band
- (b) Hat
- (c) Identification button

All three items will bear the words "PASSENGER ASSISTANCE" and must be worn at all times when on duty.

LUNCH BREAKS

All Passenger Assistance Force employees will be given lunch breaks which will be scheduled by the Venue Captain at each location.

All Olympic service locations have eating facilities within the general area; however, it is suggested that employees bring their lunch on the first work day and explore the surrounding area for an eating facility of their choice.

EMERGENCY PROCEDURES

Any emergency situation which arises at an Olympic service location shall immediately be reported to the Venue Captain who will take appropriate action(s) as required.

NOTE: Passenger Assistance Force employees assigned to Figueroa Street and Grand Avenue shuttle stops shall report any emergency situation to the Security Guard at that location.

The FEP and the assigned Security Guard will be escorted into the CCCO via the armored car loading area. The FEP will draw his/her working fund from the Supervisory personnel. The fund will consist of a predetermined number of Olympic tokens and/or tickets and a cash working fund. All working funds will be in one (1) sealed bag and tagged with a dual purpose tag. The "Issued Working Fund" side of the tag will show the sealed bag's contents, designated user, and to insure the utmost accuracy, will be identified with the initials of the CCCO employees who prepared the fund.

The cash (currency and coins), tokens and tickets will be separated and put in individual bags. The individual bags will then be put into one (1) larger bag. The original receipt covering the issuance of the working fund will be given to the FEP. The turn-in figure amounts will be entered on both the original receipt and the copy held by the FEP.
