RTD BUS SERVICE GUIDE TO THE 1984 OLYMPICS

Southern California Rapid Transit District
425 S. Main St., Los Angeles, CA 90013

INTRODUCTION

This brochure is designed to provide you with complete information on how to use the RTD Olympic Bus Service to reach most major venues of the 1984 Los Angeles Olympic Games.

The service is provided by the Southern California Rapid Transit District (RTD), the third largest transit system in the nation. RTD regularly operates a fleet of 2,200 buses to provide service throughout Los Angeles County and parts of four surrounding counties.

During the Olympics, July 28 - August 12, 1984, the RTD will add 550 buses and new bus routes to operate direct service to most major venues. This will provide you with fast, convenient and reliable service for travelling to Olympic sporting events. By riding RTD, you can reach events in less time and avoid the problems and high cost of parking at venues.

Most buses in the RTD Olympic fleet are of advance design, with air conditioning and accessible features for disabled riders. Whenever possible they will travel on street lanes especially designated as preferential for buses to provide quick and direct service to venue entrances.

All RTD Olympic bus lines are numbered in the 700 series, beginning with 710 and ending at 795. One-way fares are \$2, \$4, or \$6, depending on the type of service and travel distance. RTD Olympic tokens, tickets or the RTD Olympic Service Gold Pass must be used to pay a fare. **No cash will be accepted.**

All RTD Olympic Service Buses can be easily identified by a colorful Olympic emblem mounted on the front and rear of each bus. The emblem will display the official Star-in-Motion and the five interlocking rings of the 1984 Los Angeles Olympics.

TYPES OF OLYMPIC SERVICE

RTD will operate three types of bus service to Olympic venues. The following is a brief description of each type of service:

PARK/RIDE

Advance reservations required for guaranteed seating. RTD will operate Park/Ride service from seven locations in the Los Angeles area to eight Olympic venues. This service operates non-stop from the Park/Ride site to the entrance of the venues. Each Park/Ride site has parking available for automobiles. The service will be round trip between the Park/Ride lot and the Olympic venue.

EXPRESS SERVICE

RTD will operate round trip, non-stop express bus service to six Olympic venues from a special RTD Olympic Bus Terminal in downtown Los Angeles at 1st and Spring Sts.

SHUTTLE SERVICE

RTD will operate seven different round trip Olympic Bus Shuttles. Some shuttle lines will make stops along their routes, usually a distance of only a few miles.

ACCESSIBLE SERVICE

RTD Accessible Buses provide automatic lift service to persons in wheelchairs. Persons in wheelchairs who wish to use an accessible bus for Olympic Park/Ride Service may request one when making their advance reservations.

Accessible buses also will be interspersed among the RTD fleet operating on Olympic Shuttle and Express Service. Persons wishing to use accessible buses are asked to check with RTD Field Personnel at boarding sites for the next available accessible bus.

RTD OLYMPIC BUS FARES

RTD Olympic bus fares are as follows:

Shuttle Service — \$2 one way

Express Service — \$4 and \$6 one way

Park/Ride Service — \$6 one way

Park/Ride service requires advance reservations for guaranteed seating. Fares are payable by RTD 1984 Olympic tokens, tickets or the \$10 a day RTD Olympic Service Gold Pass. **No cash fares will be accepted.**

RTD GOLD PASS

The RTD Olympic Service Gold Pass is available from Ticketron when making advance reservations for the Park/Ride Service. It is priced at \$10-a-day, per person, and offers a savings of \$2 on a \$12 round trip fare.

It is also available for purchase at all RTD Customer Service Centers, including the special RTD Olympic Center at First and Spring Sts., in downtown Los Angeles.

At \$10-a-day the RTD Gold Pass can be used all day to board RTD Olympic Shuttle Service and Express Service, as well as any RTD bus in regular service. It provides unlimited use on any RTD bus for one day. When purchased at an RTD office, the Pass can be used on Park/Ride service on a standby basis only, since advance reservations are taken only by Ticketron.

RTD DOWNTOWN OLYMPIC CUSTOMER SERVICE CENTER

On July 8, 1984, RTD opens its Downtown Olympic Customer Service Center at the intersection of First and Spring Sts. Hours of operation between July 8 - July 21 are 7 a.m. - 7 p.m. seven days a week. From July 22 - August 12, hours are from 5 a.m. - 10 p.m. seven days a week.

RTD CUSTOMER SERVICE CENTERS

RTD operates 10 Customer Service Centers throughout Los Angeles County. Each office provides a full range of pass and ticket services, and offers free brochures, and direct line phone service to obtain RTD information. RTD Customer Service Centers, locations and hours of operation are listed on back cover. On July 22 - August 12, office hours and days of operation will be extended.

PARK/RIDE RESERVATIONS ORDER FORM

Reservations will be offered on all RTD Olympic Park/Ride lines, but not on the other Olympic bus service. Persons with reservations will be guaranteed a seat on a bus during a specific 20-minute period from the Park/Ride site. Reservations will not be accepted on buses returning to the Park/Ride lots to allow patrons more flexibility in departing. Bus service will continue

until two hours after the completion of an event or until all passengers are accommodated.

Reservations can be made by mail, telephone, or in person through Ticketron. To make your reservation determine which Park/Ride lot is most convenient for you to use and the time you wish to travel.
