RECOGNITION AND BARGAINING UNIT

- A. The District recognizes the Union as the exclusive representative for the purpose of collective bargaining, with respect to rates of pay, wages, hours of employment and working conditions, for all employees of the District within the bargaining unit defined in Paragraph D of this Article.
- B. The parties agree that the term "employee" wherever used herein, whether singular or plural, means and applies only to those employees of the District included within said bargaining unit, and that this Agreement covers only said employees.
- C. The District and the Union agree that no employee shall be discriminated against on account of Union membership, or for any other unlawful reason. This Section of the Agreement shall not be construed to conflict with the employees' qualification provisions appearing elsewhere in this Agreement.
- D. The bargaining unit shall comprise all of the District's Non-Operating employees included within the classifications set forth in Article 1 of this Agreement.

CONTINUITY OF SERVICE TO THE PUBLIC

- A. It is recognized that the parties are engaged in rendering a public service and that they will comply with all applicable valid rules, regulations and laws of the governmental authorities; therefore, the parties contract that nothing contained in this Agreement shall be construed to conflict or be inconsistent or incompatible with such rules, regulations or laws. To the extent that any of the terms or provisions of this Agreement shall be in conflict, inconsistent or incompatible with any such rules, regulations or laws presently in effect or to be enacted during the terms of this Agreement, they shall be void and invalid, but all other terms and conditions of this Agreement shall remain in full force and effect. Such invalid terms and provisions will be reconsidered and renegotiated by the parties within seven (7) days of the effective date of any such rules, regulations or laws.
- B. During the term of this Agreement, neither the Union nor its members shall call or engage in any strike. The District will not require employees covered by this labor Agreement to cross a picket line which has been legally established by a labor union, whether such picket line is on District property or elsewhere.
- C. During the term of this Agreement, the District shall not cause or permit any lockout of any of its employees.

DISTRICT PREROGATIVES/MANAGEMENT RIGHTS

- A. All matters pertaining to the management of operation, including the type and kind of service to be rendered to the public, the equipment used, the maintenance of discipline and efficiency, the hire, promotion and transfer of employees, and their discharge or discipline for proper cause, are the prerogatives of the District, subject to such limitations thereon as are set forth elsewhere in this Agreement.

- B. The Union recognizes that willful infractions of the District's Rules and Regulations that are necessary for efficient operation will constitute cause for disciplinary action. No rules or regulations at any time promulgated or enforced by the District shall be valid if they violate any provisions elsewhere set forth in this Agreement.

- C. The District's exercise of any prerogatives of this Agreement may be made the subject of a grievance or dispute.

SECTION C. Cost-of-Living Clause

All employees covered by this Agreement shall be subject to a cost-of-living provision as follows:

The April, 1982 Index shall be considered as the fixed base for determining the first adjustment effective September 1, 1982, in accordance with changes in the CPI ending July, 1982. Thereafter, adjustments shall be made each three (3) months for the duration of the Agreement based upon changes, if any, from the fixed base. In the event the United States Government discontinues the publication of the CPI used in this Agreement or in any other way changes said CPI so that it no longer can be used as an effective mechanism for determining increases in employees' wage rates to offset inflation, the parties agree that they will immediately meet to determine an alternative mechanism to ensure that the increases contemplated by this Agreement by means of the 1967 CPI will be effected on the same dates and in the same amounts as would be effected if the publication of said CPI was not discontinued and/or changed in any respect.

All employees shall be paid one and one-half (1 1/2) times their straight time hours for all work they perform in excess of eight (8) hours per day or forty (40) hours per week, at their regular straight time hourly rate of pay.

SECTION B. Work on Days Off

All employees who complete their assignment when working on their regular or assigned days off shall be paid one and one-half (1 1/2) times their straight time hours worked, with a minimum allowance of twelve (12) straight time hours, at their regular straight time hourly rate of pay.

All employees not completing their assignment when working on their regular or assigned day off shall be paid one and one-half (1 1/2) times their straight time hours worked at their regular straight time hourly rate of pay.

No employee will be required to work on that employee's regular day off unless there are substantial abnormalities in service requirements; provided, however, this requirement for work will be mutually agreed to in advance between the District and the Union.

SECTION C. Provision Against Pyramiding

Where more than one (1) overtime provision is involved, only that provision which creates the greatest compensation will apply.

ARTICLE 4

DISTRIBUTION OF OVERTIME

SECTION A. Rotating Roster

Overtime beyond the normal working periods shall be distributed equitably among qualified employees in their respective classifications when practicable on a rotation basis. Failure of an employee to accept overtime when offered will have the same effect as if that employee had worked as far as his/her turn in rotation is concerned.

When a known vacancy (caused by an employee on vacation, absent, etc.) is to be filled by overtime, it shall be filled, if possible, by an employee on the same shift on his/her regular days off. Employee is to be notified as soon as is practical in advance of the extra day to work. This shall not prohibit employee from working overtime on an adjacent shift where requirement is not known in sufficient time to comply with the above, or when employee on the same shift is not available.

SECTION B. Protection of Schedule Shift Duties

No mechanic will be displaced from his/her shift duties by another mechanic who has been held over, or called in to fill a vacancy in the Utility or Service Attendant group.

SECTION C. Selecting Employees for Overtime Work

Shop Stewards, when available, will conduct the selection of employees to participate in overtime work that is required by the District.

ARTICLE 5

ISSUANCE OF PAYCHECKS

SECTION A. Pay Periods and Paydays

Pay periods will end every other Saturday night to include all assignments for the last day of the pay period. Paychecks will be issued bi-weekly on the first Friday following the close of the pay period, except in those weeks in which a holiday occurs. Every effort will, nevertheless, be made to issue paychecks during the week when the holiday falls. If unable to issue checks and make delivery on Friday, the checks will be issued not later than the following Monday.

SECTION B. Vacation Allowance

Paychecks for vacation allowance will be made available to employees in advance of the start of vacation, providing a request is made at least ten (10) working days prior to beginning of vacation.

Paychecks for regular work days will not be made available for persons receiving advance payment for vacation allowance prior to regular paydays.

SECTION C. Shortages

In the event there is a shortage in pay on a regular paycheck, such shortage shall be made up in accordance with the following procedure:

1. A shortage of less than twenty-five dollars (\$25.00) will be included in the next regular paycheck.
2. Shortages between twenty-five dollars (\$25.00) and two hundred dollars (\$200.00) will be paid by a cash advance no later than the day the shortage is discovered.
3. Shortages of two hundred dollars (\$200.00) or more will require the issuance of a special check no later than the next regularly scheduled Payroll Department work day.

ARTICLE 6

WORK SHIFTS AND WORK WEEK

SECTION A. Guarantee

All employees covered by this Agreement, who are available and work their assignments, shall be guaranteed eight (8) hours per day, and forty (40) hours per week, except as provided elsewhere in this Agreement.

This guarantee shall not apply to Division 3334 in the event of shortage of material caused by work stoppage of suppliers. Employees of Division 3334 whose assignment may be affected by inclement weather shall be allowed to do other work for which they are qualified.

Employees who are absent from duty and unavailable for work for part of a day, shall receive pay on a minute basis for only the portion of day worked and a minimum allowance of eight (8) hours shall not apply.

SECTION B. Consecutive Days Off

Work shifts for all employees shall be scheduled so as to provide two (2) consecutive days off and scheduled in such a manner so as to allow as many Saturdays and Sundays off as is practicable, except for standby crews and emergency crews.

SECTION C. Length of Work Day and Work Week

In all classifications, work shifts shall be set up on a basis of eight (8) hours per day, forty (40) hours per week.

ARTICLE 7

SELECTION OF WORK ASSIGNMENTS AND SHIFTS AND CHOICE OF WORKING SCHEDULES

SECTION A. Regular Shifts

Employees shall select their work schedules and shifts at their respective locations in accordance with their departmental seniority. The District shall determine the number of employees to work in each job classification, as referred to in Article 10 of this Agreement on each shift.

SECTION B. Holiday Work

The District shall determine the number of employees who shall work on holidays in each job classification. Employees at each location may bid for such holiday work on a seniority and rotating basis, giving preference to the employee who would normally work on that day. In the event an insufficient number of employees bid for such work at their respective locations, the District shall select employees from the bottom of the seniority list in such job classifications, to complete the necessary quota. Bids are to be posted a minimum of eleven (11) calendar days prior to the holiday and bidding shall be completed a minimum of seven (7) calendar days prior to the holiday.

SECTION C. Normal Bidding Cycle

In April and October, the District shall establish weekly work schedules to be bid in Departments 3300, 3334, 3291, and 3500. Such schedules shall contain the time of start and finish of each shift, the days of the week to be worked, Leader, Relief Leader, Body Shop, and specialty assignments. Prior to the posting of such schedules, the Union representatives shall have the opportunity to review and discuss these schedules with the department head or designee.

For the purpose of bidding under this section,

- * Mechanics will be one unit;
- * Utilities and service attendants will be one unit;
- * E.C.T.'s will be one unit;
- * S.E.C.T.'S will be one unit;
- * Electrician's will be one unit; and
- * Property Maintenance will be one unit.

However, in the event that less than four (4) Mechanics ["A" or "B"] (not including Leader, Relief Leader or Body Shop) bid into each shift within each operating division, the District shall

have the right to draft Mechanics ["A" or "B"] in reverse seniority order according to the following procedure:

After the close of bidding, each Division Manager or designee shall meet with the shop steward for his/her division. The Division Manager shall determine the number of Mechanics ["A" or "B"] necessary to meet the above-referenced minimum staffing requirements. The shop steward shall provide the division manager with the names of the Mechanics ["A" or "B"] to be drafted pursuant to this procedure.

Bidding will commence no later than thirty-five (35) calendar days prior to shake-up and will be completed ten (10) calendar days prior to effective dates. Effective dates shall be the first Sunday in April and October. The overtime provisions and the consecutive day off provisions of this Agreement shall not apply to employees in the rescheduling of their shifts.

Bids covering positions normally assigned to day inspection work will be identified as inspection assignments. An employee who bids an inspection assignment may perform other equipment maintenance work when no inspection work is available for that employee. Inspection shifts will be confined to the first shift assignments with starting times flexible within the limitations set forth in Article 2, Section A of this Agreement.

In the event an employee is not available to bid, or does not bid, when it is time to do so, the Union Steward shall bid for such employee an assignment as close as possible to that presently being held.

South Park Shops/Central Maintenance Facility:

The aforementioned procedure will commence in operation at South Park Shops/Central Maintenance Facility at the shake-up of October, 1983. Prior to that date, shake-ups will be in October, 1982; February, 1983; and June, 1983. For these shake-ups the District will list classifications of mechanics, specialty assignments, maintain the present qualification standards, and establish one (1) training position per section at each shake-up, to be bid strictly by seniority regardless of classification.

SECTION D. Bidding on Lower Level Assignments

Employees will not be permitted to voluntarily bid to a lower classification except in meritorious cases and when mutually agreed upon by the District and the Union. It is understood that this section shall not apply to employees who have received benefits pursuant to Labor Code Section 139.5.

SECTION E. Copy of Shake-Up Bids to Union

A copy of each completed shake-up bid will be furnished to the Union as soon as practicable after completion of bid.

SECTION F. Returning From Indefinite Leave

In the event an employee returns to work in the same shake-up period during which the employee was placed on indefinite leave, he/she will be placed on the same shift with the same days off as held at the time of the commencement of disability.

In the event an employee returns to work after a subsequent shake-up has been held, such employee will be allowed to bid into the same division with the shift and days off equal to that which the employee's seniority would have permitted had the employee been present to bid at such subsequent shake-up.

ARTICLE 8

VACANCIES AND NEW POSITIONS

Qualifications being equal, the District agrees that it shall fill all vacancies and new positions on a seniority basis, subject to an employee's right to present, through the grievance procedure, any evidence the employee may have to show that he or she has been unjustly discriminated against. The District, however, will notify the Union and discuss the bids with the Union representatives before the vacancy is filled. The procedure of filling such vacancies shall be as outlined below:

SECTION A. Pre-Bid Notices

Employees desiring to change work locations may advise their department head of their desire on a prescribed pre-bid notice, in quadruplicate. One copy will be forwarded to the Department, one to the Union, one to the employee's file, and one to the employee. Such notice shall state the employee's name, badge number, Maintenance Department seniority date, classification, present location and location to which he/she desires to move. When a vacancy or new position occurs, the District will advise the Union business representative. The District and the Union representative will confer to consider applicable pre-bid notice. If there is more than one pre-bid on file, qualification and seniority will govern the selection. If an employee is moved as a result of a pre-bid, all other pre-bids he/she may have on file will be nullified.

Employees accepting a pre-bid may not pre-bid again for a period of ninety (90) consecutive days.

New employees will not be permitted to change Divisions by pre-bidding prior to the expiration of their probationary period. The acceptance or rejection of a transfer as a result of a pre-bid must be submitted in writing in duplicate; one copy to the District and one copy to the Union.

SECTION B. Posting Bids

If no qualified employees in the same classification and department where vacancy exists have filed a pre-bid, then bids shall be posted in all units of the non-operating department for four (4) working days on all bulletin boards. A copy of such notice shall be furnished to the Union. All vacancies or new positions

so posted shall be filled within six (6) calendar days from the close of the posting period, provided a qualified employee applies. In selecting the qualified applicant, consideration will first be given to employees within the department. If a qualified employee applies within such four (4) work day period in the department where the vacancy exists, he/she will be given the position. Awards for all jobs posted will be placed on bulletin boards for four (4) working days.

SECTION C. Hiring of Outside Applicants

If no qualified employee within the non-operating department so applies, the District may hire outside applicants.

For the duration of this Agreement, the District will not employ persons from outside the District for positions of Mechanic "C" if there are any employees classified as Utility "A", Utility "B", or Service Attendant who are qualified to perform the duties of Mechanic "C".

In the event there are no employees who have the necessary qualifications, the District may hire new Mechanic "C's" from outside the District.

This in no way restricts the employment of qualified Mechanic "A's" or "B's" by the District.

SECTION D. South Park Shops

When positions regularly assigned to a rate above the base rate become open for assignment at South Park Shops, they will be posted for bid at South Park Shops only. In the event no qualified employee applies for the vacancy, the procedure described in Section B of this Article will be followed. Position will be awarded to the qualified employee. Where qualifications are equal, seniority shall govern.

SECTION E. Temporary Vacancies

Notice of temporary vacancies shall not be posted provided it is understood that the term "temporary vacancy" refers to a vacancy caused by illness or injury or brief leave of absence, which would not exceed a period of ninety (90) days.

1. If it is determined that additional time is required on temporary vacancy, such extension will be by mutual agreement between the Union representative and the District.
2. a. If it is determined that the vacancy is to exceed ninety (90) days, the vacancy will then be open for bid, as provided above.

- b. If a surplus exists upon the return of an employee from a leave of absence in excess of ninety (90) days, the least senior employee in the classification within that division shall be the employee displaced.

SECTION F. Training Programs

The District has established a training program for employees in lower classifications of work in the Maintenance and Equipment Department who desire to avail themselves of possible advancement to a higher classification.

Subject to its personnel needs, the availability of funds and as agreed with the Union, the District will continue this program to upgrade Utility and Service Attendant employees by training them for higher skilled classifications.

Classes will begin on or about March 1, or such other dates as may be mutually agreed upon. The program will be offered to afford an opportunity for all employees. The program is presently established as twenty-two (22) weeks of classroom work and fourteen (14) weeks of on-the-job training, but the duration may be varied to insure completion of necessary training phases or material.

Applicants for the program will be tested and interviewed and must demonstrate adequate ability to perform basic arithmetic, (including decimals and fractions), to read and follow work instructions, and to comprehend mechanical systems. Applicants must have a good work record for the last three (3) years [or their period of employment, if less than three (3) years], including good attendance and punctuality, getting along with fellow employees, and giving full attention to duties, and a good driving record as confirmed by the D.M.V. All applicants must be and remain physically qualified to perform the duties of the higher classification for which the training is given. Qualified applicants will be assigned to training in seniority order.

Notice of each class will be posted for bid no later than December 1 of the year preceding the class or at a time to be mutually agreed upon by the parties.

Applications will be reviewed and copies will be forwarded to the Union, along with the final selection of candidates. The District agrees to discuss these selections with the Union wherever a question may exist.

Commencing with class number sixteen (16), the minimum rate of pay for classroom graduates will be eighty-five percent (85%) of Mechanic "C" rate for all "on-the-job" training time, provided that this paragraph of Article 8, Section F shall not be applied so as to reduce the pay rate of any employee.

After successful completion of "on-the-job" training, employees will remain on day shift, Monday through Friday, until the next shake-up.

SECTION G. Promotion

The Union shall have the right to appeal refusals of promotions to the Director of Maintenance and to the General Manager or his/her designee, whose decision will be final.

ARTICLE 9

TEMPORARY TRANSFERS

When an employee is transferred temporarily to a higher rated job, that employee shall be paid at the regular rate of pay for the job to which he/she has been temporarily transferred for each hour worked on the higher rated job. If the temporary transfer is to a lower rated job, the employee shall retain the original pay rate while filling such temporary vacancy.

An employee shall retain seniority in the former position while filling such temporary vacancy. If an employee fills a higher rated job for ninety (90) consecutive work days, excluding absences account of sickness, vacations, etc., such employee shall be considered as having qualified for such higher rate on a permanent basis. This shall not apply to a pre-bid move or a low-seniority forced move to another location.

ARTICLE 10

LAYOFFS

SECTION A. Order of Displacement

In the event of layoff in any of the Maintenance Departments, the employee with the least seniority within that classification being reduced, shall be the first to be displaced; however, after such employee has been displaced in his/her respective classification, such employee shall have the right to exercise his/her maintenance seniority anywhere else in the maintenance unit where the employee is qualified.

SECTION B. Classifications

For the purpose of this rule, the term "classification" refers to job classification as defined in Article 1 of this Agreement with the following exceptions:

1. Mechanics "A", "B" and "C" shall be one classification.
2. Property Maintainers "A", "B" and "C" shall be one classification.
3. Utility "A", "B" and Service Attendant shall be one classification.
4. Road Janitor, Roving Janitor, and Laborer A shall be one classification.
5. E.C.T. shall be one classification.
6. S.E.C.T. shall be one classification.
7. Electrician will be one classification.

SECTION C. Rates of Pay When Displacing to Lower Classification

Senior employees within a classification displacing a junior employee within the same classification shall not have their rates reduced.

Employees in higher classifications displacing employees in lower classifications by the exercising of seniority shall receive the rate of pay for the lower classification.

SECTION D. Right of Qualification and Right to Displace in Different Classifications

An employee promoted, changing location, or exercising seniority as a result of reduction of forces shall be considered to have qualified for such job if the District allows said employee to remain in the new job for ninety (90) days.

If the employee is displaced and unable to displace in his/her own classification, he/she shall have the right to displace in another classification in which he/she is qualified.

SECTION E. Protection of Seniority

Employees with two (2) years or more seniority, if laid off or furloughed, shall hold all seniority rights for a period of twenty-four (24) months following layoff or furlough. Employees with less than two (2) years seniority, if laid off or furloughed, shall hold all seniority rights for a period of twelve (12) months following layoff or furlough.

SECTION F. Determining Qualifications

The District will make every possible effort to utilize employees in the Maintenance Departments who are laid off or who are no longer required in their present occupation and location. In order to accomplish this, the District and Union will confer, when it is known that such layoff is imminent, for the purpose of determining if employees to be displaced are qualified to perform work in other classifications in Maintenance Departments. When mutual agreement is reached between the District and Union that employees involved are qualified for such other work in another Maintenance Department, such employees will be permitted to displace the junior employees in the classification agreed upon as above. The junior employees being displaced may in turn exercise their full right of seniority choice under this Agreement.

SECTION G. Reinstatement

To be eligible for reinstatement under the provisions of Section E of this Article, laid-off employees must keep the District informed of their current address. The District's obligation under this Article to offer reinstatement shall be fulfilled by mailing notices to the most recent address supplied by a laid-off employee. To obtain reinstatement, a laid-off employee must notify the District within five (5) days after such reinstatement offer has been mailed by the District and report for work within fifteen (15) days after the date of the District's offer.

SECTION H. Ten-Day Notices

The Union will be given a ten (10) day notice in case of a layoff caused by a reduction in work force. If such notice is served, it shall automatically expire at the end of thirty (30) days. This notification will not apply if layoff is due to return from leave of absence of senior employees.

ARTICLE 11

DISTRIBUTION OF WORK

SECTION A. Work Assignments by Classification

All work usually done by a certain classification shall be given to employees in that particular classification (e.g., machinist, spray painter, etc.) unless impracticable to do so.

SECTION B. Subcontracting

The RTD shall not contract out work normally performed by this unit except in emergencies.

For purposes of this Article, emergencies shall be construed as acts of God, fire, flood, earthquake, power failure, official government declared emergencies, and unexpected situations requiring immediate action, abnormalities in service requirements, or other conditions beyond the control of management.

In addition, the parties agree that the District can subcontract out drain plug bushings and the cutting of glass.

The District will discuss with the union each item to be subcontracted prior to subcontracting work.

The exercise of these emergency rights does not preclude the Union from raising grievances on the issue.

It is not the intent of management to subcontract to avoid hiring new employees in this unit as workload increases.

The parties also agree to the following eight conditions:

1. No existing employee of the District will be laid off or demoted if any subcontracting is in effect.
2. The District will not subcontract any work if the number of employees represented by the ATU falls below the number of such employees on the property on September 18, 1979. This is estimated to be 1195.
3. Any employee receiving a skill differential who is required to change jobs because of subcontracting will not lose the skill differential pay unless the employee voluntarily elects to transfer from South Park Shops to an Operating Division.
4. No outside subcontractor will be permitted to perform any work on the District's premises.

5. There will be no subcontracting of Utility "A", Utility "B" or Service Attendant work.
6. There will be no subcontracting of running repair work at the Operating Divisions.
7. There will be no subcontracting of inspection work at the Operating Divisions.
8. Property Maintenance: Except as required by law, work presently performed shall not be subcontracted.

ARTICLE 12

WORK BY SUPERVISORS AND INSTRUCTORS

Supervisors and Instructors will not work with the tools of the trade nor perform any work normally performed by an employee covered by the terms of this Agreement, except in case of emergency, and then only to the extent that he/she does not replace any employee who is temporarily absent or not, with the further exception that (s)he may use the tools of the trade for instruction or testing.

ARTICLE 13

LEADERS

SECTION A. Duties

A Leader directs an employee group assigned to his/her responsibility and need not be concerned with the work of any employee not in that Leaders's group.

It is the Leader's responsibility to direct the employees in the progress of their work under the supervision of his/her immediate supervisor with whom (s)he shall consult in all matters affecting such work.

A Leader has the same responsibility as all employees to report any circumstances affecting the safety of other employees or District property and shall exercise best efforts to assure that the employees (s)he leads work safely at all times.

SECTION B. Qualifications and Selection

Seniority of equally qualified employees shall be the deciding factor in the promotion of an employee to a Leader or a regular Relief Leader position. This shall not apply to the selection of Temporary Leaders.

SECTION C. Award of Position

LEADER: This job is awarded to an individual on a Job Bid according to qualifications and/or seniority. The employee so awarded will retain the title of "Leader" until (s)he voluntarily surrenders the job or is removed for cause, and will receive forty-five cents (45¢) per hour additional pay for all time worked.

RELIEF LEADER: This job is awarded to an individual on a Job Bid according to qualifications and/or seniority. As in the case of the "Leader", this person will retain the title of "Relief Leader" on the same basis as stated above. (S)he is paid forty-five cents (45¢) per hour additional only when acting as "Leader."

NEITHER THE "LEADER" NOR "RELIEF LEADER" JOBS MAY BE TAKEN WITH AN INDIVIDUAL WHO TRANSFERS FROM ONE DIVISION TO ANOTHER.

To keep the position of "Leader" and "Relief Leader" those employees must always bid the "Leader" and "Relief Leader" slots that are posted on the bid sheets. Failure on the part of the

individual who has that title to bid that spot will indicate that the individual wishes to give up the position. An individual may also voluntarily give up the position between shake-ups at any time if the employee should so desire. In the event a "Leader" or "Relief Leader" voluntarily surrenders the position at a time other than at the end of a shake-up, the person surrendering the position will assume the days off and shift of his/her successor until the end of that shake-up period. In either of these cases, the position will be promptly posted for bid at the Division affected.

Once a "Leader" or "Relief Leader" is awarded the job, at the next normal bidding cycle, that employee may bid any "Leader" or "Relief Leader" (whichever position is applicable), position that is open on the bid sheets which his/her Maintenance Department seniority will permit, regardless of which shift (s)he may have been on when (s)he first attained the position.

A "Leader" receives forty-five cents (45¢) per hour additional at all times because (s)he holds the title of "Leader." A "Relief Leader", however, receives this forty-five cents (45¢) only when (s)he acts as the "Leader", which is generally when the "Leader" is absent (days off, sick leave, vacations, etc.).

A "Relief Leader" will always act in the "Leader" capacity on the normal days off of the "Leader" -- EVEN IF THE "LEADER" IS BROUGHT IN TO WORK ON OVERTIME ON THOSE DAYS. A "Relief Leader" will also act in the "Leader" capacity when the regular "Leader" is taking the place of an absent Supervisor.

SECTION D. Number of Leaders

Unless there is a reduction in the number of employees in the bargaining unit, it is agreed that during the term of this Agreement, there shall be no reduction in the number of "Leaders" and "Relief Leaders" from that in effect on August 25, 1979. If there is a reduction in the number of employees in the bargaining unit, the number of "Leaders" and "Relief Leaders" will be determined by maintaining the same ratio of "Leaders" to employees that existed in the unit on August 25, 1979.

It is agreed that consideration will be given by the District to Union recommendations for increases in the number of "Leaders" and "Relief Leaders"; however, the decision of the District shall be final.

ARTICLE 15

SENIORITY

SECTION A. Scope

Seniority, within the meaning of this Agreement, may be either District Seniority or Department Seniority.

SECTION B. District

There shall be a District Seniority List established in accordance with the original date of the last employment by the District or its predecessors.

SECTION C. Department

There shall be a Departmental Seniority List established in accordance with the date of commencing service within each of the following four departments:

Equipment Maintenance
Facility Maintenance
Telecommunications
Stops and Zones

For purposes of bidding shifts, vacation, and holidays, departmental seniority shall control.

An employee who voluntarily moves from one of the above departments to another shall forfeit department seniority accrued in the department from which the employee moved.

An employee who is bumped from one department to another may retain seniority within the department from which the employee was bumped.

The District will post Division Seniority Lists at the time of shake-up and will provide the Union with a copy of each.

SECTION D. Position for Those Hired the Same Day

When more than one new employee begins working in the same department on the same shift and day, seniority will be determined in the order in which they passed their physical examinations. In the event that the record of physical examination does not determine date and time such physical was made, the order of position on seniority list for that date will be in alphabetical order.

ARTICLE 14

PROBATIONARY PERIOD

SECTION A. Length

A new employee shall serve a probationary period of ninety (90) days. After qualifying for the new position, such employee shall then be given District seniority as of date of employment.

All rights, benefits, and privileges, described in this Agreement, including the application of grievance and arbitration procedure, shall be applicable to probationary employees. The judgment of the DISTRICT regarding a probationary employee's qualification and performance shall not be subject to the grievance and arbitration procedure. Probationary period may be extended, by mutual agreement of the parties, in unusual or exceptional cases.

SECTION B. Falsification of Records

It is understood, however, that evidence of falsification of application for employment shall subject the employee to removal from service, if such evidence is discovered within twelve (12) months of date of employment. If such falsification is discovered after ninety (90) days, the employee shall have the right of investigation and hearing as provided in Articles 19, 20, and 21 of this Agreement.

SECTION C. Orientation Program

New employee shall receive orientation training which shall include approximately one hour of instruction consisting of both UNION and DISTRICT presentations on discipline, the Maintenance Guidebook, and this Agreement. Employees undergoing this training shall be compensated at their appropriate straight time rate.

SECTION E. Blending

If work is transferred to or integrated with work in another department, employees may follow the work by seniority choice and will have their seniority blended with seniority in the department to which the work is transferred. The number of employees permitted to transfer will be the number required to perform the additional work in the department after the transfer or integration is completed.

SECTION F. When Filling Temporary Vacancies

Any new employee filling a temporary vacancy shall, upon being assigned to a permanent position, have his/her department seniority date from the time he/she assumed the duties of the temporary vacancy. However, if he/she passes a bid for an open position in that work classification, his/her seniority will date from one day subsequent to the filling of said vacancy.

SECTION G. Shop Stewards

Shop stewards shall work the day shift with Saturday and Sunday off. These positions will not be listed on the bid sheets; however, stewards will be permitted to exercise their seniority in the selection of work assignments.

SECTION H. Promotions

Any employee covered by the terms of this Agreement who is promoted to a position not included within the scope of this Agreement shall, within ninety (90) days of such promotion, determine if (s)he shall continue on such promotion or return to his/her previous job. In the event that the member has continued his/her membership in good standing in the Union, (s)he shall be permitted to return to his/her former position without loss of seniority. An employee who elects to remain in such new position or fails to continue his/her membership in good standing shall forfeit all departmental seniority. Provided further, that any employee who is promoted a second time will immediately forfeit all departmental seniority.

ARTICLE 16

LEAVES OF ABSENCE

SECTION A. Applying for Leave

Employees with good cause desiring leave of absence without pay for a period of not to exceed ninety (90) days, will apply on prescribed form to their Supervisor or Division Manager who will grant such request when reasons warrant, unless impracticable to do so. Employees will be notified of the decision within a reasonable time. Application for leave of absence may be made by employee or the Union representative.

SECTION B. Leave For Elected or Appointed Union Officers

An employee's election as an officer or member of the Executive Board of the Union or appointment to act on Union business shall be considered good and sufficient reason for a leave of absence. Any employee elected or appointed to a fulltime position in the Union shall be given a leave of absence for the duration of his/her term of office, which period shall be considered as continuous service, and may be extended upon official written request. Upon return from such leave of absence, the employee shall be reinstated without loss of seniority and at the current rate of pay.

SECTION C. Working Elsewhere While on Leave

Any employee who accepts gainful occupation while on leave of absence, except as herein specified, terminates employment with the District.

SECTION D. Pregnancy

A leave of absence up to one (1) year shall be granted upon application of a pregnant employee, without seniority being affected nor her job considered a permanent vacancy.

SECTION E. Military Service

Any permanent employee subject to the terms of this Agreement who is called into or enlists in the armed forces of the United States or its allies (during a national emergency), shall be given a leave of absence in accordance with the regulations of the national law affecting military service.

Payment of Military Leave will be in accordance with the applicable State Law for any employee who is called up for short periods of reserve duty for the U.S. Armed Forces or National

Guard, e.g., two-week training periods (not including periods such as one-night drills or weekend duty).

SECTION F. Bereavement

A Bereavement Leave of Absence up to three (3) working days shall be granted employees as a result of death in the immediate family without any reduction in pay. The immediate family is considered to be employee's parents (including step-parents or foster parents); grandparents; sisters; brothers; spouse and children; spouse's parents (including step-parents or foster parents); grandparents; sisters and brothers; grandchildren of the employee or the employee's spouse.

Employee may use floating holidays in connection with bereavement leave.

ARTICLE 17

UNION SECURITY

SECTION A. Union Shop

As a condition of their employment, all present employees coming within the scope of this Agreement shall become and remain members of the Union during the period of this Agreement. All present employees who are not members and all new employees coming within the scope of this Agreement shall, within thirty (30) days after the effective date of this Agreement, or within thirty (30) days after date of employment, whichever is the later, become and remain members of the Union during the period of this Agreement.

SECTION B. Discharge for Non-Membership

In the event any employee fails to comply with the requirements of this Article, the Union may give the District written notice of this fact, and within five (5) days after receipt of said notice the District shall terminate the employment of said employee, except that no person shall be discharged for failure to maintain good standing membership in the Amalgamated unless such discharge would be legal under terms of the applicable State and/or Federal regulations.

SECTION C. Notification of Entering and Leaving

The following days shall be considered as legal holidays:

New Year's Day	Christmas Day
Memorial Day	Employee's Birthday
Independence Day	Employee's Anniversary Date
Labor Day	Floating Holidays (3)
Thanksgiving Day

For employees working on the third shift, holidays, other than birthday, anniversary or floating holidays, will be observed on the night prior to such holiday.

SECTION B. Guarantee

1. Employees who do not work on a legal holiday as shown in Section A of this Article, will be paid eight (8) hours at their regular straight time rate of pay for each of these holidays, provided all such employees complete their work assignment on either their last scheduled or assigned work day prior to the holiday, or on their first scheduled or assigned work day after such a holiday. Employees on leave of absence, absent on account of sickness or who fail to complete their work assignment without excusable reasons on both their last scheduled or assigned work day prior to the holiday and on their first scheduled or assigned work day after the holiday, will not be considered as having worked. In the preceding, "excusable reasons" are as follows:

Those employees who are late one hour for unacceptable reasons will not be considered as having an "excusable reason."

Employees whose birthday and anniversary fall within thirty (30) consecutive calendar days will be permitted to schedule these two days in conjunction with their scheduled days off within the thirty (30) day period so as to provide four (4) consecutive days off.
2. When an employee's birthday or anniversary date falls on one of his/her regular work days, he/she may take his/her birthday or anniversary date as a holiday, or he may elect to take the birthday or anniversary date holiday during the same week in conjunction with the employee's two (2) normal days off, either before or after the birthday or anniversary date. If more than one employee's birthday or anniversary date falls during the same week, and it is determined that too many employees have elected to take the same days off, then seniority choice will prevail.

3. All other provisions pertaining to the first six (6) named holidays will apply to the employee's birthday or anniversary date holiday.
4. Employees hired on their birthday will be entitled to an additional day over and above those outlined in Section D Subsections 1, 2, and 3.

SECTION A. Coverage

1. Employees with one or more years of continuous service, who are off work due to a bona fide illness or injury and have submitted a verified medical doctor's report to their Division Manager showing nature of illness, date illness commenced, date of treatment, hospitalization, or both, shall be allowed paid sick leave as outlined below. Payment of sick leave will be integrated with Workers' Compensation in the event of an on-duty injury when requested by the employee.

<u>Service Requirement</u>	<u>Allowable Sick Leave</u>
One (1) year of continuous service	6 days (48 hours)
Two (2) years of continuous service	7 days (56 hours)
Three (3) years of continuous service	8 days (64 hours)
Four (4) years of continuous service	9 days (72 hours)
Five (5) years of continuous service	12 days (96 hours)

Unused sick leave shall be cumulative to a maximum of 176 days (1408) hours.

2. An employee attended by a doctor shall secure a "doctor's certificate" at no expense to the District. When an employee is sick but does not require the attendance of a doctor, the expense of a "doctor's certificate", if required by the District, shall be paid for by the District. In such event, the District shall have the right to select the doctor for the purpose of such certificate.
3. Payment for earned sick leave shall be made to each employee affected during the payroll period when application for payment is made by such employee in event of illness. If the employee elects to apply for such leave, a claim must be submitted in writing to the Maintenance Division Manager (personally or by mail) no later than the Wednesday preceding the close of the pay period. Payment for sick leave to which the employee is entitled will be included in the check due for that period. Absence from work by reason of illness does not require the employee to make claim for sick leave payment.

SECTION B. Payment for Sick Leave

1. In cases when S.D.I. is not applicable, sick leave benefits, provided in Section A, shall be computed on the basis of eight (8) straight-time hours for each assigned work day absent account of sickness.
2. In the event S.D.I. benefits to which an employee is entitled are payable for the same day as contract sick leave, there shall be charged against the employee's sick leave account only that portion of a day's sick leave which, when added to the S.D.I. benefits for such day, totals eight (8) straight-time hours pay.
3. Compensable days of sick leave shall be paid at the rate of pay in effect on the day sick leave is claimed.

SECTION C. Waiting Period

1. No sick leave shall be paid for the first work day, except when any disability results in hospitalization.
2. Sick leave pay will not be allowed for any case of intemperance or use of illegal drugs.
3. Any employee who does not work during any fiscal year (June 1 through May 31) shall not be entitled to sick leave pay in the following year unless he/she returns to work within that following year.
4. The District shall maintain a clear and accurate sick leave record for each employee which shall be made available to the employee and/or Union officials for inspection upon request.

SECTION D. Termination

1. No payment will be paid for sick leave allowance not taken by employee when such employee is terminating from the service of the District, except in the event of the death or the retirement of an employee. In this event, seventy-five (75%) percent of an employee's unused sick leave will be paid to the employee upon the employee's retirement. One hundred (100%) percent of an employee's unused sick leave will be paid to the beneficiary in the event of death.

ARTICLE 33

VACATIONS

Each full-time employee who has a continuous service record of one (1) year or more shall be entitled to an annual vacation with pay under and subject to the conditions in this Article.

- 2 weeks vacation after 1 year of continuous service
- 3 weeks vacation after 5 years of continuous service
- 4 weeks vacation after 10 years of continuous service
- 5 weeks vacation after 15 years of continuous service
- 6 weeks vacation after 26 years continuous service

SECTION B. Conversion of Weeks to Hours

For those employees who are on a forty (40) hour week basis, eighty (80) hours shall constitute two (2) weeks vacation; one hundred twenty (120) hours shall constitute three (3) weeks vacation; one hundred sixty (160) hours shall constitute four (4) weeks vacation; two hundred (200) hours shall constitute five (5) weeks vacation; and two hundred forty (240) hours shall constitute six weeks vacation.

SECTION C. Vacation Period

Vacations earned in a current year ending May 31 shall be taken between June 1, and the next ensuing May 31.

SECTION D. Reemployed or Reinstated Employees

When employees are reemployed by the District within one (1) or two (2) years whichever is applicable after involuntary layoff, or are reinstated within ninety (90) days from the date of their honorable discharge after service in the military forces of the United States, for the purpose of determining their eligibility for the vacation allowances herein provided, they shall be credited for that period of continuous service had with the District and accumulated by them since their most recent hiring immediately before such involuntary layoff or immediately before entering such military service. Nothing contained herein shall be construed to mean that time spent during such layoff or such military service shall be credited to continuous service vacation eligibility requirements.

SECTION E. Accumulation

Vacation periods shall not be cumulative.

SECTION F. Affect of Absence from Duty

Any employee who, by reason of illness, injury, or leave of absence, is absent from duties for eighty-five (85) work days or less during the year's service, will be entitled to a full vacation. Employees absent from their duties for more than eighty-five (85) work days during the year will be entitled to one-twelfth (1/12) of their normal vacation for each month or major fraction thereof, which they worked. Employees absent because of injury sustained while on duty, or because of occupational disease, will not be subject to this provision.

SECTION G. Employees With Less Than One Year's Service at Beginning of Vacation Year

To provide for the taking of vacations on the basis of equality of all employees during the year, and to effectuate the provisions of Sections A, B, and C of this Article, a new employee, after one (1) year of service, will be entitled to one twelfth (1/12) of his/her normal vacation for each month or major fraction thereof of service between the date of employment and the beginning of the vacation year, which shall be bid after the first anniversary date of employment. A new employee who has earned less than one half (1/2) of the normal vacation as of the starting date of the vacation year will be paid in cash for such vacation credit. Such vacation allowances will be taken or paid for after the completion of one year of service. Annual vacations will thereafter be granted as of the vacation year.

SECTION H. Severance

An employee whose employment is severed shall be paid any accumulated vacation allowance, prorated on the basis of one-twelfth (1/12) of that employee's normal vacation for each month or major fraction thereof for which the employee has vacation due.

SECTION I. Working on Vacation

An employee may work during that employee's vacation period only in the event of mutual consent on the part of the District and the employee. An employee so working shall receive pay for time worked as well as the appropriate vacation allowance.

SECTION J. Vacation Pay in Lieu of Vacation

Any employee who has not taken vacation which has been earned under the provisions of this Article, and is off duty because of

sickness for a period of thirty (30) days or more, may, during the period of illness, take vacation pay in lieu of vacation. Payment in lieu of vacation shall be at the rate of the last service performed in their regular classification. However, if during this time, the employee draws disability benefits, the employee will not be eligible for vacation pay in lieu of vacation.

SECTION K. Bidding for Vacation Periods

1. Except as hereinafter provided, employees in Maintenance Departments entitled to vacation shall select a vacation at the beginning of the vacation year as set forth in Section C of this Article, by their Maintenance Department seniority in the unit or division in which they work, each allowing as many vacations as possible and practicable during the summer months.
2. Vacation periods may be split by weekly periods, and it is understood that an employee desiring to split his or her vacation will bid in seniority order and then must wait for all other employees in the unit or division to bid before the employee makes his/her next choice in seniority order. This rotation of bidding will continue until the employee has bid his/her entire amount of vacation. Each bid must be for one (1) or more consecutive weeks.
3. Vacation bidding will commence no later than May 15. Vacation periods will be posted and remain in full view until bidding is completed.

SECTION L. Holiday During Vacation
