**STATEMENT BY MTA CEO JULIAN BURKE RE:  
SIGNING OF SB-1847 INTO LAW BY GOVERNOR WILSON**

SB-1847 establishes the Pasadena Metro Blue Line Construction Authority, which will award and oversee all design and construction contracts for completion of the Pasadena Blue Line.

As a member of the Joint Powers Authority, MTA will work toward the successful completion of the line and will meet its financial responsibility to provide the funding already programmed for the project.
