

MOTION
Director Martin Ludlow
Metro Bus Line 107
~~January 27, 2005~~
Amended March 17, 2005

On June 27, 2004, the South Bay Service Sector Council, acting upon staff recommendation, voted to cancel Metro Bus Line 107. The elimination of this bus line has had considerable impacts on those who depend on this line, particularly riders who live and/or work in South Los Angeles, specifically in the communities of Hyde Park, South Central Los Angeles and Huntington Park. The LACMTA has not been responsive to the needs of this community. It is important that background data and information be fully shared with the LACMTA Board of Directors.

I THEREFORE MOVE that the LACMTA Board of Directors direct staff to report back at the March Board meeting on the following, but not limited to: 1) a detail map that depicts the original Metro Bus Line 107 with an overlay of the new alternative line(s), including transfers; 2) a comparison on Metro Bus Line 107 passenger boardings to the new alternative line(s) passenger boardings; and 3) fiscal and time impacts to passengers on Metro Bus Line 107 and the new alternative line(s) – e.g. cost and time to Point A to Point B.

I FURTHER MOVE, that the LACMTA Board of Directors direct staff to not make any further changes or reaffirm the cancellation of Metro Bus Line 107 until the Board has been able to review and evaluate the requested information.
