

Motion  
 Director O'Connor  
 Metro Board Meeting – May 3, 2006

The three-year terms for the members of the Westside/Central Sector Governance Council each expire in December of different years. These December anniversary dates are out of alignment with the start and end of the fiscal year, with the time Governance Councils are required to elect their officers, and with many of the terms of office for Sector Governance Councils.

In order to allow for better coordination of responsibilities, I therefore move that each position on the Westside/Central Governance Council be granted a one-time, six-month extension so that each three-year term will expire at the end of a fiscal year in June. The changes would be as follows:

Appointed by the City of Los Angeles:

|                     |                            |
|---------------------|----------------------------|
| Peter Capone-Newton | Term extended to June 2009 |
| Gregory Fischer     | Term extended to June 2007 |
| Jerard Wright       | Term extended to June 2009 |
| Vacancy             | Term extended to June 2009 |

Appointed by the Westside Cities Council of Governments:

|               |                            |
|---------------|----------------------------|
| Carol Gross   | Term extended to June 2007 |
| Brad Robinson | Term extended to June 2007 |
| Anny Semonco  | Term extended to June 2007 |

Appointed by Los Angeles County Supervisor Yvonne Brathwaite Burke:

|               |                            |
|---------------|----------------------------|
| Joyce Perkins | Term extended to June 2007 |
