Ms. Michelle Jackson
M.S. 99-3-1
Metropolitan Transportation Authority
One Gateway Plaza
Los Angeles, CA 90012

Dear Ms. Jackson:

I am currently one of the two representatives of the East Cluster serving on the San Fernando Valley Service Sector Governance Council. Regretfully, I find that my new responsibilities as Mayor along with other time demands do not allow me the necessary time to continue in this very important position. I have very much enjoyed serving on the Sector Council, and wish them well as they continue to work on improving transit service within our area.

The Burbank City Council has authorized me to recommend that the Metro Board approve the nomination of Burbank Vice Mayor Marsha Ramos to replace me on the Sector Council. Ms. Ramos is a two-term member of the Burbank City Council, and is a strong advocate of transit services and of transportation in general. She graduated from Cal State Northridge with a degree in Urban Studies, has worked in the transportation planning industry, and is currently a partner in a soils engineering company in the San Fernando Valley. Ms. Ramos is very interested in community-building and in providing the services and infrastructure that allow that to occur.

On behalf of the Burbank City Council, I request that you transmit the nomination of Marsha Ramos to the Metro Board for appointment to the San Fernando Service Governance Council.

Sincerely,

Todd Campbell
Mayor
