## Gateway Cities Service Sector Customer Commendations

**OCTOBER 2006**

6	Division 2	Line 316	10/19/2006	7:04 AM	<b>JANNETTE I. CARTER</b>
<p>I would like to take this opportunity to commend the bus driver this morning at 7:04 who caught the 316, bus number 7472, at the Larchmont &amp; 3rd Street stop going to downtown. I had not yet reached the stop, but the driver saw me racing down the street in an attempt to catch the bus, which is not all that easy for me because I use a wheelchair. The driver was kind enough to stop the bus and wait for me. I had to cross 3rd Street, and she was sitting there. I said, "Are you waiting for me?". She said, "Yes, I saw you coming, so I thought I should stop." I COULD NOT BELIEVE she did that for me! Also, because she had stopped just past the bus stop, the ramp leading from the bus to the sidewalk was on the grass, and the incline was VERY steep. When I saw this, I said, "That is ok, you go on, and I will catch the next one." She said, "No, I will help you. Just tell me what to do." To which I did, and she assisted me onto the bus. My home is in San Diego, but I work and live during the week in Los Angeles I have been doing this since June, and in the 5 months I have been in Los Angeles taking the bus, this driver is the BEST ONE I have come across. ALL your drivers should use her as a model. When I got off the bus in downtown, I asked for for her badge number, and she said, "Oh no, I'm doing my job!". I insisted, and she gave it to me. Her badge number is 18542..</p>

<p>Patron wished to commend the operator for being so professional and kind. Patron states the operator went out of his way to help each and every passenger. .</p>

<p>Patron commends operator. On 10/26/2006, I boarded a SB line 200 bus on Alvarado/Montana bus at about 10:15 am, veh #1499. The driver showed remarkable courtesy to every passenger, greeting them with "Good Morning", "Have a Nice Day, "Thank You", and the like. It is refreshing to observe this when so often we see indifference in people dealing with the public.</p>
