# LA Marathon XXII – Metro Services

# U.S. Olympic Committee

The United States Olympic Committee (USOC) toured the Metro Rail system on March 1, to evaluate LA's bid to host the 2016 Olympic Games.

Metro Rail will serve 22 of the proposed venues. With Metrolink included, 29 of 33 venues will be served by rail.

The bid is being prepared by the Southern California Committee for the Olympic Games (SCCOG), which also hosted and organized the visit.
