MARCH 19, 2008

SUBJECT: COMPREHENSIVE ANNUAL FINANCIAL REPORT
 FISCAL YEAR 2007

ACTION: RECEIVE AND FILE

RECOMMENDATION

Receive and file the Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2007.

ISSUE

We are required to be audited annually by independent certified public accountants. This report presents the CAFR for the year ended June 30, 2007.

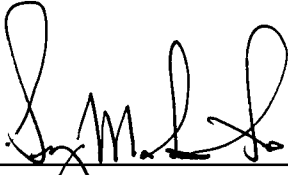

DISCUSSION

The CAFR includes our audited financial statements, supplemental information and an unqualified opinion from PricewaterhouseCoopers LLP (PWC), the independent auditor. PWC representatives will make a presentation on the results of their audit.

As a savings measure, a hard copy of the CAFR is on file with the Board Secretary and is also available on the Metro website:
