

# **Multi-County Goods Movement Action Plan (MCGMAP)**

**Planning and Programming Committee Meeting  
May 14, 2008**

**Metro**

# Overview of the Action Plan

- **Initiated in 2005**
- **Developed in Partnership with Multiple Agencies**
- **Built on Previous Efforts**
- **Developed as a Master Plan for Southern California**
- **Regional in Scope**
- **Respected and Recognized Agency Roles & Authorities**
- **Involved Substantial Stakeholder Outreach**
- **Identified Over \$50 Billion in Improvements and Mitigation Measures (of which more than a half have been identified in Los Angeles County)**

# What's New

- **Regional Modeling of Freight Facilities**
  - 12 Project Bundles
  - Examined East-West Freight Facility Alternatives
  - Other Non-Truck Lane Options Analyzed
- **Innovative Approach to Addressing Goods Movement, Environmental, Community, and Funding issues**
- **Presents Scenarios for Freight Growth**

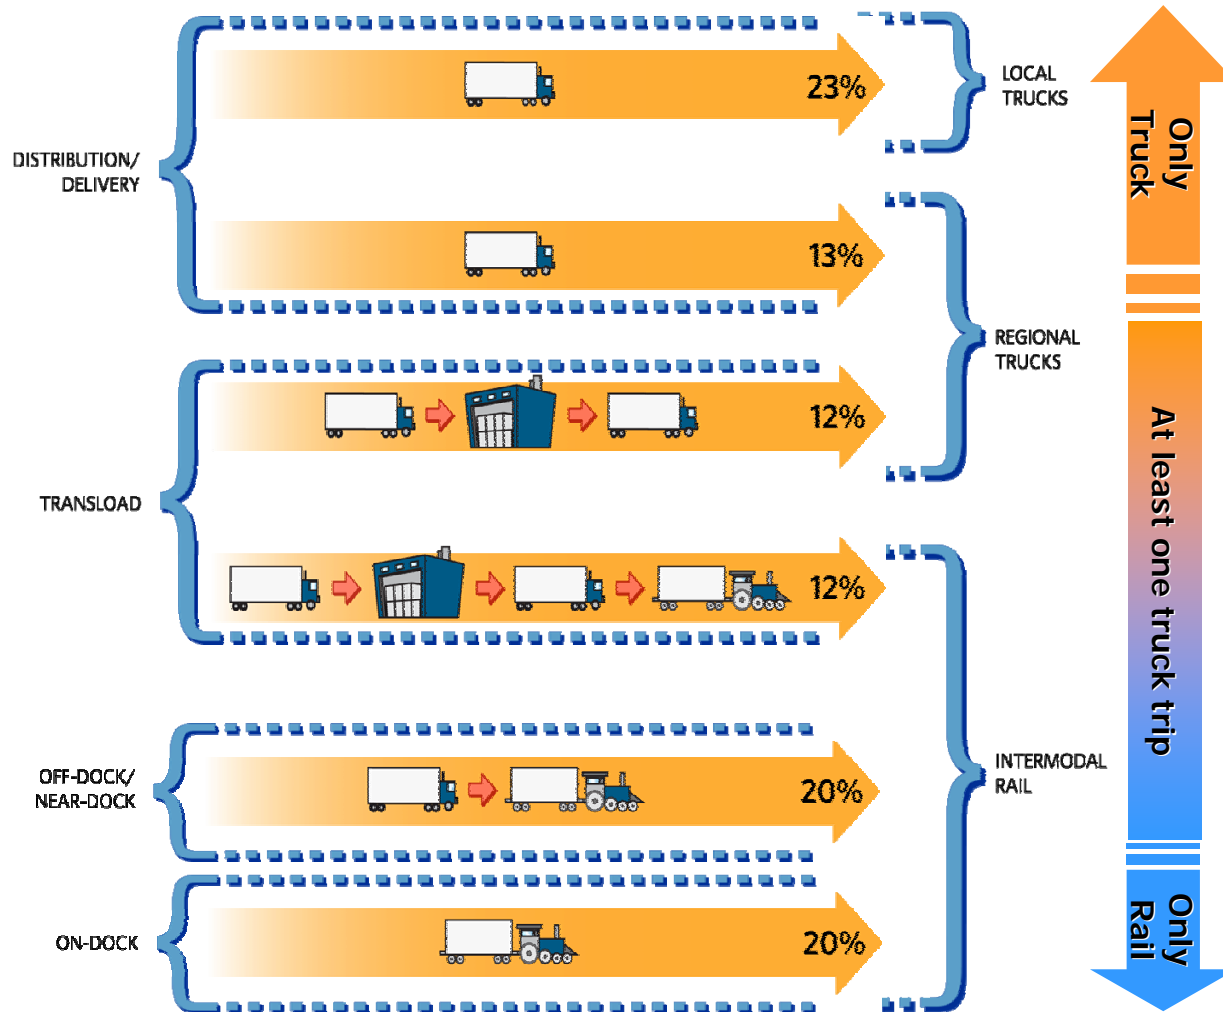

# MCGMAP Study Area

# Challenges

- **Mobility**
- **Environment and Community**
- **Funding**
- **Economic**

# Modal Market Segments

# Four Sets of Actions

- **ACCELERATE Regional Environmental Mitigation**
  - Region-Wide Approaches
  - Project Specific Mitigation Measures
- **RELIEVE Congestion and Increase Mobility**
  - Increased Intermodal and Mainline Rail Capacity
  - Improved Highways/Roadways
- **IMPROVE Operational Efficiencies**
  - Improve Marine Terminal Productivity, Truck Turn Times, and Intermodal Operations
  - Improve Highway Operations
- **DEVELOP EQUITABLE Public/Private Funding Strategy**
  - Maximize the Region's Fair Share of Federal/State Funds
  - Obtain Private Sector Contribution

# Potential Future System

# Stakeholder Comment Topics

- **Planning Process and Community Outreach**
- **Potential Goods Movement Improvements, Strategies and Projects**
- **Impacts and Mitigation**
- **Rail-Related**
- **Alternative Technologies for Freight**
- **Funding**
- **Security**
- **Environmental Justice**
- **Next Steps**

# Next Steps

- **Address Environmental and Community Impacts**
  - Environmental Justice Analysis and Outreach
- **Promote Partnership and Advocacy**
- **Improve Mobility**
  - SCAG's Comprehensive Goods Movement Implementation Plan
  - Los Angeles County Strategic Goods Movement Plan
- **Secure Funding**
