

**FINANCE AND BUDGET COMMITTEE
JUNE 18, 2008**

SUBJECT: GENERAL REVENUE BONDS

**ACTION: ADOPT RESOLUTION AUTHORIZING ISSUANCE OF
REFUNDING BONDS**

RECOMMENDATION

Adopt a resolution, Attachment A, authorizing the negotiated sale and issuance of refunding bonds or mode conversion of the General Revenue 2004-A bonds, including negotiation of terms and pricing to the existing or to new interest rate swaps and other agreements, and authorizing related documents that are on file with the Board Secretary.

Requires separate, simple majority Board vote.

RATIONALE

As a result of the “subprime crisis” we are now paying substantially more in interest costs than we should be paying. Therefore, we need to restructure or convert the bonds to the lowest cost alternatives as quickly as possible.

Typically, we have requested authority for a specifically defined single transaction. The requested authority is broader than normally requested because of the need to move as expeditiously as possible. Across all of our affected variable rate bonds, we are paying almost \$2 million per month more than planned.

Our primary objective is to convert/restructure these bonds into uninsured Variable Rate Demand Bonds (VRDBs) that we believe will be more attractive to the investment community and bring our interest costs back into line. Because of the complexities of the related interest rate swap and the liquidity crunch in the market, we might not be able to achieve our primary objective. Therefore, we will need the flexibility to negotiate and execute alternative solutions in light of the then current market conditions as they develop.

OPTIONS

We could decide not to restructure the bonds resulting in continuing higher interest costs. This option is not recommended.

Another option involves fixing the bond rate for a term of one to five years. This is a more costly alternative than issuance of VRDBs, but is a viable consideration if we are ultimately unable to issue VRDBs.

We could exit or replace the swaps. Among the swap alternatives, our first choice would be to terminate and simultaneously enter into a replacement swap for the same terms and pricing.

The final option, but most costly, would be to terminate the swaps and issue fixed rate bonds.

FINANCIAL IMPACT

The costs of issuance for this refunding were not budgeted in FY09 because of the uncertainty related to completing any refunding. If executed, the refunding will generate a favorable variance in debt service interest, project 610309, account 51121, in FY09 to offset costs of issuance.

DISCUSSION

Since summer 2007 the financial marketplace has become increasingly unstable as a result of the subprime crisis. Auction Rate Securities (ARS) began falling out of favor with investors during the summer and collapsed dramatically at the beginning of 2008. ARS are now trading at 3-5% compared to where they should be trading, currently around 2.6%.

Several bond insurers with traditional "AAA" credit ratings were downgraded in January and February 2008 and others have been placed on "negative credit watch". As a result, VRDBs with bond insurance have also been negatively affected. On the other hand, uninsured VRDBs are pricing around 2%. We are attempting to implement conversions to uninsured VRDBs for as many of our programs as we can. However, this structure requires bank liquidity, which has recently become expensive and scarce as many other issuers also attempt to convert their ARS to VRDBs.

We have \$184 million of General Revenue 2004-A ARS insured by Ambac. Ambac was rated "AAA" as recently as December 2007 but was downgraded to "AA" by the Fitch rating service, but retains a "AAA" ratings, with negative outlook, from both Moody's and Standard & Poor's. These bonds have an interest rate swap that we would like to retain while removing the bond insurance and swap termination payment insurance. This will require negotiation of amendments to the swap documents and could result in some increase in the cost of the swap. If we are unable to reach agreement with the swap providers, we would consider alternatives involving termination and possibly replacement of the swaps, as well as alternatives for either temporarily or permanently issuing fixed rate bonds.

We will need to negotiate with our interest rate swap counterparties in order to remove the insurance provided by the downgraded insurers. We may need to compensate the swap providers for loss of the insurance.

NEXT STEPS

- Select liquidity banks and negotiate the terms for the agreements
- Negotiate with the current swap counterparty to bring the swap into the refunding
- Price and deliver refunding bonds

WHEREAS, terms used in this Resolution and not otherwise defined herein shall have the meanings assigned to them in the Trust Agreement;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS (THE "BOARD") OF THE LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY, AS FOLLOWS:

1. **Findings.** The LACMTA hereby finds and determines that:

(a) The issuance of the Refunding Bonds to refund all or a portion of the Series 2004 Bonds and pay certain costs related thereto is in the public interest.

(b) The provisions contained in the Trust Agreement as amended and supplemented by one or more Supplements are reasonable and proper for the security of the holders of the Refunding Bonds.

(c) Any Swap Agreement (as defined below) is designed to reduce the amount or duration of payment, currency, rate, spread, or similar risk or result in a lower cost of borrowing when used in combination with the issuance of the Refunding Bonds, pursuant to California Government Code Section 5922, and will be used to alter interest rate risk and/or alter the cost of borrowing in a beneficial manner, and when used in combination with the Refunding Bonds, will enhance the relationship between risk and return or achieve other policy objectives consistent with the LACMTA's Interest Rate Swap Policy (except as described herein).

2. **Issuance of Refunding Bonds.** For the purposes of refunding some or all of the Series 2004 Bonds, and the payment of certain costs related thereto, the LACMTA hereby authorizes the issuance of one or more Series of its General Revenues Refunding Bonds; *provided, however*, that the True Interest Cost (as defined below) of the Refunding Bonds shall not exceed 8%, as such shall be calculated by the Financial Advisor of the LACMTA as of the date of delivery of the Refunding Bonds. The LACMTA hereby specifies that the aggregate principal amount of the Refunding Bonds shall be an amount sufficient, but not in excess of, the amount required (taking into account any original issue discount), to refund such Series 2004 Bonds, to provide for one or more debt service reserve funds, and to provide for the underwriters' discount and payment of costs of issuance (including, as provided below, the payment of any termination payment related to the termination of the Related Swap and any payment required in connection with an amendment of the Related Swap). The LACMTA hereby specifies that the Refunding Bonds shall not mature

later than July 1, 2028. The Chair of the LACMTA, any Vice Chair of the LACMTA, the Chief Executive Officer (“CEO”) of the LACMTA, the Chief Financial Services Officer of the LACMTA, the Treasurer, any Assistant Treasurer of the LACMTA, or any such officer serving in an acting or interim capacity, and any written designee of any of them (each a “Designated Officer”), acting in accordance with this Section 2, are each hereby authorized to determine the actual aggregate principal amount of Refunding Bonds to be issued (not in excess of the maximum amount set forth above) and to direct the execution and authentication of the Refunding Bonds in such amount. Such direction shall be conclusive as to the principal amounts hereby authorized. The Refunding Bonds shall be in fully registered form and shall be issued as Book-Entry Bonds as provided in the applicable Supplement. Payment of principal of, interest on and premium, if any, on the Refunding Bonds shall be made at the place or places and in the manner provided in the applicable Supplements. As used herein, the term “True Interest Cost” shall be the interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the dated date of the Refunding Bonds and to the principal amount, and premium or discount if any, of the Refunding Bonds. For the purpose of calculating the True Interest Cost, the principal amount of Refunding Bonds scheduled for mandatory sinking fund redemption as part of a term bond shall be treated as a serial maturity for such year. If any Refunding Bonds bear interest at a variable rate, then, to the extent that the LACMTA has entered into a Swap Agreement and/or Related Swap related to such Refunding Bonds, the interest rate that shall be used to calculate the True Interest Cost shall equal the fixed rate payable by the LACMTA under such Swap Agreement and/or Related Swap and shall include any on-going fees and costs on any SBPA or Reimbursement Agreement. If any Refunding Bonds bear interest at a variable rate, then, to the extent that the LACMTA has not entered into a Swap Agreement and/or Related Swap related to such Refunding Bonds, the interest rate that shall be used to calculate the True Interest Cost shall reflect an assumed rate calculated by the Financial Advisor of LACMTA and include any on-going fees and costs on any SBPA or Reimbursement Agreement. The calculation of the True Interest Cost shall include such other reasonable assumptions and methods as determined by the Financial Advisor of the LACMTA.

3. **Terms of Refunding Bonds.** The Refunding Bonds shall be available in denominations of not less than \$5,000. The Refunding Bonds shall, when issued, be in the aggregate principal amounts and shall be dated as shall be provided in the final form of the applicable Supplements. The Refunding Bonds may bear interest at either a fixed or variable interest rate, as specified in the applicable Supplements. The Refunding Bonds may be issued as serial bonds or as term bonds or as both serial bonds and term bonds, all as set forth in the applicable Supplements. No Refunding Bonds shall bear interest at a rate in excess of 12% per annum. Interest on the Refunding Bonds shall be paid on the dates set forth in the applicable Supplements. The Refunding Bonds shall be subject to redemption at the option of the LACMTA on such terms and conditions as shall be set forth in the applicable Supplements. The Refunding Bonds shall also be subject to mandatory sinking fund redemption as shall be set forth in the applicable Supplements.

Execution and delivery of one or more Supplements, which document contains the maturities, interest rates and the fixed or variable interest payment obligations of the LACMTA within parameters set forth in this Resolution, shall constitute conclusive

evidence of the LACMTA's approval of such maturities, interest rates and payment obligations.

4. **Special Obligations.** The Refunding Bonds shall be special obligations of the LACMTA secured by and payable from Pledged Revenues and Remaining Sales Tax (as such terms are defined in the Trust Agreement) and from the funds and accounts held by the Trustee under the Trust Agreement as supplemented by any Supplement. The Refunding Bonds shall also be secured by and be paid from such other sources as the LACMTA may hereafter provide.

5. **Form of Refunding Bonds.** The Refunding Bonds and the Trustee's Certificate of Authentication to appear thereon shall be in substantially the form set forth in the applicable Supplements, with such necessary or appropriate variations, omissions and insertions as permitted or required by the Trust Agreement and/or one or more Supplements or as appropriate to adequately reflect the terms of such Refunding Bonds and the obligation represented thereby.

6. **Execution of Refunding Bonds.** Each of the Refunding Bonds shall be executed on behalf of the LACMTA by any Designated Officer and any such execution may be by manual or facsimile signature, and each bond shall be authenticated by the endorsement of the Trustee or an agent of the Trustee. Any facsimile signature of such Designated Officer(s) shall have the same force and effect as if such officer(s) had manually signed each of such Refunding Bonds.

7. **Approval of Documents, Authorization for Execution.** Each of the Designated Officers is hereby severally authorized and directed to have prepared and to execute, acknowledge and deliver in the name of and on behalf of the LACMTA one or more Supplements, one or more Escrow Agreements, one or more SBPAs, one or more Reimbursement Agreements, one or more Purchase Agreements, one or more Remarketing Agreements, one or more Continuing Disclosure Certificates (any Supplement, any Escrow Agreements, any SBPAs, any Reimbursement Agreements, any Purchase Agreements, any Remarketing Agreements and Continuing Disclosure Certificates shall be collectively referred to as the "Related Documents" and each a "Related Document"), in each case, to the extent, in the form, and with the terms and provisions as the Designated Officer executing the same shall determine is appropriate and necessary for the issuance of the Refunding Bonds including, but not limited to, affirmative and negative covenants relating to the Refunding Bonds and the finances and operations of the LACMTA; *provided, however*, that (a) the terms and provisions of the Related Documents shall not, as of the date of the delivery of the Refunding Bonds, provide for costs, expenses, fees, premiums and the like such that the True Interest Cost of the Refunding Bonds exceeds 8% as provided and calculated above and (b) the aggregate principal amount of the Refunding Bonds shall be an amount sufficient, but not in excess of, the amount required (taking into account any original issue discount), to refund the Series 2004 Bonds, to provide for one or more debt service reserve funds and to provide for the underwriters' discount and payment of all other costs of issuance (including, as provided below, the payment of any termination payment related to the termination of the Related Swap and any payment required in connection with an amendment of the Related Swap).

8. **Sale of Bonds.**

(a) The LACMTA hereby authorizes the sale of the Refunding Bonds through a private, negotiated sale to one or more Underwriters.

(b) The Refunding Bonds, if sold to the Underwriter or Underwriters, shall be sold subject to an underwriters' discount (excluding original issue discount) not to exceed \$5 per \$1,000 of principal amount of Refunding Bonds and subject to the terms and conditions set forth in the Purchase Agreement.

(c) Any Designated Officer, on behalf of the LACMTA, is further authorized and directed to cause written notice to be provided to the California Debt and Investment Advisory Commission ("CDIAC") of the proposed sale of the Refunding Bonds, said notice to be provided in accordance with Section 8855 *et seq.* of the California Government Code, to file the notice of final sale with CDIAC, to file the rebates and notices required under section 148(f) and 149(e) of the Internal Revenue Code of 1986, as amended, and to file such additional notices and reports as are deemed necessary or desirable by such Designated Officer in connection with the Refunding Bonds, and any prior such notices are hereby ratified, confirmed and approved.

9. **Preliminary Official Statement and Official Statement.** In connection with the issuance of the Refunding Bonds, the LACMTA hereby authorizes the circulation of one or more Preliminary Official Statements in substantially the form of the draft thereof presented at this meeting, with such changes therein as shall be approved by any Designated Officer, such approval to be conclusively evidenced by the execution and delivery of the certificate referred to in the following sentence. Each Preliminary Official Statement shall be circulated for use in selling the Refunding Bonds at such time or times, if any, as a Designated Officer (after consultation with the Underwriter or Underwriters, the LACMTA's Financial Advisor and Bond Counsel and such other advisors as the Designated Officer believes to be useful) shall deem such Preliminary Official Statement to be final within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, said determination to be conclusively evidenced by a certificate signed by said Designated Officer to said effect.

Upon execution of any Purchase Agreement relating to the Refunding Bonds, from time to time, the Designated Officers shall provide for the preparation, publication, execution and delivery of one or more final Official Statements in substantially the form of the Preliminary Official Statement presented at this meeting of the Board of LACMTA with such changes as any Designated Officer determines are appropriate or necessary. Any Designated Officer is hereby authorized and directed to execute and deliver one or more final Official Statements in the name and on behalf of the LACMTA. One or more supplements to the final Official Statement(s) or revised final Official Statement(s) may be prepared and delivered to the Underwriter or Underwriters reflecting updated and revised information as shall be acceptable to the Underwriter or Underwriters and as the Designated Officers, or any of them, deem appropriate or necessary. Each Official Statement shall be circulated for use in selling the Refunding Bonds at such time or times as a Designated Officer deems appropriate after consultation with the Underwriter or

Underwriters, the LACMTA's Financial Advisor and Bond Counsel and such other advisors as the Designated Officer believes to be useful.

10. **Related Swap.** In connection with or related to the Refunding Bonds and/or the Series 2004 Bonds, each of the Designated Officers is hereby severally authorized and directed to terminate or to amend the provisions of some or all of the Related Swap that such Designated Officers determines is appropriate or necessary. In connection with any amendment of any of the Related Swap, each of the Designated Officers are hereby severally authorized and directed (a) to provide for a lower or higher fixed rate payment by the LACMTA under the Related Swap, provided that such fixed interest rate shall not exceed the rate of 8% per annum, (b) to provide for such other terms that such Designated Officer determines is appropriate or necessary and consistent with LACMTA's Interest Rate Swap Policy (except as described herein) and (c) to pay any fee associated with such amendment. In connection with any termination of any of the Related Swap, each of the Designated Officers is hereby severally authorized to incur and to pay any termination payment payable to the counterparty thereto. In addition, in connection with any such termination payment, each of the Designated Officers are hereby authorized and directed to increase the aggregate principal amount of the Refunding Bonds to permit for the payment of such termination payment from the proceeds of the Refunding Bonds or to provide for the payment of such termination payment from such source or sources as such Designated Officer shall determine is appropriate or necessary.

11. **Interest Rate Swap Agreements.** In connection with or related to the Refunding Bonds and/or the Series 2004 Bonds, each of the Designated Officers is hereby severally authorized and directed to execute and deliver on behalf of the LACMTA one or more interest rate swap agreements (each, a "Swap Agreement") with one or more institutional parties (each, a "Counterparty") if the Designated Officers or any of them determine that it is appropriate or necessary to do so. In connection with each Swap Agreement:

(a) The Designated Officers are each hereby authorized and directed to arrange for the competitive bid of the Swap Agreement and, if the Designated Officers determine it to be appropriate and necessary under the market and competitive conditions, to privately negotiate the terms of a Swap Agreement without a competitive bid process, among one or more Counterparties (or the guarantors thereof) whose long-term, unsecured and unsubordinated obligations as of the date on which the LACMTA enters into such Swap Agreement are (i) rated AA- or better by Standard & Poor's Rating Services ("S&P") or Fitch, Inc. ("Moody's") and (ii) not rated below A by S&P or Fitch or A2 by Moody's, or (iii) have a "AAA" subsidiary that is rated by at least one nationally recognized credit rating agency on such terms as any such Designated Officer determines is appropriate or necessary, with such changes thereto as may be determined by any Designated Officer, upon consultation with the Financial Advisor and Bond Counsel.

(b) The Designated Officers and each of them are hereby authorized and directed to determine the advisability of entering into the Swap Agreement with a Counterparty or Counterparties and to negotiate and determine the terms,

conditions and provisions of such Swap Agreement consistent with the LACMTA's Interest Rate Swap Policy (except as described herein) and the terms set forth in this Resolution; *provided, however*, that the obligations of the LACMTA shall not cause the True Interest Cost on the Refunding Bonds to exceed 8%, as such is calculated and determined as set forth above.

(c) The Designated Officers are, and each of them is, hereby authorized and directed to execute, acknowledge and deliver the Swap Agreement including counterparts thereof, in the name and on behalf of the LACMTA and the LACMTA's corporate seal is hereby authorized (but not required) to be affixed or imprinted on each of such documents. (d) The Designated Officers and each of them are hereby authorized and directed to determine the advisability of obtaining credit enhancement for all or certain of the payments to be made in connection with the Swap Agreement and to accept the terms and provisions and price of such credit enhancement, to select a provider or providers thereof (the "Credit Enhancer") and to determine such other matters related thereto as in the opinion of such Designated Officer or Officers shall be considered necessary or appropriate.

(e) The Designated Officers and each of them are hereby authorized and directed to pledge or caused to be pledged, to the Counterparty or Counterparties collateral in the form of cash or securities to secure its obligations under the Swap Agreement when required by and in accordance with the terms thereof.

(f) The Designated Officers and each of them are hereby authorized and directed to amend, supplement or otherwise modify the Swap Agreement at any time and in any manner determined to be necessary or desirable by the Designated Officer executing such amendment, supplement or modification, upon consultation with the Swap Advisor and Bond Counsel, the execution of such amendment, supplement or other modification being conclusive evidence of LACMTA's approval thereof. In addition, the Designated Officers and each of them are authorized to optionally terminate the Swap Agreement in whole or in part in accordance with the terms of the Swap Agreement.

12. **Paying Agent and Registrar.** The LACMTA hereby appoints the Trustee as Paying Agent for the Refunding Bonds, appoints the Trustee as Registrar for the Refunding Bonds, and appoints the Trustee as Escrow Agent under any Escrow Agreement. Such appointments shall be effective upon the issuance of the Refunding Bonds and shall remain in effect until the LACMTA, by supplemental agreement, resolution or other action, shall name a substitute or successor thereto.

Notwithstanding the Debt Policy of the LACMTA, each of the Designated Officers is hereby authorized and directed to determine the process of procuring the provider of municipal bond insurance, SBPA and/or direct pay letter of credit and such process may be, at the determination of such Designated Officer, either a competitive bidding process or a privately negotiated process.

14. **Additional Authorization.** The Designated Officers and all officers, agents and employees of the LACMTA, for and on behalf of the LACMTA, are each hereby severally authorized and directed to do any and all things necessary to effect the execution and delivery of the Refunding Bonds and the Related Documents and to carry out the terms thereof. The Designated Officers and all other officers, agents and employees of the LACMTA are further severally authorized and directed, for and on behalf of the LACMTA, to execute all papers, documents, certificates and other instruments that may be required in order to carry out the authority conferred by this Resolution or the provisions of the Trust Agreement, each Supplement and the Related Documents or to evidence said authority and its exercise. The foregoing authorization includes, but is in no way limited to, the direction (from time to time) by a Designated Officer of the investments in Permitted Investments (defined in the Trust Agreement and/or any Supplement) of the proceeds of the Refunding Bonds and of the Pledged Revenues and Remaining Sales Tax including the execution and delivery of investment agreements related thereto, the execution by a Designated Officer and the delivery of the Tax Certificate as required by any Supplement for the purpose of complying with the rebate requirements of the Internal Revenue Code of 1986, as amended; and the execution and delivery of documents required by The Depository Trust Company in connection with the Book-Entry Bonds. 16. **Further Actions.** From and after the delivery of the Refunding Bonds, the Designated Officers and each of them are hereby authorized and directed to amend, supplement or otherwise modify any Related Document at any time and from time to time and in any manner determined to be necessary or desirable by the Designated Officer executing such amendment, supplement or modification, upon consultation with the

Financial Advisor and Bond Counsel, the execution of such amendment, supplement or other modification being conclusive evidence of LACMTA's approval thereof. The Designated Officers and each of them are hereby authorized and directed to terminate, amend or replace any Remarketing Agreement, SBPA, direct pay letter of credit or Reimbursement Agreement and to enter into one or more Remarketing Agreements, SBPAs or Reimbursement Agreements with one or more Remarketing Agents, Liquidity Providers or Credit Providers as any such Designated Officer shall determine is appropriate or necessary.

17. **Costs of Issuance.** The LACMTA authorizes funds of the LACMTA together with the proceeds of the Refunding Bonds to be used to pay costs of issuance of the Refunding Bonds, including but not limited to costs of attorneys, accountants, verification agents, financial advisors, the costs associated with rating agencies, bond insurance and surety bonds, printing, publication and mailing expenses, any related filing fees and the payment of any termination payment incurred in connection with the termination of the Related Swap and any payment required in connection with an amendment of the Related Swap.

18. **Conversion.** In lieu of refunding some or all of the Series 2004 Bonds, the Designated Officers are hereby severally authorized and directed, if any such Designated Officer determines that it is appropriate or necessary, to effect a conversion of the interest rate mode of the Series 2004 Bonds under the terms and provisions of the Trust Agreement and to enter into such Related Documents as any such Designated Officers shall determine is appropriate or necessary to effect such conversion; *provided, however*, that the True Interest Cost of such Series 2004 Bonds, as applicable, after giving effect to the conversion, shall not exceed 8% (as calculated above). Furthermore, in connection with the conversion of such Series 2004 Bonds, each of the Designated Officers is hereby severally authorized and directed to take any action or enter into any agreement that the Board of the LACMTA has authorized one or more Designated Officers to take or to enter into in the name of the LACMTA with respect to the issuance of the Refunding Bonds, including the preparation and circulation of one or more Preliminary Official Statements and the preparation, execution and circulation of one or more Official Statements and supplements thereto, if any such Designated Officer shall determine such action or such agreement is appropriate or necessary to the conversion of such Series 2004 Bonds, as applicable.

19. **Debt Policy and Interest Rate Swap Policy.** In light of the extraordinary circumstances under which the Board of the LACMTA is approving the issuance of the Refunding Bonds and/or the conversion of the Series 2004 Bonds, notwithstanding the provisions of the Debt Policy and the Interest Rate Swap Policy of the LACMTA, the Designated Officers are hereby severally authorized and directed, with respect to any agreement or the taking of any action that would otherwise be required to be taken through a competitive bidding process under the Debt Policy and/or the Interest Rate Swap Policy, to enter into such agreement (including any of the Related Documents and any Swap Agreement) or take such action through either a competitive bidding process or a privately negotiated transaction as any such Designated Officer shall determine is appropriate or necessary. Further, notwithstanding the Debt Policy of the LACMTA, the Designated Officers are severally authorized and directed to provide for the issuance of the Refunding

Bonds regardless of whether the Refunding Bonds satisfy the requirements of the Debt Policy for interest savings on the issuance of refunding bonds so long as any such Designated Officer determines that the issuance of the Refunding Bonds is appropriate or necessary to mitigate risk to market volatility or is otherwise in the best interests of the LACMTA.

20. **Investment Agreements.** In connection with the issuance of the Refunding Bonds, each of the Designated Officers is hereby authorized and directed to terminate, amend, assign or otherwise dispose of any investment agreement relating to the Series 2004 Bonds in such manner and on such terms and provisions as any such Designated Officer shall determine is appropriate or necessary.
