- K. amending the Position Authorization and Compensation Policy authorizing the Chief Executive Officer to approve all non-contract salaries up to \$200,000 for new hires, reclassifications, salary equities and adjustments and the creation of new non-contract classifications; and  
**Katz Amendment** to reduce the CEO approval level from \$200,000 to \$175,000 and allow the CEO to adjust this threshold annually by the average COLA awarded non-represented employees.

(Continued on next page)

(Continued from previous page)

L. ~~approving the salary for one Service Sector General Manager effective July 1, 2008, reclassifications and salary equity adjustments as detailed in Attachment F of the Board report.~~

APPROVED the remaining three positions shown on Attachment F of the Board report (Items 1 and 2 listed on page 14 and Item 1 listed on page 16).

**Antonovich Amendment** that the Board of Directors instruct the CEO to increase to \$500,000 the allocation to the Service Sector communications fund in the FY 08-09 budget in a cost-neutral manner from the overall Communications Budget.

**Antonovich/Najarian Amendment** that the Board of Directors instruct the CEO to grant to the High Desert Corridor Joint Powers Authority the sum of \$500,000 for Fiscal Year 2008-09.

APPROVED:

**Najarian Motion** requesting the CEO to direct Metro staff to report back to the Board at the June meeting with a chart for Prop A growth over inflation Fiscal Years 98/99 through 08/09 stating the revenues and expenses for each Fiscal Year **before** any balances are converted to Prop C 40% discretionary funds. Metro should work with Board staff to develop a simple format that is easily understood.

**Knabe Motion** to forward the following Motion to the June Finance and Budget Committee and Operations Committee:

Burke/Lowenthal/Parks Motion that:

- The five-year Ridership Plan be revised to set on-time performance as a funding priority;
- Two additional Transit Operations Supervisor (TOS) positions per Sector be allocated in the 2008-09 Bus Operations budget; and
- A phased plan be submitted to the Board to increase road supervision to a level commensurate with achieving increased on-time performance goals.

(Continued on next page)

(Continued from previous page)

**Knabe Motion** to forward the following Motion to the June Finance and Budget Committee.

FASANA MOTION that the Board amend the FY09 Budget to add 1 FTE at an Executive Officer level to the New Business Development Department to oversee the Congestion Pricing program and be responsible for coordinating related departmental activities, to provide executive direction to project management staff and consultants, and to perform the following duties, but not limited to:

NO REPORT.

30. APPROVED ANTONOVICH MOTION that the Board of Directors instruct the CEO to return to the full Board in June 2008 with the following:
1. A plan to deliver to the Board a study that will fully research the potential for a **congestion pricing proposal** for the remainder of freeway corridors in Los Angeles County (e.g. I-405, US-101, SR-170). This study will contain, but not be limited to, the following items:
    - a. timeframes for earliest implementation of congestion pricing on these freeway corridors;
    - b. funding requirements needed to implement these corridor congestion pricing proposals;
    - c. policy decisions necessary at the local, state and federal level to allow this implementation to occur;
    - d. a plan to meet with, present to and obtain input from the Los Angeles County state and federal delegation on corridor proposals within each member's jurisdiction as well as the current congestion pricing proposal as outlined in the Metro/USDOT Memorandum of Understanding (MOU);
    - e. identification of which corridors could potentially replace the current 210/10/110 corridors in the Metro/USDOT MOU; and
  2. A timeframe in which this plan will be executed so that:
    - a. any alternative congestion pricing corridor proposals in Los Angeles County will be available as a substitute for the three current corridor proposals, staying within the guidelines of the USDOT Congestion Reduction Demonstration grant; and
    - b. any alternative congestion pricing corridor proposals which do not meet the implementation deadlines for the USDOT grant will still be developed for possible action should a new round of grants or funding opportunities arise.

RECEIVED public comment.
